MEDICAL LAW OF SOUTH CAROLINA.

AN ACT to Regulate the Practice of Medicine in South Carolina, to Provide for a State Board of Medical Examiners, and to Define Their Duties and Powers.

Section 1. Be it enacted by the General Assembly of the State of South Carolina, That on and after the approval of this act no person shall practice medicine or surgery within the state unless he or she is twenty-one years of age, and either has been heretofore authorized so to do, pursuant to the laws in force at the time of his or her authorization, or is hereafter authorized to do so by subsequent subdivisions of this act.

Sec. 2. Any person shall be regarded as practicing medicine, within the meaning of this act, who shall treat, operate on, or prescribe for any physical ailment of another, except those engaged solely in the practice of osteopathy. But nothing in this act shall be construed to prohibit service in cases of emergency, or the domestic administration of family remedies.

Sec. 3. There shall be established a state board of medical examiners, composed of eight reputable physicians or surgeons, one from each of the seven congressional districts, and one from the state at large, to be nominated by the state medical association, and appointed and commissioned by the governor. The term of office of the members of the board shall be for a period of two years, and until their successors in office shall have been appointed and qualified. Any vacancy in said board of examiners by death, resignation or otherwise shall be filled in the same manner as above specified: Provided, That the governor shall have the right to reject any or all of the members nominated, upon satisfactory showing as to the unfitness of those rejected. In case of such rejection, former members of the board shall hold over until their successors can be chosen in the manner as above provided.

The members of the board first appointed under the provisions of this section shall be divided into two classes. The first class to consist of the four members from the odd numbered congressional districts of the state, and the second class of the remaining four members, the three from the even number congressional districts with the one from the state at large. The first class shall hold office under the said first appointment for the period of two years, until 1905; the second class for one year from the date of their appointment, until 1904. Thereafter the term of office of the first class shall expire on each odd number year of the calendar, and those of the second class on each even number year of the calendar: Provided, further, That the first nomination herein provided for shall be held at the next annual meeting of said state medical association, and the members of the present board shall continue in office until their successors are appointed and have qualified, as hereinbefore provided.

Sec. 4. Said board of medical examiners shall meet regularly at Columbia, S. C., on the second Tuesday in June of each year, and continue in session until all applicants are duly examined.

A majority of said board shall constitute a quorum for the transaction of business.

At their first meeting they shall organize by the election of a chairman and a secretary, who shall also be treasurer, and said board shall have power to call extra meetings, when necessary, and to make all necessary by-laws and rules for their government.

Sec. 5. It shall be the duty of said board, when organized, to examine all candidates for examination, as hereinafter provided and described, and to pass upon their qualifications and fitness to practice medicine in this state, and to give to each successful applicant a certificate to that effect, upon the payment of ten dollars to the treasurer of said board. In case of failure, half of the fee (\$5.00) is to be returned to applicant. Such certificate of qualification shall entitle the holder or holders thereof, respectively, to be registered as a lawful practicing physician by the clerk of court

of the county in which he or she, or they, may reside, upon payment to said clerk of court of a fee of twenty-five cents for each registration. No physician will be considered as a legally qualified practitioner, or as having fully complied with the law, until he shall have obtained said registry. In the interim between the meetings of the board the president and secretary of the board shall be allowed to grant temporary license to practice medicine until the next regular meeting of the board to such persons as would, under the above sections, be eligible for examination. Said temporary license shall not entitle the holder to registry with the clerk of the court of the county in which he resides, but at the next regular meeting of the board the applicant must come up for the regular examination for permanent license.

Sec. 5a. The said Board of Medical Examiners is hereby authorized and empowered to suspend or revoke, subject on appeal to revisions by the Circuit Courts of the state, by a majority vote of its total membership, the license of any practicing physician or surgeon qualified under any provision of this act, and whether qualified prior or subsequent to the passage of this act, after due notice and fair opportunity for hearing, upon its being made satisfactorily to appear that the holder thereof is guilty of felony or gross immorality, or is addicted to the liquor or drug habit to such a degree as to render him or her unworthy or unfit to practice medicine in this state, or has been convicted in a court of competent jurisdiction of illegal practice. And the said board is further empowered to administer oaths in the taking of testimony upon any and all matters pertaining to the business or duties of the board: Provided, that pending an appeal under this section the doctor under charges shall practice his or her profession until the decision of the tribunal appealed to.

Sec. 6. All persons who hold diplomas from any medical college or schools of established reputation, given prior to the passage of this act, and who present certificates of their good moral character, and their sobriety, from some reputable person or persons known to the board, and who give evidence of sufficient preliminary education (equivalent to the possession of a teacher's first grade certificate), shall be eligible for examination before the board, irrespective of their time of attendance upon medical lectures; but no person who shall graduate after the passage of this act shall be eligible to appear before the board for examination unless he or she shall give evidence, in addition to sufficient preliminary education, that he or she has attended four full courses of lectures of at least twenty-six weeks each, no two courses being in the same year, and has received a diploma of M. D. therefrom.

Provided, That nothing in this act contained shall be construed to prevent the State Board of Medical Examiners from admitting as eligible for examination before said board, on both the junior and senior curriculum prescribed in section seven of this act, any person who satisfies said board that he or she had been regularly admitted to advanced standing in some medical college or school of established reputation, requiring a four-years' course of study, and had received a diploma of M. D. therefrom and is otherwise eligible under the provisions of this act.

Sec. 7. The curriculum of the state board of medical examiners shall be divided into two sections; the first comprising the junior or primary branches of medical education, hereafter to be designated as the junior curriculum. The second, comprising the senior and clinical portion of medical education, hereafter to be designated as the senior curriculum. The junior curriculum shall comprise the following branches, namely:

1. General anatomy.
2. Physiology and histology.
3. *Materia medica* and medical botany.
4. Chemistry, organic and inorganic, and medical physics.
5. Bacteriology and pathology.

The senior curriculum shall comprise:

1. Anatomy, regional and surgical.
2. Practical hygiene and sanitary science, state medicine.
3. Practical uranalysis, urinary microscopy.
4. Therapeutics and toxicology.
5. Surgery, general and special, surgical procedure.
6. Practical medicine and diseases of children.
7. Practical obstetrics and gynecology.
8. Medical jurisprudence.

Said examinations shall be conducted either in writing or orally, or both, at the discretion of the Board.

Sec. 8. All applicants before the board, holding a diploma from a four-year graded medical college of established reputation, whether in or out of the state, who have pursued a study of four separate courses, and have attained a mark of not less than seventy-five per cent on each individual branch of their curriculum, as evidenced by certificate from the dean of their college, shall be exempted from examination in the junior curriculum, and shall be examined only on those subjects contained in the senior curriculum, as heretofore outlined. Those applicants who hold diplomas issued by chartered medical colleges, but whose term of attendance has been less than four years, as above stated, must pass upon both the junior and senior curriculum, as must also those attending a four years' course who cannot produce a certificate showing that they have attained a mark of seventy-five per cent on all the branches of their college curriculum.

Sec. 9. The board shall be empowered without examination to endorse, upon receipt of the license fee of five dollars, the licenses issued by other state boards having an equal standard: Provided, Said other boards accord to the licenses of the South Carolina state board the same courtesy; and said other state board licenses, when endorsed, shall entitle the holder to registry in this state, and to all the rights and privileges thereby granted.

Sec. 10. The standard required by the state board of medical examiners shall be an average of not less than seventy-five per cent on all the branches examined upon, and not less than sixty per cent on any individual branch.

Sec. 11. The board shall keep a record of all the proceedings thereof, and also a record or register of all applicants for a license, together with his or her age, time spent in the study of medicine, and the name and location of all institutions granting such applicant's degrees or certificates of lectures in medicine or surgery. Said books and register shall be prima facie evidence of all the matters therein recorded.

Sec. 12. The members of said examining board shall receive for their services the same per diem and mileage as is paid to the members of the general assembly, for each day engaged. Said compensation to be paid from the state treasury, upon the certificate of the president of the board, countersigned by the secretary. The license fees collected from applicants shall be turned into the state treasury. There shall be set aside from said fees each year the sum of fifty dollars (if so much be needed), as a contingent fee, for the purpose of supplying the secretary with necessary stamps and stationery, and to print the proceedings of the board.

Sec. 13. It shall be unlawful for any person or persons to practice medicine in this state who has failed to comply with the provisions as above cited, and any one violating the provisions of this act shall be deemed guilty of a misdemeanor, and for each offense, upon conviction by any court of competent jurisdiction, shall be fined in any sum not less than fifty dollars nor more than three hundred dollars, or imprisonment in the county jail for a period of not less than thirty nor more than ninety days, or both, at the discretion of the court; one-half of said fine to go to the informant and the other half to the state: Provided, That dentists and midwives, and those engaged solely in the practice of osteopathy, shall not be subject to the provisions of this section: Provided, That the State Board of Medical Examiners shall issue license to osteopaths and homoeopaths specifically for the purpose of practicing osteopathy or homoeopathy respectively when the applicant presents a diploma from a duly authorized school of osteopathy or homeopathy, and satisfactorily passes examination before the State Board of Medical Examiners on all regular branches upon which applicants for license to practice medicine are examined, except materia medica and therapeutics, major surgery and the practice of medicine: Provided, further, that osteopaths and homoeopaths now holding license from the State Board of Medical Examiners shall be exempt from the provisions of this act.

Sec. 14. In no case, wherein the provisions of this act shall have been violated, shall any person so violating be entitled to receive a compensation for services rendered. But all persons now practicing, in accordance with the law now of force, or who may hereafter practice medicine or surgery, as herein provided, shall be entitled to charge, sue for and collect for their services.

Sec. 15. Upon the refusal of the said board to grant a license to any applicant, an appeal may be had to the governor, who may order a re-examination of the applicant, to be held in the presence of the dean of the faculty of any medical college in this state, and a committee composed of seven practicing physicians.

Sec. 16. All acts and parts of acts inconsistent herewith are hereby repealed.

Approved the 27th day of February, A. D. 1904. Approved the 4th day of March, A. D. 1905. Approved the 26th day of February, A. D. 1908.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

1720 South Dakota (1910) POLK'S MEDICAL REGISTER South Dakota

SOUTH DAKOTA.

CAPITAL, PIERRE.

Population of State, 465,908.
(U. S. Census Bureau, 1906.)

Number of Physicians, 609.

November 2, 1889, what was previously the Territory of Dakota, extending from the Canadian boundary on the north to the north line of Nebraska on the south, was divided into two nearly equal parts, and admitted to the Union as North and South Dakota. The land surface of the latter is, approximately, 76,850 square miles. It extends from 43 degrees to 46 degrees north latitude, and from 96 degrees 22 minutes 30 seconds to 104 degrees west longitude, and is bounded on the north by North Dakota on the east by Minnesota and Iowa, on the south by Nebraska, and on the west by Wyoming and Montana. It has an average length of 206 miles, with an average breadth of 375 miles. The temperature varies during the year from 34 degrees below zero to 103 degrees Fahrenheit. The average rainfall is about 27 inches, and as it mostly occurs during the warm season, it is most beneficial to vegetation. The climate is more mild and genial than the latitude would seem to warrant, and the winters, though cold, are dry, and the air is bracing and invigorating. Owing to the elevation, malarial diseases are almost unknown, while pulmonary complaints are comparatively rare. Spring opens earlier than in eastern states in the same latitude.

For list of Medical Colleges, see page 152.

MEDICAL LAW OF SOUTH DAKOTA. CONCERNING APPLICANTS FOR LICENSE.

Provision is made for establishing a State Board of Medical Examiners.
Sec. 5. Meetings—When Held.—The Board shall hold two regular meetings each year, beginning on the second Wednesday of July, and the second Wednesday of January of each year, and such additional meetings at such time and at such places as the Board may deem advisable. The board shall have power to make rules and regulations for the government of said Board and its officers, and for the proper discharge of its duties.

Sec. 7. Application for License—Qualifications of Applicant.—Any person desiring to practice medicine, surgery or obstetrics or any of the branches thereof in the State of South Dakota who is not already licensed to practice the same under the laws of this state, and had such certificate recorded in the office of the register of deeds, shall make application to said Board for a license to practice medicine, surgery and obstetrics in the State of South Dakota. Such license shall be granted to any applicant who shall furnish to said Board satisfactory proof that he is at least twenty-one years of age, of good moral character, and has attended four full courses of at least thirty-two (32) weeks each, in a legally organized and reputable medical college, recognized as such by the said Board of Medical Examiners, no two of such courses having been attended in any one year, and that he has received a diploma from some medical college the reputation and standing of which is satisfactory to said board, and said diploma must be submitted to the Board for inspection and verification; provided, that applicants who graduated from some such medical college prior to the year 1898 shall not be required to furnish proof of having attended the four courses of lectures of thirty-two (32) weeks each above referred to. In addition to the foregoing requirements, all applicants, except as is provided in section 10 hereof, shall pass, in a manner satisfactory to said Board, an examination upon the following subjects: Anatomy, physiology, chemistry, pathology, therapeutics, practice and medicine, surgery, obstetrics, gynecology, diseases

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

South Dakota

OF NORTH AMERICA (1910)

South Dakota **1723**

of the eye and ear, bacteriology, medical jurisprudence, and any other subjects required by said Board.

Sec. 8. Examination—How Conducted.—Said examination shall be conducted as follows: First, the applicant shall before being permitted to take the examination pay the secretary of the Board an examination fee of twenty dollars (\$20). Second, the examination shall be in writing, oral, or both, as the Board may determine. Third, the questions on all subjects except therapeutics and practice of medicine shall be such as may be answered alike by all schools of medicine. The applicant shall, if possible, be examined in therapeutics and practice of medicine by those members of the Board belonging to the same school as the applicant, and a license and certificate shall not be refused any applicant because of his adherence to any particular school of medicine. The average percentage of at least seventy-five per cent of correct answers shall be required of every applicant. Any applicant who shall not pass the said examination shall be eligible to a second examination at the next regular meeting of the Board or at such time as the Board may designate without an additional examination fee.

Sec. 9. License.—Said Board shall grant a license to practice medicine and surgery and obstetrics in all their branches in the State of South Dakota to each applicant who has satisfactorily passed the said examination and has fulfilled all other requirements of this act. Said license can only be granted by the consent of not less than five (5) members of the said Board and said license shall be signed by the president and secretary of the said Board and attested by the seal of the Board. All examination papers, together with the lists of questions answered, shall be kept for reference and inspection for a period of not less than three (3) years.

Sec. 10. License Without Examination—When.—The said Board may, in its discretion, accept and license upon payment of the license fee without examination of the applicant, any license which shall have been issued him by the Examining Board of the District of Columbia or any state or territory of the United States; provided, however, that the legal requirements of such examining board shall have been at the time of issuing such certificate, or license, in no degree or particular less than those of the State of South Dakota at the time when such certificate or license shall be presented for registration to the Board created by this act; and provided, further, that the provisions of this section contained shall be held to apply only to such of said medical examining boards as accept and register the certificate or license granted by this Board without examination by them of the persons holding such certificates or license. Each applicant upon making application under the provisions of this section shall pay to the secretary of the Board a license fee of twenty dollars (\$20).

Sec. 11. Board May Refuse to Grant License.—The board shall have the power and authority to refuse to grant a license under this act for unprofessional, immoral or dishonorable conduct on the part of the applicant. The action of the Board in refusing to grant a license under this act shall be final.

Sec. 15. License Must Be Recorded.—The person receiving a license to practice shall have the same recorded in the office of the register of deeds in the county where he resides and practices. The said register of deeds shall, in July and January of each year furnish the secretary of the State Board of Medical Examiners a list of all licenses so recorded.

Sec. 19. Itinerant Physicians Must Procure Itinerant Licenses.—Any physician practicing medicine, surgery or obstetrics or professing or attempting to treat, cure or heal diseases, ailments or injuries by any medicine, appliance or method who goes from place to place, or from house to house, or by circulars, letters or advertisements, solicits persons to meet him or her for professional treatment at places other than his office at the place of his permanent residence, is hereby declared to be an itinerant physician, and shall in addition to the ordinary physician's license as in this act provided, procure an itinerant's license from the State Board of Medical Examiners for which he shall pay to the secretary of the Board the sum of five hundred dollars (\$500) per annum; and upon the payment of said sum of five hundred dollars (\$500) the Board shall issue to the applicant therefor a license to practice within the state as an itinerant physician for one year from the date thereof. The Board may for the same reason as specified in Sections 11, 12, and 13 of this act, refuse to issue such itinerant's license, or having issued it, may revoke it for the same reasons as specified in Sections 11, 12 and 13 thereof.

Sec. 20. Penalty for Practicing Without a License.—Any person practicing medicine, surgery or obstetrics in any of their branches as an itinerant physician as in Section 19 hereof defined, without having procured such itinerant license, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than five hundred dollars (\$500) nor more than eight hundred dollars (\$800) or imprisonment in the county jail not less than thirty days nor more than ninety days, or by both such fine and imprisonment.

Sec. 23 (part of). Presentation of Fraudulent Diplomas.—Any person who shall practice medicine or surgery or obstetrics in any of their branches in this state without having obtained a license as in this act provided, and had such license recorded in the office of the register of deeds of the county in which such person resides and practices, as hereinbefore provided, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than fifty dollars (\$50) nor more than one hundred dollars (\$100), or by imprisonment in the county jail for a period of not more than thirty days, or by both such fine and imprisonment; provided, that the provisions of sections 19 and 20 of this act do not modify

Sec. 23. Duty of State's Attorney.—It shall be the duty of the State's attorney to prosecute any and all violations of this act committed in his county.

MEDICAL DEPARTMENT

University of Nashville
—AND—
University of Tennessee
NASHVILLE, TENNESSEE.

ROBERT OLIVER TUCKER, M. D., DEAN.

JOSEPH P. KELLER, A. B., M. D., SECRETARY.

EUGENE FREDERICK TURNER, REGISTRAR.

Eight months session. Opens first Monday in September. Continues thirty-two weeks, not including holidays.

Consistently graded course, each class receiving approximately one-fourth of the 4,989 hours course, and passing by examination all work taken.

Every subject thoroughly illustrated by laboratory study or by clinical instruction in our own hospital.

Entrance requirements those of the Association of American Medical Colleges.

Many appointments to hospital internships received by our graduates each year.

For Nashville-Tennessee Bulletin, Address,

E. F. TURNER, Registrar, 631 2nd Ave. S.

Polk's Medical REGISTER AND DIRECTORY of North America

Contains up-to-date lists of all Physicians, Hospitals, Sanitariums, etc. For prospectus address **R. L. Polk & Co. DETROIT, MICH.**

1730

Tennessee

(1910) POLK'S MEDICAL REGISTER

Tennessee

TENNESSEE.

CAPITAL, NASHVILLE.

Population of State, 2,172,476.

(U. S. Census Bureau, 1906.)

Number of Physicians, 3,449.

Tennessee originally formed part of North Carolina, but was ceded to the United States in 1784 and admitted as a state June 1, 1796. It has, according to the United States Census of 1900, a population of 2,020,616, as against 1,767,518 in 1890, representing an increase during the decade of 253,098, or 14.3 per cent. The following table shows increase in population since 1830:

1830.....	681,904	1870.....	1,258,520
1840.....	829,210	1880.....	1,542,359
1850.....	1,002,717	1890.....	1,767,518
1860.....	1,109,801	1900.....	2,020,616

The state contains 42,050 square miles, including 300 square miles of water. From east to west it is 432 square miles, and from north to south 109 miles, taking the greatest length and width. A diagonal line drawn from the northeast corner of Johnson county to the southwest corner of Shelby would be 500 miles long. It lies between 35 degrees and 36 degrees 30 minutes north latitude, and 81 degrees 37 minutes and 90 degrees 28 minutes west longitude, and is bounded on the north by Kentucky and Virginia, and on the south by Georgia, Alabama and Mississippi, on the east by North Carolina, and on the west by Arkansas and Missouri. The climate of Tennessee combines humidity and sunshine, cold and warmth in just such proportions as to produce the highest degree of perfection in the greatest variety of crops, and statistics show it to be altogether the most healthful of all the states. The mean annual temperature as observed at Nashville is 58.32, that of the summer 76.32 and of the winter 39.67. The annual rainfall is about 53 inches, which is always a satisfactory guarantee of bountiful crops, while such things as drouths, cyclones and ruinous freezes are unknown.

Tennessee is divided into three grand civil or political divisions, known as East Tennessee, Middle Tennessee and West Tennessee.

1. East Tennessee. This comprises all the territory from the North Carolina line to about the center of the Cumberland Tableland, containing 13,112 square miles, with an average elevation above the sea of 1,000 feet. East Tennessee is noted for its fine water powers, mineral waters, marble, iron ores, zinc, copper, lead, coal, gold and silver, valuable hard woods, high mountains and fertile valley lands, the most productive to be found. The counties lying in East Tennessee are: Anderson, Bledsoe, Blount, Bradley, Campbell, Carter, Claiborne, Cocke, Grainger, Green, Hamblen, Hamilton, Hancock, Hawkins, James, Jefferson, Johnson, Knox, Loudon, Marion, McMinn, Meigs, Monroe, Morgan, Polk, Rhea, Roane, Scott, Sequatchie, Sevier,

Sullivan, Union, Unicoi and Washington, in all thirty-four counties.

2. Middle Tennessee. This division extends from the dividing line on the Cumberland Tableland to Tennessee river, embracing in its area 18,126 square miles, in what is known as the great Central Basin, or blue-grass region of Tennessee, where are to be found some of the grandest stock farms in the world. It is the home of the Short-horn and the Jersey, as well as of the fleet-footed racers and trotters, while sheep and hogs, mules and asses are raised here in this Central Basin, where bountiful and never-failing crops are the unbroken rule. Counties in Middle Tennessee are: Bedford, Cannon, Cheatham, Clay, Coffee, Cumberland, Davidson, De Kalb, Dickson, Fentress, Franklin, Giles, Grundy, Humphreys, Hickman, Houston, Jackson, Lawrence, Lewis, Lincoln, Macon, Marshall, Maury, Montgomery, Moore, Overton, Perry, Pickett, Putnam, Robertson, Rutherford, Smith, Stewart, Sumner, Trousdale, Van Buren, Warren, Wayne, White, Williamson and Wilson, making forty-one counties in all.

3. West Tennessee. This division extends from the Tennessee river westward to the Mississippi, containing 10,512 square miles, exclusive of surface permanently covered by water. In this grand division of the state is grown some of the finest cotton produced in the world, as well as nearly all the regular field crops and small fruits. The major portion of West Tennessee is level and very fertile, but in some sections the even here the soil is generally productive and fruits grow in abundance. It is surface is broken and irregular, though here that we find the alluvial Mississippi bottoms, where the soil is as rich and deep as the famous Valley of the Nile. The West Tennessee counties are: Benton, Carroll, Chester, Crockett, Decatur, Dyer, Fayette, Gibson, Hardeman, Hardin, Haywood, Henderson, Henry, Lake, Lauderdale, Madison, McNairy, Obion, Shelby, Tipton and Weakley, making twenty-one in all.

The state has over 3,000 miles of railway, giving direct transportation to seventy-four out of the ninety-six counties. This state has more miles of navigable streams to the square mile than any other state. The Tennessee river crosses the state twice. The Cumberland river, rising in Eastern Kentucky, sweeps in a semi-circle through the fairest portion of the state, giving to it 304 miles of navigable water, and the Mississippi washes its entire western limit. Many of the tributaries of these principal affluents are navigable. It is estimated that altogether Tennessee has over 1,200 miles of navigable water.

For list of Medical Colleges, see page 152.

STATE BOARD OF HEALTH.

Pres, Heber Jones, M D, Memphis; V-Pres, T E Abernathy, M D, Chattanooga; R E Fort, M D, Nashville; Hon

THE RALPH SANITARIUM

A quiet, well equipped and well handled Home Sanitarium for the treatment of **DRUG** and **LIQUOR** habits. Personal study and attention given each case. A new and very successful treatment, removing the desire and necessity for the Drug or Liquor within a few days, and restoring the patient to normal condition in a few weeks' time. Good nursing, every comfort, scientific treatment, no suffering and A CURE. Special rates to physicians. For Literature and full details of treatment address **THE RALPH SANITARIUM, 529 Highland Ave., Kansas City, Mo.**

MEDICAL LAW OF TENNESSEE.

CHAPTER 78.

House Bill No. 478.

A BILL to be entitled, An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to define and punish offenses committed in violation of this Act; and to repeal an Act passed April 3, 1889, and approved April 4, 1889, and being Chapter 178 of the Acts of 1889, entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee;" and to repeal all Acts amendatory of said Chapter 178 of the Acts of 1889.

Section 1. Be it Enacted by the General Assembly of the State of Tennessee, That no person shall practice medicine in any of its departments within this state unless and until such person shall have obtained a certificate of license from the State Board of Medical Examiners hereinafter created, and shall have recorded it in the County Court Clerk's office in the county or counties in which he proposes to practice; Provided, however, that the provisions of this Act shall not apply to any person or persons who at the time of its passage are duly and regularly licensed by law to practice medicine in any of its branches in this State.

Sec. 2. Be it Further Enacted, That there shall be a Board, to be known as the State Board of Medical Examiners, and to consist of six graduated physicians of not less than 6 years' experience each in the practice of medicine or surgery, one or both, two of whom shall reside in each grand division of the State, and whose duty it shall be to examine into the qualifications of all applicants for certificates of license to practice medicine or surgery in this State; Provided, however, that the three schools of medicine shall be represented on said Board of Examiners as follows: Four representatives from the regular school of medicine, one from the eclectic, one from the homeopathic school of medicine; and, provided, also, that no member of said Board shall be connected with any medical college of the State or State Board of Health.

Sec. 3. Be It Further Enacted, That the members of said Board shall be appointed

BURN=BRAE,

A PRIVATE HOSPITAL
FOR MENTAL AND
NERVOUS DISEASES.

Tennessee

OF NORTH AMERICA (1910)

Tennessee

1737

by the Governor, and shall hold office for a term of four years; but all vacancies occurring in the Board by reason of death or resignation shall be filled by the Board itself for the unexpired term. Provided, however, that the first Board shall be appointed upon the expiration of the term of the present Board, shall be appointed as the term of the present members of the Board expires, and shall within thirty days from said appointment meet and organize, and shall serve, one from each grand division of the State, for two years, and one from each grand division for four years, deciding by lot or agreement among themselves as to their respective terms of office.

Sec. 4. Be It Further Enacted, That the State Board is authorized to elect from its own members a President and Secretary, and to create such other offices and to adopt such by-laws as may be necessary and proper for the efficient operations of the Board. Three members shall constitute a quorum, and a majority of those present shall be necessary to reject any application; but such rejection shall not bar the applicant from a re-examination after the lapse of six months.

Sec. 5. Be It Further Enacted, That a regular meeting of the Board shall be held once each year in the city of Nashville, Tennessee, so long as the period of temporary licenses hereinafter provided for shall continue, and shall thereafter be held semi-annually in the said city of Nashville; but special meetings may be held oftener upon the call of the President.

Sec. 6. Be It Further Enacted, That persons desiring to obtain a certificate of license to practice medicine or surgery in this State shall make application therefor in writing to said State Board of Medical Examiners, which application shall be accompanied by the examination fees hereinafter prescribed, and by satisfactory proof that the applicant is of good moral character. When these preliminary requirements are satisfied, the applicant shall then present himself before the Board for examination upon the following branches, viz: Anatomy, Physiology, Chemistry, Pathology, Surgery, Obstetrics, Materia Medica, and Practice; but the member or members of the Board representing each separate school of medicine shall have the right to examine all applicants of that school in the branches peculiar to the teachings of that school, and the Board shall accept the grade placed by such member or members upon such special branches; Provided, however, that graduates of any reputable medical college in the State of Tennessee shall, until June 1, 1902, be granted a certificate of license by said Board without reference to the number or lengths of terms attended, and without the examination hereinabove prescribed; but this proviso shall cease and determine after June 1, 1902.

Sec. 7. Be It Further Enacted, That the two members of said Board in each grand division of the State shall, at such time or times as the Board may direct, meet at some convenient point in their respective divisions for the purpose of examining applicants for permanent licenses. Such meetings shall be held at stated periods, and the questions to be propounded upon such examinations shall have been determined upon in advance by the Board, and shall be identical in each division; and such examinations shall be held on the same day in each division, and under uniform rules and regulations, to be adopted by the Board. The examination papers shall be sealed up and carried to Nashville to the annual meeting of the Board, at which time they shall be examined, graded, and passed upon by the Board in annual session, and the results declared and certificates issued to those entitled to receive them. The Board, or any of its respective sections, may, at the option of the members, supplement such written examination by an oral examination, and the recorded value of such oral examination may be given such importance as each member of the Board sees fit.

Sec. 8. Be It Further Enacted, That, if the applicant for examination shall thereupon be found worthy and competent by the Board, it shall issue to him a certificate of permanent license, in accordance with the facts in each case, to practice medicine or surgery in this State.

Sec. 9. Be It Further Enacted, That, in order to prevent delay and inconvenience, the two members of the Board of any grand division of the State may grant a certificate of temporary license to any applicant who is permanently located as a resident of some designated place in that division of the State, upon satisfactory evidence to them that such applicant possesses the qualifications hereinabove required, and upon examination by them of such applicant in the subjects named in Section 6 of this Act, and make report thereof to the next regular meeting of the Board. Such temporary license shall not continue in force longer than until the conclusion of the next regular meeting of the Board, and shall in no case be granted within six months after the applicant has been refused a certificate of license by the Board; Provided, that after January 1, 1903, no certificate of temporary license shall be issued. (The Legislature of 1903 extended the Temporary License provision indefinitely.)

Sec. 10. Be It Further Enacted, That the Board of Examiners shall keep a record of their proceedings in a book for that purpose, which book shall be open for inspection, and shall record the name of each applicant, the time of granting a certificate of license, the names of the members of the Board present; and where a certificate of license is denied by the Board to any applicant under authority of this Act, the fact and ground of such denial shall be entered on the minutes of the Board, and shall be communicated in writing to such applicant.

Sec. 11. Be It Further Enacted, That the Board is empowered to demand a fee of ten dollars for an examination for a certificate of permanent license, and five dollars for an examination for a certificate of temporary license, and to demand for the issuance of a certificate of permanent license five dollars, and for the issuance of a certificate of temporary license one dollar.

Sec. 12. Be It Further Enacted, That any person thus receiving a certificate of license, whether permanent or temporary, from the State Board of Medical Examiners shall forthwith have it recorded in the office of the County Court Clerk of the county in which he proposes to practice, and the date of such recording shall be endorsed thereon; and such license, when so recorded shall not be collaterally questioned in any legal proceeding. Until the license is recorded the holder shall not exercise any of the

(1910) POLK'S MEDICAL REGISTER

Tennessee

rights or privileges therein conferred, and, in case said license is not recorded within three months from the date of its issuance, it shall become invalid. The Clerk shall be paid a fee of fifty cents for recording said certificate. Any registered physician removing his residence from one county in this State to another, in order to practice medicine, shall in like manner record the certificate of license in the county to which he removes, and the holder of the certificate shall pay to the County Court Clerk the usual fee for so doing. Practitioners who have registered in the county in which they reside may go from one county to another on professional business without being required to register.

Sec. 13. Be It Further Enacted, That the County Court Clerk of each county shall keep, in a book to be provided for that purpose, a complete list of the certificates of license recorded by him, together with the date of each, and the date of recording. He shall, further, record the name of the medical college which conferred the diploma on which the certificate is based, and the date when conferred; and the Clerk shall hereafter, beginning with the first Monday in July, 1901, and regularly at the expiration of every six months thereafter, report to the Secretary of the said Board of Medical Examiners a list of such registrations in his office, together with a list of the deaths and removals from his county of physicians who have thus registered, for which service the Clerk shall be paid, out of the funds of the Board, ten cents for each name so reported. This register of the County Court Clerk shall be open for inspection during business hours.

Sec. 14. Be It Further Enacted, That the members of said Board shall receive as a compensation for their services ten dollars per day while in the actual service of the Board, and also their actual hotel and traveling expenses by the most direct route to and from their respective places of residence, which, together with the necessary expenses of each meeting of the Board, shall be paid out of any moneys in the treasury of the Board, upon the certificate of the President and Secretary.

Sec. 15. Be It Further Enacted, That the Board shall have the right and power to revoke any license upon the ground that it was procured by fraud, or that the licensee has been guilty of unprofessional or dishonorable conduct.

Sec. 16. Be It Further Enacted, That the words, unprofessional or dishonorable conduct, as used in Section 15 of this Act, are hereby declared to mean:

First—By procuring or aiding or abetting in procuring a criminal abortion.

Second—The obtaining of any fees on the assurance that a manifestly incurable disease can be permanently cured.

Third—The willfully betraying of a professional secret.

Fourth—All advertising or medical business in which untruthful and improbable statements are made.

Fifth—All advertising of medicine or means whereby the monthly periods of women can be regulated or menses re-established if suppressed.

Sixth—Conviction of any offense involving moral turpitude.

Seventh—Habitual intemperance or excessive use of narcotics.

Sec. 17. Be It Further Enacted, That it shall be unlawful for any itinerant physician or person, vendor of any drug, nostrum, ointment, or application of any kind, intended for the treatment of diseases or injury, to sell or apply the same; or for such itinerant physician or vendor, by writing, printing, or other methods, to profess to cure or treat diseases or deformity by any drug, nostrum, manipulation, or other expedient in this State, and whoever shall violate the provisions of this section of this Act shall be guilty of a misdemeanor, and, upon conviction thereof before a court of competent jurisdiction, shall be fined in any sum not less than \$100 and not exceeding \$400.

Sec. 18. Be It Further Enacted, That any person who shall not at the time of the passage of this Act be duly and regularly licensed by law to practice medicine or surgery in this State, and who shall, notwithstanding, practice medicine or surgery in this State without having first complied with the provisions of this Act, shall, for each and every instance of such practice, be guilty of a misdemeanor, and, on conviction thereof be fined in the sum of not less than \$10 nor more than \$25; and any person filing or attempting to file, as his own, a diploma or license of another, or a forged affidavit of identification, shall be guilty of a felony, and upon conviction thereof, shall be subject to the punishment prescribed by law for the crime of forgery. All fines for offenses under this act shall be paid over to the Board of Medical Examiners, to constitute a part of the funds of said Board.

Sec. 19. Be It Further Enacted. That any person shall be regarded as practicing medicine within the meaning of this Act, who shall treat or profess to treat, operate on, or prescribe for any physical ailment or any physical injury to or deformity of another; Provided, that nothing in this section shall be construed to apply to the administration of domestic or family remedies in cases of emergency, or to the laws regulating the practice of dentistry; and this Act shall not apply to surgeons of the United States army, navy, or marine hospital service, or to any registered physician or surgeon of other States when called in consultation by a registered physician of this State, or to midwives, or to veterinary surgeons, or to osteopaths not giving or using medicine in their practice, or to opticians, or to Christian scientists.

Sec. 20. Be It Further Enacted, That it shall not be lawful for the Board of Medical Examiners, or any member thereof, in any manner whatever, or for any purpose to charge or obligate the State for the payment of any money; and said Board shall look alone to the revenue derived from the operation of this Act for the compensation designated in Section 14 hereof, and, if said revenue is not sufficient to pay each member in full, together with the necessary expenses of the Board, then the amount available shall be pro rated among the members. But, if there should be a greater revenue derived than shall be required to pay the compensation and expenses hereinbefore directed, any surplus remaining therefrom shall be paid to the Comptroller of the State, who shall receipt the Board for the amount so received and shall account for said money as for other State revenue.

Sec. 21. Be It Further Enacted, That the grand jury of each county in this State is hereby given inquisitorial power over all offenses against or violations of this Act, and the Circuit and Criminal Judges shall give the same in their charges to the grand juries. And the Board shall designate one of its members in each grand division of the State, whose duty it shall be to report any violations of this Act to the proper authorities.

Sec. 22. Be It Further Enacted, That it shall be a misdemeanor, and shall disqualify from office, for Board of Medical Examiners to issue a certificate of license to any person only as prescribed or set forth in this Act; Provided, however, if the Board should be disqualified from office, the Governor shall appoint a new Board in full as provided in this Act.

Section 23. Be It Further Enacted, That Chapter 178 of the Acts of 1889, entitled, "An Act to regulate the practice of medicine and surgery in the State of Tennessee," together with all Acts amendatory thereof, to wit: Chapter 109 of the Acts of 1891, Chapter 61 of the Acts of 1897, and Chapter 148 of the Acts of 1899, said amendatory Acts being germane to the purpose and style of the said Act of 1889, and all other laws and parts of laws in conflict with this Act, be, and the same are hereby repealed.

Sec. 24. Be It Further Enacted, That this Act take effect from and after its passage, the public welfare requiring it.

Passed April 20, 1901.

E. B. WILSON,
Speaker of the House of Representatives.

NEWTON H. WHITE,
Speaker of the Senate.

Approved April 22, 1901.

BENTON McMILLIN,
Governor.

CHAPTER 111.

House Bill No. 294.

An Act to amend Section 1 of Chapter 78 of the Acts of 1901, entitled, A Bill to be entitled, An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to define and punish offenses committed in violation of this Act; and to repeal an Act passed April 3rd, 1889, and approved April 4th, 1889, and being Chapter 178 of the Acts of 1889, entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee," and to repeal all Acts amendatory of said Chapter 178 of the Acts of 1889.

Section 1. Be it Enacted by the General Assembly of the State of Tennessee, That Section 1 of Chapter 78, Acts of 1901, be amended by adding: and provided further, that the provisions of this Act shall not apply to any graduate of a reputable medical college, who has been a practitioner of medicine or surgery for more than 10 years in the State of Tennessee, at the date of the passage of this Act.

Sec. 2. Be It Further Enacted, That this Act take effect from and after its passage, the public welfare requiring it.

Passed March 27th, 1905.

W. K. ABERNATHY,
Speaker of the House of Representatives.

E. RICE,
Speaker of the Senate.

Approved March 30, 1905.

JOHN I. COX,
Governor.

CHAPTER 543.

SENATE BILL NO. 810.

AN ACT to amend Section 6 of Chapter 78 of the Acts of the General Assembly of the State of Tennessee for the year 1901, passed April 20, 1901, and approved by the Governor, April 22, 1901, said Chapter 78 being entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to define and punish offenses committed in violation of this Act;" and to appeal [repeal] an Act passed April 3, 1889, and approved April 4, 1889, and being Chapter 178 of the Acts of 1889, entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee;" and to repeal all Acts amendatory of said Chapter 178 of the Acts of 1889.

Section 1. Be it enacted by the General Assembly of the State of Tennessee, That Section 6 of Chapter 78 of the Acts of the General Assembly of the State of Tennessee for the year 1901, passed April 20, 1901, and approved by the Governor April 22, 1901, said Chapter 78 being entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to define and punish offenses committed in violation of this Act," and to repeal an Act passed April 3, 1889, and approved April 4, 1889, and being Chapter 178 of the Acts of 1889, entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to repeal all Acts amendatory of said Chapter 178 of the Acts of 1889," be amended by adding after the figures "1902," at the conclusion of said Section 6, the following—to wit: "And, Provided, further, that any person having regularly issued certificate of license to practice medicine or surgery in the State of Tennessee, whether issued by the County Court Clerk of the county of the practitioner's residence at the time of its issuance or by the State Board of Medical Examiners, and who has failed to have same regularly recorded in the office of the County Court Clerk of county in which said license then practiced or now practices within the time directed by this Act or said former Acts may have said certificate renewed or validated for registration by presenting said original certificate to any member of the State Board of Medical Examiners within sixty days from the date of the passage of this Act, who shall write thereon, 'Renewed this day of, 1907,' inserting the true date

and signing his name thereto; and such certificate, when so renewed, may be recorded in the various offices in the County Court Clerks of the State as other regular certificates; Provided, it is so recorded within thirty days from the date of such renewal. For every such renewal the applicant shall pay and the said member of the State Board shall collect one dollar, which shall be paid over to said Board at its next regular or called meeting after this amendment shall expire by its own limitations."

Sec. 2. Be it further enacted, That this amendment shall not be construed to affect, change, modify, or repeal said Section 6 or any other section of said Chapter 78 of said Acts of 1901, except as specifically set out in said amendatory words in Section 1 hereof.

Sec. 3. Be it further enacted, That the State Board of Medical Examiners of Tennessee be, and is hereby, permitted to accept certificates of license from other States requiring the same or higher standards of medical examinations in lieu of an examination, but of this matter of reciprocity of licensure this Board shall be the sole judge. The same fees shall be required for verifying certificates of license from other States and issuing license to parties as are demanded for examining and licensing other applicants for certificates of permanent license.

Sec. 4. Be it further enacted, That it shall be unlawful for any itinerant physician or vendor of any drug, nostrum, ointment, or application of any kind intended for the treatment of disease or injury to sell or apply the same, or for such itinerant physician or vendor by writing, printing, or other methods to profess to cure or treat diseases or deformity by any drug, nostrum, manipulation, or other expedient in this State, and whoever shall violate the provisions of this section of this Act shall be guilty of a misdemeanor, and, upon conviction thereof before a court of competent jurisdiction, shall be fined in any sum not less than \$100 and not exceeding \$400.

Sec. 5. Be it further enacted, That this Act take effect from and after its passage, the public welfare requiring it.

Passed April 15, 1907.

E. G. TOLLETT,
Speaker of the Senate.
JOHN T. CUNNINGHAM, JR.,

Speaker of the House of Representatives.

Approved April 15, 1907.

MALCOLM R. PATTERSON,
Governor.

BY-LAWS OF STATE BOARD OF MEDICAL EXAMINERS.

ARTICLE I.

OFFICERS.

Section 1. The officers of the Board shall be a President, a Vice-President, a Secretary, and a Treasurer. The offices of Secretary and Treasurer may for the present be united and filled by one officer.

Sec. 2. The officers of the Board shall be elected by ballot, and shall serve for three years, or until their successors shall have been elected and qualified. If more than two names are voted for for the same office, after the second ballot, the one receiving the smallest number of votes shall be dropped till a choice is made, a majority of the quorum present being necessary to a choice.

Sec. 3. Five members of the Board shall constitute a quorum for the transaction of any business.

DUTIES OF OFFICERS.

Sec. 4. The different officers of the Board shall discharge the duties that usually pertain to their respective offices.

At each meeting of the Board the President and Secretary shall submit to the Board such reports of its work as they may deem best; provided that at each annual meeting the Secretary and Treasurer shall present a full and detailed report of all matters in any way pertaining to the two offices. The Secretary and Treasurer shall perform such other duties as are imposed upon him by the Act creating the Board, keeping for that purpose all books that may be necessary for the systematic workings of the offices. For his services he shall receive such compensation as may from time to time be allowed him by the Board.

No money shall be paid to the Secretary, except upon an order of the President, after the allowance and appropriation have been made by the Board. All other payments shall be made as provided in the Act.

EXAMINATIONS.

Sec. 5. (a) Examinations shall be both written and oral upon all branches specified in the Act. The written examination shall be conducted in the presence of the Board, such time being allotted to each branch as may be agreed upon by the Board. The same questions for the written examinations in the different branches, as fixed by the Act, shall be given to each applicant for examination, except as provided in the Act as to the different schools of medicine. The examinees shall be required to answer 75 per cent in value of all these questions before any license shall be granted; provided, that in questions on materia medica and therapeutics the value of the answers given shall be determined by the member, or members, of the Board representing the school of medicine the applicant claims to practice.

(b) All examination papers must, when finished, have a certificate appended, stating that the writer has "neither given nor received any assistance whatsoever during the examination," and must be signed by the applicant, giving his post office, age, when, how long, and under what preceptor (if any), and when, how long, and in what college he has studied medicine or attended lectures or graduated; when, where, how

Tennessee

OF NORTH AMERICA (1910)

Tennessee

1741

long, and at what places (if any) he has practiced medicine, and the school of practice chosen.

At a called meeting of the Board of Medical Examiners, held May 13, 1897, the following resolution in regard to examinations was unanimously adopted:

"Resolved, That the Secretary, in connection with the President, prepare proper blanks, numbering same, for applications for examinations, gathering all information concerning applicants; that these numbered applications be signed by applicant with his full name; that each applicant enclose his application in a sealed envelope provided for the purpose, numbered on the back, and deliver the same to the Secretary before proceeding with his examination; that each one sign his examination papers with simply the number on his application blank, and that papers be passed upon before any envelopes be opened by the Board."

EXAMINATION QUESTIONS.

Sec. 6. At least two (2) weeks preceding any meeting of the Board, when examinations are to be held, the President of the Board shall notify each member of the Board to prepare questions for examination on one or more subjects connected therewith, naming the subjects.* The members having at once prepared the questions, as requested, shall transmit the same to the President, who shall from them all prepare a list of six (6) or more questions upon each subject, and shall have enough copies of the same printed to furnish each examinee with one copy. When the Board convenes, these questions, as printed, shall all be submitted to the Board, and when approved, or altered and then approved, shall constitute the examination for that meeting. The President may, at his discretion, divide the examinees for their oral examinations among the different members of the Board.**

LENGTH OF TIME FOR EXAMINATIONS.

Sec. 7. Before entering upon the examination of applicants for certificates, the Board shall decide how much time shall be devoted to the examinations, and shall notify the examinees of that decision through the President of the Board.

*At the meeting of the Board, Feb. 29, 1894, it was agreed to assign the different subjects for examination by lot to the several members of the Board.

**Any member of the Board may examine upon any or all of the different subjects.

ENGLISH EDUCATION.

Sec. 8. In examining the written answers of the applicants, the evidences of an English education as shown in the papers shall be considered, in determining the fitness of an applicant for license to practice medicine in this State.

TEMPORARY LICENSE.

Sec. 9. Examinations for temporary license shall always be conducted in writing; and the member of the Board who examines the applicant for temporary license shall, after grading his papers, forward them to the member of the Board living in the same section of the State with him, who shall then examine the papers carefully and rate them, and at once return to the first Examiner. If the average of the two ratings shall reach or exceed 75 per cent., then the first member who made the examination shall make out and sign a temporary license, and forward the same to the second member, who shall then sign and forward to the examinee.

FEEES.

Sec. 10. The fees shall be as fixed in the Act (Section 11). No examination shall be made, either by the whole Board or by any member thereof, nor any temporary license or certificate be issued, till all fees are paid. All fees collected by the members of the Board shall be paid over to the Secretary and Treasurer in full time to make out his report to the Board. When these fees are remitted to the Secretary and Treasurer, they shall be accompanied by a report from the member or members sending them, showing from what sources they are received, giving in detail such information in regard to all applicants for license as may be needed by the Secretary in keeping and properly arranging his books.

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book, "Advice to Stammerers" and reference sent on request. Address **The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS**, 1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

TEXAS.

CAPITAL, AUSTIN.

Population of State, 3,536, 618.
(U. S. Census Bureau, 1906.)
Number of Physicians, 5,465.

Texas was admitted as a state in 1845 and has a population, according to the U. S. Census of 1900, of 3,048,710, as compared with a population in 1890 of 2,235,523, showing an increase during the decade of 813,187 or 36.4 per cent. The following table shows increase in population since 1850:

1850.....	212,592	1880.....	1,591,714
1860.....	604,215	1890.....	2,235,523
1870.....	818,579	1900.....	3,048,710

The total land surface is, approximately, 262,290 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 8.5; 1900, 11.6. Texas extends from 25 degrees 51 minutes to 36 degrees 30 minutes north latitude and from 93 degrees 31 minutes to 106 degrees 43 minutes west longitude, and is bounded on the north by the Indian Territory, on the southeast by the Gulf of Mexico, on the southwest by Mexico, on the east by Arkansas and Louisiana, and on the west by New Mexico. The climate is warm, but equable and salubrious, and the mean annual temperature as observed at Austin is 66.72 degrees and at Galveston 69.38 degrees. In the extreme south it is about 75 degrees, and in the north it falls to 56 degrees. The average rainfall is about 41 inches. Its maximum length from northwest to southeast is 800 miles, and main width from east to west 790 miles. It has a coast line of over 400 miles. It is of an irregular shape, with a panhandle reaching north between Indian Territory and New Mexico, and presents on its general surface a great inclined plain sloping gradually east to the Gulf, and distributed over three natural zones—the coast or low-lying country, consisting mainly of rich pastures; the great central division, a well-wooded, well-watered and very fertile rolling prairie section; and the third, or hilly region, occupying almost all the southwest angle of the state. The principal rivers are the Sabine, Red, Neches, Brazos, Trinity, Guadalupe, Colorado, Neches Pecos, Canadian and Rio Grande. The area of timber in Texas is very great. There are numerous mineral springs scattered throughout the state, the Specific Well at Mineral Wells having a national reputation.

For list of Medical Colleges, see page 152.

STATE BOARD OF HEALTH.

Pres, W M Brumby, M D, Austin; T F Burnett, M D, Seymour; J W Burns, M D, Cuero; Boyd Cornick, M D, San Angelo; H W Cummings, M D, Hearne; J E Gilcreest, M D, Gainesville; J M O'Farrell, M D, Richmond; Sec, C D Smith, Austin.

MEDICAL LAW OF TEXAS.

Section 1. That a Board, to be known as the Board of Medical Examiners for the State of Texas, is hereby established. Said Board shall consist of eleven men learned in medicine, legal and active practitioners in the State of Texas, who shall have resided and practiced medicine in this State under a diploma from a legal and reputable college of medicine of the school to which said practitioner shall belong, for more than three years prior to their appointment, and no one school shall have a majority representation on said Board. Said Board shall be appointed by the Governor of this State within ninety days after this act shall become effective and biennially thereafter within ninety days after his inauguration and the term of office of its members shall be two years, or until their successors shall be appointed and qualified. No member of said Board shall be a stockholder or a member of the faculty or a board of trustees of any medical school. Vacancies occurring in the Board shall be filled by the Governor. The word "medicine" as used in this section, shall have the same meaning and scope as given to it in Section 13 of this act.

Sec. 2. The members of said Board shall qualify by taking the oath of office before a notary public, or other officer empowered to administer oaths in the county in which each shall respectively reside. At the first meeting of said Board after each biennial appointment, the Board shall elect a president, vice-president and secretary-treasurer. Six members shall constitute a quorum. Regular meetings shall be held at least twice a year, at such times and places as shall be deemed most convenient for applicants. Due notice of such meetings shall be given by publication in such papers as may be selected by the Board. Special meetings may be held upon a call of three members of the Board. The Board may prescribe rules, regulations and by-laws, in harmony with the provisions of this act, for its own proceedings and government for the examination of applicants for the practice of medicine and obstetrics. Said Board, or any member, shall have power to administer oaths for all purposes required in the discharge of its duties, and to adopt a seal to be affixed to all of its official documents.

Sec. 3. The Board of Examiners shall preserve a record of its proceedings in a book kept for that purpose, showing name, age, place and duration of residence of each applicant, the time spent in medical study in respective medical schools, and the year and school from which degrees were granted; said register shall also show whether applicants were rejected or licensed, and shall be prima facie evidence of all matters contained therein. The secretary of the Board shall, on March 1, of each year, transmit an official copy of said register to the Secretary of State for permanent record, certified copy of which, with hand and seal of the secretary of said Board or Secretary of State, shall be admitted in evidence in all courts.

Sec. 4. From and after the passage of this act it shall be unlawful for any one to practice medicine in any of its branches upon human beings within the limits of this State who has not registered in the District Clerk's office of the county in which he resides his authority for so practicing, as herein prescribed, together with his age, postoffice address, place of birth, school of practice to which he professes to belong, subscribed and verified by oath, which if wilfully false, shall subject the applicant to conviction and punishment for false swearing as provided by law. The fact of such oath and record shall be endorsed by the District Clerk upon the certificate. The holder of the certificate must have the same recorded upon each change of residence to another county, and the absence of such record shall be prima facie evidence of the want of possession of such certificate.

Sec. 5. It is hereby made the duty of the District Clerk of each county in this State to purchase a book of suitable size, to be known as the "Medical Register," of such county, and set apart one full page for the registration of each physician, and to record in the same the name and record of each practitioner who presents a certificate from the State Board of Examiners issued under this act. The clerk shall receive the sum of one dollar from each physician so registered, which shall be his full compensation for all duties required under this act. When any physician shall die or remove from the county, or have his license revoked, it shall be the duty of said clerk to make a note of facts at the bottom of the page as closing the record. On the first day of January, in each year, said clerk shall, on the request of the Board, certify to the officer of the State Board of Medical Examiners, a correct list of the physicians then registered in the county, together with such other information as said Board may require. Any District Clerk, upon conviction of knowingly violating any of the provisions of this act, shall be fined not more than fifty dollars. A copy from the Medical Register pertaining to any person certified to by said clerk under the seal of said court; also a certificate issued by said officer certifying that any person named has or has not registered in said office, as required by this act, shall be admitted as evidence in all trial courts.

Sec. 6. Within one year after the passage of this act, all legal practitioners of medicine in this State, who, practicing under the provisions of previous laws, or under

diplomas of a reputable and legal college of medicine, have not already received license from a State medical examining board of this State, shall present to the Board of Medical Examiners for the State of Texas, documents or legally certified transcripts of documents, sufficient to establish the existence and validity of such diplomas or the valid and existing license heretofore issued by previous examining boards of this State, or exemption existing under any law, and shall receive from said Board verification license, which shall be recorded in the District Clerk's office in the county in which the licentiates may reside. Such verification license shall be issued for a fee of fifty cents to all practitioners who have not already received a license from a board of medical examiners of this State. It is especially provided that those whose claims to State licenses rest upon diplomas from medical colleges recorded from January 1, 1891, to July 9, 1901, shall present to the State Board of Medical Examiners satisfactory evidence that their diplomas were issued from bona fide medical colleges of reputable standing, which shall be decided by the Board of Medical Examiners before they are entitled to a certificate from said Board. This Board may, at its discretion, arrange for reciprocity in license with the authorities of other States and Territories having requirements equal to those established by this act. License may be granted applicants for license under such reciprocity on payment of twenty dollars.

Sec. 7. All applicants for license to practice medicine in this State who are not licensed under the provisions of the previous section must successfully pass an examination before the Board of Medical Examiners established by this act. Applicants to be eligible for examination must present satisfactory evidence to the Board that they are more than twenty-one years of age, of good moral character and graduates of bona fide, reputable medical schools. Such school shall be considered reputable within the meaning of this act whose entrance requirements and courses of instruction are as high as those adopted by the better class of medical schools of the United States, whose course of instruction shall embrace not less than four terms of five months each. Application for examination must be made in writing under affidavit to the secretary of the Board, on forms prepared by the Board, accompanied by a fee of fifteen dollars; except when an applicant desires to practice obstetrics alone, the fee shall be five dollars. Such applicants shall be given due notice of the date and place of examination. Applicants to practice obstetrics in the State of Texas, upon proper application, shall be examined by the Board in obstetrics only, and upon satisfactory examination shall be licensed to practice that branch only; provided, this shall not apply to those who do not follow obstetrics as a profession, and who do not advertise themselves as obstetricians or midwives, or hold themselves out to the public as so practicing. In case any applicant, because of failure to pass examination, be refused a license he or she shall, after one year, be permitted to take a second examination without an additional fee.

Sec. 8. The fund realized from the aforesaid fees shall be applied first to the payment of necessary expenses of the Board of Examiners; any remaining funds shall be applied by the order of the Board to compensating members of the Board in proportion to their labors.

Sec. 9. All examinations shall be conducted in writing and in such manner as shall be entirely fair and impartial to all individuals and every school of medicine, the applicants being known by numbers, without name or other method of identification on examination papers by which members of the Board may be able to identify such papers until after the applicants have been granted licenses or rejected. Examinations shall be conducted on the scientific branches of medicine only, and shall include anatomy, physiology, chemistry, histology, pathology, bacteriology, physical diagnosis, surgery, obstetrics, gynecology, hygiene and medical jurisprudence. Upon satisfactory examination, under the rules of the Board, applicants shall be granted licenses to practice medicine. All questions and answers, with grades attached, shall be preserved for one year. All applicants examined at the same time shall be given identical questions in each of the above branches. All certificates shall be attested by the seal and signed by all members of the Board, or a quorum thereof.

Sec. 10. Nothing in this act shall be construed as to discriminate against any particular school or system of medical practice. This act shall not apply to dentists legally qualified and registered under the laws of this State who confine their practice strictly to dentistry; nor to nurses who practice only nursing; nor to masseurs in their particular sphere of labor, who publicly represent themselves as such; nor to commissioned or contract surgeons of the United States Army, Navy or Public Health and Marine Hospital Service, in the performance of their duties, but such shall not engage in private practice without license from the Board of Medical Examiners; nor to legally qualified physicians of other States called in consultation, but who do not open offices or appoint places in this State where patients may be met or called to see. This act shall be so construed as to apply to persons other than licensed druggists of this State, not pretending to be physicians, who offer for sale on the streets or other public places remedies which they recommend for the cure of disease.

Sec. 11. The State Board of Medical Examiners may refuse to admit persons to its examinations or to issue the certificate provided for in this act for any of the following causes: First. The presentation to the Board of any license, certificate or diploma, which was illegally or fraudulently obtained, or when fraud or deception has been practiced in passing the examination. Second. Conviction of a crime of the grade of felony, or one which involves moral turpitude, or procuring or aiding or abetting the procuring of a criminal abortion. Third. Other grossly unprofessional or dishonorable conduct of a character likely to deceive or defraud the public; or for habits of intemperance or drug addiction calculated to endanger the lives of patients; provided, that any applicant who may be refused admittance to examination before said Board shall have his right of action to have such issue tried in the District Court of the county in which some member of the Board shall reside.

Sec. 12. The right herein to practice medicine in this State may be revoked by any court of competent jurisdiction, upon proof of the violation of the law in any.

POLK'S DENTAL REGISTER

OF THE

United States and Canada.

This is positively the only National Dental Directory published.

Over 36,000 Dentists, arranged by States, Territories and Provinces, with Post-office address and College and year of Graduation.

All the Existing Dental Colleges in the United States and Canada, with Location, Faculty, etc.; also extinct Dental Colleges.

The various Dental Societies and Dental Journals.

Synopsis of Laws regulating practice of Dentistry in each State, Territory and Province.

A Descriptive Sketch of each State, Territory and Province.

It is the only publication of the kind giving an alphabetical list of all Dentists and a reference to name where it appears with post-office address and college information.

There is no more direct or economical way of reaching the Dentists of the United States and Canada than by an advertisement in the Register, or if you wish to circularize, the Register presents the list in convenient form for addressing.

PRICE \$10.00 PER COPY.

DR. BURNETT'S PRIVATE SANITARIUM

(INCORPORATED)

AN ARISTOCRATIC HOME FOR MENTAL AND
NERVOUS DISEASES, DRUG AND ALCOHOL HABITS

Separate apartments for each; 52 rooms; 13,000 square feet polished floors;
6 complete baths; Electric Light Baths on each floor; modern.

Scientific Equipments and Home Comforts without Hospital atmosphere.

DR. BURNETT'S

Preferred Method of Morphine Treatment; by this method no patient need know when the drug is discontinued and there will be no suffering if the patient obeys instructions. Inebriety with an underlying insanity is incurable; uncomplicated addictions are curable by treating the patient instead of the habit. Any ignoramus can take away the drug, but short cuts do not cure.

Nervous, Mental and Inebriated cases are assigned to apartments by themselves and cannot annoy each other. Male and female apartments have no communication, male and female nurses respectfully assigned. Ethical Physicians are invited to visit the home.

respect in regard thereto, or for any cause for which the State Board of Medical Examiners is authorized to refuse to admit persons to its examinations as provided in Section 11 of this act; and it shall be the duty of the several district and county attorneys of this State to file and prosecute appropriate judicial proceedings in the name of the State on request of any member of said Board.

Sec. 13. Any person shall be regarded as practicing medicine within the meaning of this act (1) who shall publicly profess to be a physician or surgeon and shall treat, or offer to treat any disease or disorder, mental or physical, or any physical deformity or injury, by any system or method, or to effect cures thereof. (2) Or who shall treat or offer to treat any disease or disorder, mental or physical, or any physical deformity or injury by any system or method or to effect cures thereof and charge therefor, directly or indirectly, money or other compensation.

Sec. 14. Any person practicing medicine in this State in violation of the provisions of this act shall, upon conviction thereof, be fined in any sum not less than \$50 nor more than \$500, and by imprisonment in the county jail for a term not exceeding six months, and each day of such violation shall constitute a separate offense, and in no such case shall the violator be entitled to recover anything for the services rendered.

Sec. 15. All certificates heretofore issued by any board of medical examiners in this State under any former law shall be and continue in full force and effect for one year after this act shall take effect, but not afterwards, and any person who may, when this act shall take effect, be practicing medicine within this State under the provisions of existing laws or under any exception contained therein, but without license, may, for one year thereafter, but not longer, continue in such practice, without license; and all such certificates and all such rights to practice medicine shall be in all respects subject to the provisions of this act as though issued or acquired under its provisions.

Sec. 16. The terms "physician" and "surgeon," as used in this act, shall be construed as synonymous, and the terms "practitioners" and "practitioners of medicine" and "practice of medicine," as used in this act, shall be construed to refer to and include physicians and surgeons.

Sec. 17. All laws and parts of law in conflict with the provisions of this act be, and the same are hereby repealed.

Sec. 18. The fact that there is now no law properly regulating the practice of medicine in this State, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and the same is hereby suspended, and that this act take effect and be in force from and after its passage.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

THE RALPH SANITARIUM

A quiet, well equipped and well handled Home Sanitarium for the treatment of **DRUG** and **LIQUOR** habits. Personal study and attention given each case. A new and very successful treatment, removing the desire and necessity for the Drug or Liquor within a few days, and restoring the patient to normal condition in a few weeks' time. Good nursing, every comfort, scientific treatment, no suffering and A CURE. Special rates to physicians. For Literature and full details of treatment address **THE RALPH SANITARIUM, 529 Highland Ave., Kansas City, Mo.**

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book, "Advice to Stammerers" and reference sent on request. Address The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS-1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

ARLINGTON HEIGHTS SANITARIUM

(Incorporated under the laws of Texas.)

For NERVOUS DISEASES

Selected Cases of MENTAL DISEASES

DRUG and ALCOHOL ADDICTIONS

P. O. Box 978, FORT WORTH, Texas.

A new and modern institution built especially for the homelike care and scientific treatment of its patients.

Three separate buildings for male and female, comprising 50 rooms, heated by steam, lighted by electricity, and furnished with artesian water—hot and cold.

Patients under the care of specially trained nurses night and day.

The Sanitarium is located in beautiful Arlington Heights, 150 feet above and 5 miles from the city of Fort Worth, and within three blocks of Lake Como—the most popular pleasure resort in the vicinity—to which convalescent patients have access. Pure, fresh, invigorating air, sunshine and shade in abundance. Pleasant walks and drives.

A Quiet Retreat, yet Convenient to Car Line and City.

Institution Strictly Ethical.

Wilmer L. Allison, M.D., Supt. and Res. Physician.

Bruce Allison, M.D., Res. Physician.

Jno. S. Turner, M.D., Consulting Physician

For several years first assistant superintendent of Asylum at San Antonio.

Formerly assistant physician of San Antonio Asylum.

Late superintendent of Terrell Asylum.

C

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

DR. MOODY'S SANITARIUM

SAN ANTONIO, TEXAS

EXCLUSIVELY for Nervous and Mental Diseases, Drug and Alcohol Addictions. Strictly ethical. Treatment modern and scientific, including Hydrotherapy, Electro-Therapy, Massage, etc. Well-equipped Pathological Laboratory and Treatment Room. Four modern buildings and two detached cottages, comprising about one hundred rooms, with 4,500 square feet of galleries, all giving ample provision for proper classification and for the Rest-Cure Treatment. Rooms may be had en suite or with private bath. All buildings supplied with steam heat, electric lights and fans, hot and cold water from city artesian supply. Elegant dining-rooms, capacious basement-kitchen with dumb-waiters. Cold storage plant. Private dairy farm and garden in country. Grounds isolated and homelike, comprising seven acres of beautiful lawn and shades, cement walks, playgrounds, green-house, garden, etc. Two blocks from street cars, ten minutes to city, twenty minutes to all depots, two blocks from Brackenridge Park, covering 200 acres, with beautiful walks, drives and shades. Near Mahncke Park and New Country Club. New Army Post Grounds just across the street, south, with officers' residences set back about one-fourth mile distant, giving a beautiful exposure, with breeze and view unobstructed in all directions. Location and locality ideal for health, rest and recuperation.

G. H. MOODY, M. D., Res't Physician. T. L. MOODY, M. D., Res't Physician.
J. A. McINTOSH, M. D., Res't Physician. MRS. GEORGIE LEE, Matron.

Opium, Morphine, Whiskey

and All Drug Addictions

Do you want positive, safe, permanent and guaranteed treatment? Positively no pain, absolutely no danger and no publicity. We ask no pay until you are cured and perfectly satisfied. Deposit your money in bank

to your credit; pay us when cured. Large three-story, 20-room building, with every modern convenience, located in nice quiet place one block from car line, where one can be treated in absolute privacy. We have had fourteen years' experience in the treatment of drug addictions, ten years of which time has been in San Antonio. This is an institution of real merit, based upon scientific principles. Best references in Texas, among men who are bankers, lawyers, insurance men, doctors, in fact the best people in all walks of life. Will place you in correspondence with many patients cured. All correspondence strictly confidential. Write for full particulars.

UTAH.

CAPITAL, SALT LAKE CITY.

Population of State, 316,331.

(U S Census Bureau, 1906.)

Number of Physicians, 399.

Utah was a territory from September 9, 1850, to January 4, 1896, when it was admitted to the Union as the forty-fifth state. It occupies an important position in the great group of trans-Mississippi states. It is situated between the parallels of 37 and 42 degrees north latitude and the meridians of 109 and 114 degrees west of Greenwich. On the same parallels are Colorado, Kansas, Missouri, Southern Illinois, Kentucky, Virginia, Spain, Italy, Greece, Turkey and Corea. The state adjoins Colorado, Nevada, Arizona and Idaho. It is about 275 miles in width and 345 miles in length. Its total area is 84,928 square miles; its land area is 82,096 square miles (52,541,440 acres); its water area is 2,832 square miles (1,812,480 acres). The total area of unappropriated and unreserved lands in the state on June 30, 1903, was 41,369,561 acres. Of this amount, 11,526,008 acres were unsurveyed and 29,843,553 were surveyed. Its valleys are elevated from 2,700 to 7,000 feet above the sea. Some of its mountain peaks reach a height of from 12,000 to 13,687 feet. The Wasatch Mountains traverse its center and the Uintahs cross its upper half. It is a region of snow-clad mountains and broad, beautiful valleys. Many streams flow from the elevations and meander through the vales. Its largest body of water is the great Salt Lake, covering an area of about 2,500 square miles. This is a far-famed feature of its topography. The waters of the lake are heavily charged with mineral solids, containing about 18 per cent. About 16% per cent of this being salt and sulphate of soda. Numerous salt refineries dot its shores, the product being unrivaled in quality. Owing to the density of the water it is impossible to sink in it and the effect of a bath is most exhilarating. There are also a number of fresh water lakes of considerable size, the largest being Utah lake, with a surface area of 125 square miles.

Extending from Idaho to Arizona northerly and southerly through the state is a chain of fertile valleys, some of which are twenty miles wide. These valleys differ in altitude, each growing the products of field and orchard to

which the climatic conditions are most favorable. The most northern in this chain is Cache Valley, having an altitude of 4,400 feet. Here are raised the hardier fruits, grains and vegetables. The southern valley in the chain is the Rio Virgin in Washington county, where the land is exceedingly productive. This portion of the state is semi-tropical and its soil and climate adapt it to the production of not only many of the hardier fruits but of nectarines, almonds, figs, grapes and pomegranates. Flowers bloom in this valley in December and cotton is extensively grown. Outdoor gardening begins here in the latter part of January and snow and frost are almost unknown. Between these extremes of the chain are situated many valleys under a high state of cultivation. The eastern half of the state is drained into the Colorado. The mountain ranges usually run north and south and nearly all of them contain zones of precious metals.

The climatic and scenic attractions of Utah are among the best in all this favored land. The sun shines more than 300 days in the year. There are cool places near at hand in the summer time, and warm ones in winter; resorts where the flush of health is brought back to the invalid, and where the strong are made more vigorous. Pure air, thermal springs, salt and fresh water baths and breezes from mountains and inland sea all contribute their quota to the general benefit. In the matter of rugged scenes and pictures unusual Utah is more richly endowed than Switzerland, and its fame as a wonderland in this land of wonders is destined to become world famous.

MEDICAL LAW OF UTAH.

AN ACT Regulating the Practice of Medicine in the State of Utah.

CHAPTER 88.

REGULATING THE PRACTICE OF MEDICINE AND SURGERY.

An Act for the regulation of the practice of medicine and surgery in the State of Utah, and for the appointment of a Board of Medical Examiners in the matter of said regulation, and providing for the repeal of Sections 1728, 1729, 1730, 1731, 1732, 1733, 1734, 1735, 1736, 1737, 1738, 1739, 1740, 1741, 1742, of Title 52, Revised Statutes of Utah, 1898.

Be it Enacted by the Legislature of the State of Utah:

Section 1. Board Appointed. Qualifications of Members. Vacancies. There shall be appointed by the Governor at each regular session of the Legislature by and with the consent of the Senate, a State Board of Medical Examiners, which shall consist of nine members, who shall be representatives of the various recognized Schools of Medicine, each of whom shall be at the time of his appointment a licensed graduate practitioner of medicine in the State. Each person so appointed shall qualify by taking an oath before a Judge of the District Court, that he is a graduate of a legally chartered medical college in good standing, and that he will faithfully perform the duties of his office, and upon the qualification of every person appointed, as aforesaid, he shall hold his office until his successor is appointed and qualified. Vacancies in the board shall be filled by appointment by the Governor within one month from the time the vacancy shall occur. Said board shall have power to sue and be sued in its official name, "The Board of Medical Examiners of the State of Utah;" to employ legal counsel and clerical assistance; and the money received under the act may be applied in defraying expenses incurred by the said board either in the employment of said legal counsel or clerical assistance, or in any other manner whatsoever.

Sec. 2. Board Must Organize. Powers and Duties. Certificate. Said board shall organize immediately after its appointment by selecting from its members, a President, Secretary and Treasurer. Five members of the board shall constitute a quorum. The board shall have a seal with which it shall attest its official acts. Any member of the board shall have authority to administer oaths and the board shall have authority to take testimony in all matters relating to the duties of the board. The board shall have power to examine any person who furnishes satisfactory proof of having received a degree or diploma from a legally chartered medical school, which at the time of granting such diploma required at least the following hours of study: Anatomy, 420, histology, 90, physiology, 300, chemistry, 300, therapeutics, 90, bacteriology, 140, pathology, 240, physical diagnosis, 100, surgery, 540, obstetrics, 160, and gynecology, 160; a leeway of ten per cent being allowed or a minimum total of 2286 hours, and legally chartered school making the foregoing requirements shall be deemed a "recognized school of medicine." If the applicant has received a certificate from a

Successful Treatment for Liquor and Drug Using, Neurasthenia, Tobacco and Cigarette addictions. (See pages 27 and 28.)

1846

Utah

(1910) POLK'S MEDICAL REGISTER

Utah

high school of the first grade or educational attainments equivalent thereto, and if upon examination of such person by the board, the said board shall be satisfied that the applicant is qualified to practice medicine and surgery, then the said board shall have power to issue a certificate to such person so qualified and examined. The board shall issue two forms of certificates or license, one for persons holding such a degree or diploma who has been examined and favorably passed upon by the board, and another for persons desiring to practice obstetrics under the provisions of section thirteen. Certificates or licenses shall be signed by all members of the board granting them.

Sec. 3. Fee. The fee for the examination provided for in the last preceding section shall be fifteen dollars, which shall be paid to the Treasurer of the Board of Medical Examiners.

Sec. 4. Non-Graduate Practitioners. No non-graduate licensed under the provisions of the territorial Legislature shall in any way advertise as a doctor, physician or surgeon, but shall, if he advertise at all, do so as a licensed non-graduate practitioner of medicine. The Secretary of the Board shall enter, without fee, upon the register to be kept by him, the names of all persons to whom certificates are issued as physicians and surgeons.

Sec. 5. Certificate to be Recorded. Every person holding a certificate from the said board shall have it recorded in the office of the Recorder of the county in which he resides, within three months from its date, and the date of record shall be endorsed thereon. Until such certificate is recorded as herein provided, the holder thereof shall not exercise any of the privileges conferred therein to practice medicine. Any person removing to another county to practice medicine shall record the certificate in like manner in the county to which he removes, and the holder of the certificate shall pay the Recorder the usual fees for recording such certificates.

Sec. 6. Duty of County Recorder. The County Recorder shall keep in a book provided for that purpose, a complete list of certificates recorded by him, with the date of the issue of the certificate, and, if the certificate be based upon a degree and examination, the name of the medical college conferring the degree, and the date thereof.

Sec. 7. Refusal to Grant Certificate. Witnesses. Contempt. Examination may be wholly or partially in writing. Said board must refuse a certificate to any applicant guilty of unprofessional conduct as defined in this act; but before such refusal, the applicant must be cited by citation, signed by the Secretary of the board, and sealed with its seal. No such citation shall be issued except upon a sworn complaint filed with the Secretary of the board and sealed with its seal, charging the applicant with having been guilty of unprofessional conduct and setting forth the particular acts constituting such professional conduct. On the filing of such complaint the Secretary must forthwith issue a citation, and make the same returnable at the next regular session of said board, occurring at least thirty days next after filing the complaint. Such citation shall notify the applicant of the time and place, when and where the matter of such unprofessional conduct shall be heard, the particular unprofessional conduct with which the applicant is charged, and that the applicant shall file his written answer, under oath, within twenty days next after the service on him of said citation or default will be taken against him and his application for a certificate refused. The attendance of witnesses at such hearing shall be compelled by subpoena issued by the Secretary of the board, under its seal; and said Secretary shall in no case refuse to issue any such subpoenas, upon a fee of twenty cents being paid him for each subpoena. Said citation and said subpoenas shall be served in accordance with the statutes of this State then in force as to the service of citation and subpoenas generally, and all of the provisions of the statutes of this State then in force relating to subpoenas are hereby made applicable to the subpoenas provided for herein. If any person refuse to obey a subpoena served upon him in accordance with the statutes of this State then in force providing for the manner of serving subpoenas, the fact of such refusal shall be certified by the Secretary of said board, under the seal thereof, to the District Court of the county in which the service was had, and said court shall thereupon proceed to hear said matter, in accordance with the statutes of this State then in force as to contempts for disobedience of process of the court; and should said court find that the subpoena had been legally served, and that the party so served had willfully disobeyed the same, it shall proceed to impose such penalty as provided in cases of contempt of court. In all cases of alleged unprofessional conduct arising under this act, depositions of witnesses may be taken, the same as in civil cases, and all the provisions of the statutes of this State then in force as to the taking of depositions are hereby made applicable to the taking of depositions under this act. If the applicant shall fail to file with the Secretary of said board his answer, under oath, the charge made against him, within twenty days after service on him of said citation, or within such further time as the board may give him, and the charges on their face be deemed sufficient by the board, default shall be entered against him, and his application refused. If the charges on their face be deemed sufficient by the board, and issue be joined thereon by answer, the board shall proceed to determine the matter and to that end shall hear such evidence as may be adduced before it; and if it appear to the satisfaction of the board that the applicant is guilty as charged, no certificate shall be issued to him. No certificate shall be refused on the ground of unprofessional conduct unless the applicant has been guilty of such conduct subsequently to the passage of this act, and unless he has been guilty of such conduct within two years next preceding his application.

Sec. 8. Revocation of Certificate. Whenever any licensed practitioner of medicine and surgery or obstetrics in this state is guilty of unprofessional conduct, as the same is defined in this act, then the license or certificate of such person shall be revoked or cancelled in the manner hereinafter provided by the District Court of the county where the holder of such certificate or license practiced at the time of such unprofessional conduct. Proceedings for such revocation or cancellation shall be conducted in the

Polk's Medical REGISTER AND DIRECTORY of North America

OF NORTH AMERICA (1910)

Utah

1847

manner provided by law for proceedings in civil cases, except as in this act provided. "The Board of Medical Examiners of the State of Utah" shall be plaintiff and the person charged shall be defendant in any such proceeding. The complaint in said proceeding shall be in writing certified by the oath of one of the members of the board, or by any person having knowledge of the facts constituting the unprofessional conduct, and praying a decree of the court cancelling or revoking the certificate or license of the defendant and an injunction enjoining him from practicing medicine or surgery in this State. When, after trial the defendant is found guilty as charged, or when upon his default, which may be entered as in civil cases, provided the facts stated in the complaint constitute unprofessional conduct as defined in this act, then in either such case the court must decree a cancellation or revocation of the certificate or license of the defendant, and must enjoin him from practicing medicine or surgery in this State. Upon the entry of such judgment and decree it shall be the duty of the Secretary of the said Board of Medical Examiners to file a certified copy of said judgment and decree with the County Recorder of the counties in which the certificate of the defendant is recorded, and said Recorder must thereupon write upon the margin of the record of said certificate of said defendant the following:

"This certificate was revoked and cancelled by a decree of the District Court of County, Utah, on the day of" giving the day, month and year of such revocation by said court, together with the county wherein said decree was made and entered by said District Court. No certificate shall be revoked for unprofessional conduct under this section unless the accused has been guilty thereof, subsequently to the passage of this Act, and unless he has been guilty thereof within two years next preceding the time of filing the complaint charging him with such unprofessional conduct.

Sec. 9. "Unprofessional Conduct" Defined. The words "unprofessional conduct," as used in this act, are hereby defined to mean any of the following acts, to-wit:

First. Offering or attempting to procure or aid or abet in procuring a criminal abortion.

Second. The procuring or aiding or abetting in procuring a criminal abortion.

Third. The obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured.

Fourth. The willfully betraying a professional secret.

Fifth. All advertising of medical business in which grossly improbable statements are made.

Sixth. All advertising of medicines, or of any means, whereby the monthly periods of women can be regulated, or the menses re-established if suppressed.

Seventh. Conviction of any offense involving moral turpitude.

Eighth. Habitual intemperance or any excessive use of drugs or gross immorality.

Sec. 10. Practicing Medicine Contrary to Law. Any person practicing medicine, surgery or obstetrics within the State contrary to law, may, at the instance of the board herein created appearing as plaintiff in the District Court, be enjoined by said court from practicing medicine, surgery or obstetrics in this State until such person shall have been by said board lawfully admitted to practice.

The proceedings in said District Court shall be the same, as near as may be, as hereinbefore provided in this act in case of revocation or cancellation of licenses or certificates.

Sec. 11. Practicing Medicine Defined. Any person shall be regarded as practicing medicine within the meaning of this act who shall diagnose, treat, operate upon, prescribe or advise for, any physical ailment of another for a fee, or who shall hold himself out by means of signs, cards, advertisements, or otherwise, as a physician or surgeon; but nothing in this act shall be construed to prohibit services in case of emergency, or the administration of family remedies, nor to prevent medical officers of the United States army from the discharge of their official duties, nor to prohibit visiting physicians in the act of consultation, nor shall any thing in this act be construed to apply to those who heal by spiritual means without pretending to have a knowledge of the science of medicine.

Sec. 12. Penalty. Any person practicing medicine, surgery or obstetrics within this State without holding a lawful certificate or license or otherwise contrary to the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than one hundred dollars, nor more than five hundred dollars, or by imprisonment for a term of not less than sixty days or more than one hundred and eighty days, or by both such fine and imprisonment.

Sec. 13. Obstetrics. Examination. Fee. Persons desiring to practice obstetrics in this State shall be entitled to a license upon satisfactorily passing an examination by the Board of Medical Examiners and paying to the Treasurer thereof a fee of five dollars; provided, that this section shall not be construed to prevent physicians holding a certificate from practicing obstetrics, or to prohibit such service or the acceptance of a fee in case of emergency, or persons practicing obstetrics in communities where there are no licensed practitioners.

Sec. 14. Meetings of the Board. The Board of Medical Examiners shall meet on the first Monday in January, April, July, and October, of each year, at ten o'clock a. m., and such other times as the President of the Board shall deem necessary.

The place of meeting shall be at the State Capitol.

Sec. 15. Removal of Members of Board. Any member of said board may be removed for misconduct in office by a two-thirds vote of all the members of the board, but no member shall be removed until after he has been given a trial before said board.

Sec. 16. Examination May Be Waived. When. The said board may in its discretion accept and register upon the payment of the registration fee of twenty-five dollars and without examination of the applicant any certificate which shall have been issued to him by the Medical Examining Board of the District of Columbia, or any State or Territory of the United States; provided, however, that the applicant has received a

degree or diploma from a legally chartered medical school, the requirements of which shall have been at the time of granting such diploma in no particular less than those prescribed by the Association of American Medical Colleges for that year; and provided further that the legal requirements of such medical examining board of such State or Territory shall have been at the time of issuing such certificate in no degree or particular less than those of this State at the time when such certificate shall be presented for registration to the board created by this act; and provided further that the provisions in this paragraph contained shall be held to apply only to such of said Medical Examining Boards of such States and Territories as accept and register the certificates granted by this board without examination by said boards of the one holding such certificates.

Sec. 17. Osteopathy. Certificate. Nothing in this act shall be deemed to require persons now holding certificates from the Territorial or State Board of Medical Examiners to make application for license, and any person who is now practicing osteopathy in the State of Utah, who holds a degree or diploma from a regularly chartered college of osteopathy, whose requirements are not less than those prescribed by the Associated Colleges of Osteopathy for that year, upon presenting his diploma to said Board of Medical Examiners within sixty days after the approval of this act, shall be entitled to receive a certificate or license to practice medicine and surgery in this State. Said certificate shall be registered and recorded as hereinbefore provided for the registering and recording of other certificates issued by said Board.

Sec. 18. Contempts. Contempts under this act will be governed and controlled in the manner provided by the general law relating thereto now in force in this State.

Sec. 19. Repeal. That Sections 1728, 1729, 1730, 1731, 1732, 1733, 1734, 1735, 1736, 1737, 1738, 1739, 1740, 1741, and 1742, Revised Statutes of Utah, 1898, and all acts and parts of acts in conflict with this act are hereby repealed.

Sec. 20. This Act to take effect upon approval.

Approved this 14th day of March, 1907.

LIST OF PHYSICIANS

VERMONT.

CAPITAL, MONTPELIER.

Population of State, 350,373.
(U. S. Census Bureau, 1906.)
Number of Physicians, 709.

Vermont was admitted as a state March 4, 1791. It had a population, according to the United States Census of 1900, of 343,641, as against 332,422 in 1890, representing an increase during the decade of 11,219 or 3.3 per cent. The following table shows the increase in population since 1830:

1830.....	280,652	1870.....	330,551
1840.....	291,948	1880.....	332,286
1850.....	314,120	1890.....	332,422
1860.....	315,098	1900.....	343,641

The total land surface is, approximately, 9,135 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 36.3; 1900, 37.6. It extends from 42 degrees to 45 degrees north latitude and from 71 degrees 25 minutes to 73 degrees 26 minutes west longitude, and is bounded on the north by Canada, on the south by Massachusetts, on the east by New Hampshire and on the west by New York. The climate is cold, and like most of the New England states, is marked by great extremes, the winters being severe and of long duration, and the summers short but extremely warm. The mean annual temperature as observed at Montpelier is 42.76 degrees, and the annual average rainfall about 36 inches.

The state is intersected by the Green Mountains. Their highest range extends from north to south nearly parallel to the western boundary and consists of several detached ridges which, standing end to end, are separated from each other by the valleys of the streams emptying into Lake Champlain. A second range, lower but more continuous than the first, branches off and trends through the state in a northeasterly direction. It forms the watershed between the Connecticut river, which washes the eastern border of the state, and Lake Champlain, which washes the western. Some detached mountains rise near the Connecticut river. These mountains are covered with forests of evergreen, hemlock, spruce and other coniferous trees. There are numerous rivers and streams affording an abundance of never-failing water power. The entire eastern portion of the state is drained by the Connecticut river, which separates it from New Hampshire and receives the following tributaries. The Passumpsic, White, Queechey, Black, Deerfield, Williams, West, Saxton and Wells. The northern part of the state between the two ranges of the Green Mountains is drained by Lake Memphremagog, which receives the

Barton and Black rivers. Lake Champlain extends for 105 miles along the western border of the state and receives the Missisquoi, Winooski, Lamolite, Otter and Poultney. The southwest corner of the state is drained by small affluents of the Hudson.

For list of Medical Colleges, see page 152.

MEDICAL LAW OF VERMONT.

Act*133 of the General Assembly of 1904 entitled "An Act creating a Board of Medical Registration," as amended December 14, 1908, is as follows:

It is hereby enacted by the General Assembly of the State of Vermont:

Section 1. A state board of medical registration is hereby created. Said board shall consist of seven (7) members, three (3) of whom shall be of the regular school of practice; two (2) of the homeopathic school of practice, and two (2) of the eclectic school of practice, and each shall be a graduate of a legally chartered medical college or university, having the power to confer the degree of medicine and surgery.

Three members of said board shall be appointed for a term of two (2) years, two for four (4) years, and two for six (6) years, and shall be appointed by the governor in the month of December, 1904, preference in said appointments to be given to the present members of the board of censors of the Vermont Medical Society, Vermont Homeopathic Medical Society, and the Vermont Eclectic Society.

The term of office of the members of the board shall begin on the fifteenth day of December next following their appointment.

Sec. 2. It shall be the duty of the governor biennially in the month of November, beginning in 1906, to appoint physicians as members of the board of medical registration, to fill the place of those whose term of office is about to expire, said physicians to be of the same school of practice as the physicians whom they are to succeed on the board, with the same proportion of regular, homeopathic, and eclectic physicians as constituted the original board; they to be graduates of a legally chartered medical college and in active practice of their profession, but no member of said board shall belong to the faculty of any medical college or university.

The appointments as provided in this section shall be made from a list to be nominated by the Vermont Medical Society, Vermont Homeopathic Medical Society, or Vermont Eclectic Medical Society, according as the term of office of the members representing each of these different schools of practice is about to expire, said list to contain at least twice the number to be appointed.

Such nominations shall be made at the annual meeting of the said medical societies during the year of the biennial session of the legislature. Such nominations shall be certified to by the president and secretary of said societies and transmitted to the governor not later than the 1st of November during the biennial session of the general assembly.

In case, however, that no nominations are made by the said medical societies, then the governor shall appoint such physicians as he may choose, having regard to maintaining the same proportion of regular, homeopathic, and eclectic physicians as constituted the original board.

Vacancies in said board shall be filled by the governor, and the person appointed to fill a vacancy shall hold office during the unexpired term of the member whose place he is to fill, and shall be of the same school of practice.

Any member of the board may be removed from office by the governor for cause.

Sec. 3. The members of said board of medical examiners shall meet at the state house in Montpelier on the second Tuesday in January, and at Burlington on the second Tuesday in July, and at such other times and places as they may determine for the purpose of examining applicants for a license to practice medicine and surgery in the state, and shall be empowered to issue such license to persons found qualified.

The board may make such rules and regulations not repugnant to the law of the state as may be necessary for the government of the board.

A majority shall constitute a quorum.

Sec. 4. At the first meeting of said board on the second Tuesday of January, 1905, and biennially thereafter, they shall organize by choosing from their numbers a president, secretary, and treasurer, who shall hold their respective offices for two years or until their successors are chosen.

Sec. 5. The secretary shall keep a record of the transactions of the board, and a separate record of the name, residence, college and date of graduation of all persons licensed hereunder.

The treasurer shall receive all fees for licenses issued and keep a just and true account of the same, and shall quarterly make a report to the state treasurer of all examinations given and licenses granted and pay into the state treasury all monies received by him for such examinations and licenses.

Vermont

Sec. 6. Each member of the board shall receive four dollars a day for services rendered and necessary expenses for time spent in examining applicants and granting licenses; provided that if the amount received by said board for examinations, certificates and licenses is not sufficient to pay the per diem and expenses allowed said board, the auditor of accounts shall allow the expenses of said board in full and such percentage of the per diem that the expense to the state of the board shall not exceed the receipts of said board.

Sec. 7. A person twenty-one years of age and of good moral character, who is a graduate of a legally chartered medical college or university, having power to confer degrees in medicine and surgery, and such medical college or university being recognized as determined by the board, shall, upon payment of a fee of twenty dollars, be entitled to examination, and, if found qualified, shall be licensed to practice medicine and surgery in this state and receive a license signed by the president and secretary of the board.

Provided, however, that students who have completed the studies of anatomy, physiology, chemistry and histology may be examined after presenting a certificate from the secretary of the college in which they are pursuing their studies, that they have completed the work of the second year. The fee which shall accompany such certificate shall be one-half of that for the final examination and shall be credited to the student as a part of the whole fee. Practitioners graduated prior to the year nineteen hundred and one, under a lower standard, who have been five or more years in active reputable practice, may be examined by the board, if of satisfactory moral character, and if recommended as worthy by physicians in good standing. A person refused a license may be re-examined at a regular meeting of the board within one year of the time of such refusal, without an additional fee. Said board may refuse to issue certificates provided for in this section to individuals who have been convicted of the practice of criminal abortion, or who have, by false or fraudulent representations, obtained or sought to obtain practice in their profession, or by false or fraudulent representation of their profession have obtained or sought to obtain money or any other thing of value, or who assume names other than their own, or for any other immoral, unprofessional or dishonorable conduct, and said board may for like causes revoke any certificate issued by itself or the respective board of censors of the Vermont State Medical, the Vermont State Homeopathic, or the Vermont State Eclectic Medical Societies; provided that no certificates shall be revoked or refused until the holder or applicant is given a hearing before the board.

Sec. 8. The examination shall be wholly or in part in writing, in the English language, and shall be of a practical character, sufficiently strict to test the qualification of the applicant. It shall embrace the general subjects of anatomy, physiology, chemistry, pathology, bacteriology, hygiene, practice of medicine, surgery, obstetrics, gynecology, materia medica, therapeutics and legal medicine. Each applicant shall pass a general average of seventy-five per cent, to entitle him to a license; provided, however, that reputable practitioners may be allowed one per cent, for each year of practice, but such allowance shall not exceed ten per cent. Examination in materia medica shall be conducted by the members of the board representing the same school as the applicant.

Each applicant shall pass at least an average of 75 per cent to entitle him to a license.

Sec. 9. A person to whom a license certificate is thus issued in order to make it valid shall within thirty days from date thereof, cause the same to be recorded in the office of the Secretary of State, in a book to be provided by said Secretary of State for that purpose, for which the record fee shall be twenty-five cents.

Sec. 10. Any person who shall practice medicine or surgery under a fictitious or assumed name, or who, not being licensed as aforesaid, shall advertise or hold himself out to the public as a physician or surgeon in this state, or sign a certificate of death for the purposes of burial or removal, shall be punished by a fine of not less than fifty dollars, or more than two hundred dollars, or by imprisonment in the House of Correction not more than three months, or both, and no action of any kind shall be had or maintained by any such person in any court in this state for the recovery of any compensation for such services.

Sec. 11. A person who advertises or holds himself out to the public as a physician or surgeon, or who assumes the title or uses the words or letters "Dr.," "Doctor," "Professor," "M. D.," or "M. B.," in connection with his name, or any other title intending to imply or designate himself as a practitioner of medicine or surgery in any of its branches, and in connection with such title or titles, shall prescribe, direct, recommend or advise, give or sell for the use of any person, any drug, medicine or other agency or application for the treatment, cure or relief of any bodily injury, infirmity or disease, or who follows the occupation of treating disease by any system or method, shall be deemed a physician, or practitioner of medicine or surgery for the purposes of this chapter. The provisions of this chapter shall apply to persons professing and attempting to cure disease by means of "faith cure," "mind healing" or "laying on of hands," but shall not apply to persons who merely practice the religious tenets of their church without pretending a knowledge of medicine or surgery.

But the provisions of this section shall not apply to a person, firm or corporation that manufactures or sells patent, compound or proprietary medicines, that are compounded according to the prescription of a physician who has been duly authorized to practice medicine. Nothing, however, in this act shall in any way affect the provisions of No. 110 of the acts of 1902 or apply to persons licensed by any other board having legal authority to issue licenses in this state.

Sec. 12. It shall be the duty of the board to investigate all complaints of disregard, non-compliance or violation of the provisions of this act, and to bring all such cases to the notice of the proper prosecuting officer.

Sec. 13. This act shall not apply to persons legally licensed to practice medicine and surgery under the provisions of former acts, nor to persons who resided

MEDICAL COLLEGES BOTH EXISTING AND EXTINCT IN NORTH AMERICA IN *Polk's Medical Register and Directory*

Vermont

OF NORTH AMERICA (1910)

Vermont

1857

and practiced medicine in the state five years previous to the 28th day of November, 1876, nor to commissioned officers of the U. S. army or navy, or marine hospital service, nor to the practice of midwifery by women in the town or locality in which they reside, nor to a physician or surgeon who is called from another state, or the Dominion of Canada, to treat a particular case, and who does not otherwise practice in this state, provided, however, that such non-resident physician is legally licensed where he resides and provided further that the state from which he comes or the Dominion of Canada, grants the same privileges to legally licensed practitioners of the state of Vermont.

Nothing in this act, however, shall be construed to prevent any non-resident physician or surgeon from coming into the state in consultation with a legally qualified practitioner in this state.

Sec. 14. Said board shall, without examination, issue a license to a reputable physician or surgeon who personally appears and presents a certified copy of a certificate of registration or a license issued to him in a state whose requirements for registration are deemed by said board as equivalent to those of this state, provided that such state accords a like privilege to holders of licenses granted under the laws of this state. The fee for such license shall be fifty dollars.

The standard of requirements for admission to practice in this state, under the preceding section, shall be as follows:

Academic: Preliminary requirements to be a high school education or its equivalent, such as would admit the student to a recognized university. The standards of such secondary school shall be determined by agreement between the educational department of the state in which the applicant received such education and the state superintendent of education.

Medical: Four courses of lectures of nine hundred hours each, in four different calendar years prior to graduation from a medical college approved by the board. Practitioners graduated prior to nineteen hundred and one are exempt from this requirement.

Moral: Applicant shall present qualifications as to moral character and professional standing from two reputable physicians in the county in which he resides, and from the town clerk of his place of residence.

Examining: The examination in writing shall have embraced twelve subjects of ninety questions, viz.: anatomy, physiology, chemistry, pathology, bacteriology, hygiene, practice of medicine, surgery, obstetrics, gynecology, materia medica, therapeutics and legal medicine. The general average must have been at least seventy-five per cent, and no license shall be recognized when a lower rating has obtained.

Sec. 15. Sections 4630, 4631, 4632, 4633, 4634, 4635, 4636, 4637, 4638, 4639 and 4640 of the Vermont Statutes and all amendments thereto and all acts inconsistent with this act are hereby repealed.

Sec. 16. This act shall take effect from its passage.

Approved December 9, 1904, and December 14, 1908.

Reciprocity arrangements have been entered into with the states of Arkansas, Illinois, Indiana, Maine, Michigan, Maryland, New Hampshire, Nebraska, New York, New Jersey, No. Dakota, Ohio, Texas, Wisconsin, Wyoming and the District of Columbia on certificates obtained by examination and whose standard of requirements is equal to our own. Some have been dropped from the former list because of lower requirements.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ‡, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

WHY NOT PATRONIZE

THE VIRGINIA MEDICAL SEMI-MONTHLY

RICHMOND, VIRGINIA

THE REPRESENTATIVE MEDICAL JOURNAL OF THE SOUTH

LANDON B. EDWARDS, M. D., Editor and Proprietor.

CHARLES M. EDWARDS, M. D., Associate Editor.

ADVERTISERS have advantage of a journal going twice a month to a subscription list collected during the past **thirty-five (35)** years. Size of "ad." for page 9x6 $\frac{1}{8}$ inches. Rates on application. Advertisements not solicited through agents.

SUBSCRIBERS get from 48 to 56 pages of reading matter monthly. Contributions by leading authors from all over the country. Price, \$2.00 per annum. Single copy, 10 cents.

The Sarah Leigh Hospital

NORFOLK, VIRGINIA.

Offers many advantages to those patients desiring a quiet, homelike institution combined with every modern facility and equipment.

A private hospital, delightfully situated, bright, well ventilated, amid attractive and quiet surroundings.

Correspondence with physicians solicited.

Rooms single or en suite. Private baths.

SOUTHGATE LEIGH, M. D. JAMES H. CULPEPPER, M.D.

Surgeon in Charge.

Associate Physician and Pathologist.

STANLEY H. GRAVES, M.D., MISS M. A. NEWTON

Associate Surgeon.

Superintendent.

GRADUATION PARTICULARS are verified by the OFFICIAL RECORDS
of the Colleges in
POLK'S MEDICAL REGISTER AND DIRECTORY.

Virginia

OF NORTH AMERICA (1910)

Virginia

1865

VIRGINIA.

CAPITAL, RICHMOND.

Population of State, 1,973,104.

(U. S. Census Bureau, 1906.)

Number of Physicians, 2,418.

Virginia, one of the original thirteen states, has a population, according to the United States Census of 1900, of 1,854,184, as against 1,655,980 in 1890, representing an increase during the decade of 198,204, or 12 per cent. The following table shows the increase in population since 1830:

1830.....1,211,405	1870.....1,225,163
1840.....1,239,797	1880.....1,512,565
1850.....1,421,661	1890.....1,655,980
1860.....1,596,318	1900.....1,854,184

The total land surface is, approximately, 40,125 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 41.3; 1900, 46.2. It extends from 36 degrees 30 minutes to 39 degrees 27 minutes north latitude, and from 75 degrees 10 minutes to 83 degrees 30 minutes west longitude, and is bounded on the north by Maryland and West Virginia, on the south by Tennessee and North Carolina, on the east by Chesapeake Bay and the Atlantic ocean, and on the west by Kentucky and West Virginia. Its latitude is that of Southern Europe, Central Asia, Southern Japan and California, giving it a climate at once delightful and salubrious. Virginia is divided into five grand divisions—the Tidewater, the Midland, the Piedmont, the Great Valley and the Appalachia. The western section of the state is traversed by two mountain ranges, the Blue Ridge and the Alleghenies, between which lies the far-famed valley of Virginia. The general elevation of the lands lying in the mountain region is from 1,800 to 2,000 feet, though some even rise to 2,700 feet, while the peaks which tower above the surrounding country are more than 4,000 feet above the level of the sea. Hence it will be seen that, topographically, Virginia varies from the sandy shores which are washed by the Chesapeake Bay and the Atlantic ocean to the verdure-clad mountain ranges, where grow the hemlock and the birch. It is well watered in all portions by springs, brooks, creeks, rivulets and several navigable rivers, among the latter being the historic Potomac, navigable for 110 miles; the Rappahannock, 82 miles; the York, 40 miles, besides the James, Piankatank others, giving it 1,500 miles of steamboat navigation and double this amount for smaller craft. The average annual rainfall is about 40 inches.

For list of Medical Colleges, see page 152.

DEPARTMENT OF HEALTH.

Office and Laboratories, 1110 Capitol st., Richmond; Health Commissioner, E G Williams, M D; Ass't Commissioner, A W Freman, M D; Bacteriologist, M Ferguson, Ph D; Clerk, A L Martin.

MEDICAL LAWS OF VIRGINIA.

AN ACT to amend and re-enact Sections 1744, 1745, 1746, 1747, 1749, 1750 and 1752 of Chapter 77 of the Code, regulating the practice of medicine and surgery in Virginia. Approved March 7, 1900.

1. Be it enacted by the General Assembly of Virginia, That sections seventeen hundred and forty-four, seventeen hundred and forty-five, seventeen hundred and forty-six, seventeen hundred and forty-seven, seventeen hundred and forty-nine, seventeen hundred hundred and fifty, seventeen hundred and fifty-two of chapter seventy-seven of the Code, regulating the practice of medicine and surgery in Virginia, be amended and re-enacted so as to read as follows:

BACKWARD CHILDREN

Our Institution provides a Christian home with expert instruction for constitutionally defective children and adults, backwardness and awkwardness of speech, speech hesitation, lisping, burring, cleft palate, lulling, nasal twang, tied tongue, paralysis of the vocal cords, substitution of sounds, defective articulation, coupled with backwardness of intellect; and all other forms of imperfect utterance of speech and articulation. 32 page ILLUSTRATED BOOK FREE. The LEWIS INSTITUTE, 35-41 Adelaide St., Detroit, Mich., U.S.A. Read our ad. opp. classified School for Stammerers.

1872

Virginia

(1910) POLK'S MEDICAL REGISTER

Virginia

Sec. 1744. Board of Medical Examiners—Numbers and Terms of Members.—There shall be for this state a board of medical examiners, consisting of one member for each congressional district in this state, and three for the state at large, and in addition two homeopathic physicians from the state at large, whose term of office shall be for four years, or until their successors are appointed and qualified. The term of office of the board first appointed after this act takes effect shall commence on the first day of April, nineteen hundred and two, but the board in office under the law in force at the time of the passage of this act shall constitute a board of medical examiners under this act until a new board shall be appointed and qualified.

Sec. 1745. How Appointed—When Office Deemed Vacant.—The said board shall consist of men learned in medicine and surgery, and shall be appointed by the governor on or before the first day of April, nineteen hundred and two, and every fourth year thereafter, from a list of names to be recommended by the medical society of Virginia. He shall also appoint two homeopathic physicians who may be nominated to him by the Hahnemann medical society of the Old Dominion, in the manner hereinafter provided. Vacancies occurring in such boards for unexpired terms shall be filled in the same manner. Such recommendations shall be by the votes of a majority present at some meeting of the said societies, and the same shall be certified to the governor by the president and secretary of such society; provided, however, in case the governor shall consider any of the persons so recommended unsuitable, he may decline to appoint such person or persons, and communicate the fact to the president of the society presenting the nomination, and such society shall, within ninety days thereafter, make other recommendations in the same manner as hereinbefore prescribed, which shall stand on the same footing in all respects as those first made: provided, further, if such society fail to make such recommendations prior to the time of appointment, or within the ninety days, the governor shall appoint such board, either in whole or in part, without regard to such recommendations. If any of such examiners shall cease to reside in the district for which he was appointed his office shall be deemed vacant.

Sec. 1746. Qualification of Members—Officers of Board—Its Meetings—Quorum.—The members of said board shall qualify by taking the usual oath of office before the county or corporation court of the county or corporation in which they respectively reside, or before the judge of such court in vacation. The officers of said board shall be a president, vice-president, and secretary (who shall also act as treasurer); said officers to be members of and selected by the board. Regular meetings of the board shall be held at such time and places as the board may prescribe, and special meetings may be held upon the call of the president and any five members; but there shall not be less than one regular meeting each year. Five members of the board shall constitute a quorum. The board may prescribe rules, regulations and by-laws for its own proceedings and government, and for the examination by its members of candidates for the practice of medicine and surgery.

Sec. 1747. Examination of Applicants for the Practice of Medicine and Surgery—Re-examination—Fees of Board.—It shall be the duty of the said board at any of its said meetings, to examine all persons making application to them, who shall desire to commence the practice of medicine or surgery in this state: provided, on or after first day of July, nineteen hundred, said applicant shall produce before said board a diploma or other satisfactory evidences of his graduation in some medical college chartered by the state or territory in which the same is situated: provided, that any under-graduate taking a graded course in any regularly chartered medical college shall be entitled to an examination on such branch or branches as he or she may present a certificate from the said college of having passed a satisfactory examination, and having once passed a satisfactory examination on each of such branches before the state board of medical examiners, no further examinations shall be required on such branch or branches; but an applicant failing to pass a satisfactory examination on any of such branches, shall not be permitted to be examined on such branch or branches until he or she presents a diploma of graduation as Doctor of Medicine. And when an applicant shall have passed an examination satisfactory as to proficiency before the board in session, the president thereof shall grant to such applicant a certificate to that effect. A fee of ten dollars shall be paid to said board, through such officers or members as it may designate, by each applicant before such examination is had, and in case any applicant shall fail to pass a satisfactory examination he shall not be permitted to stand any further examination within the next six months thereafter, nor shall he have again to pay the fee prescribed as aforesaid: provided, however, no applicant shall be rejected upon his examination on account of his adherence to any particular school of medicine or system of practice, nor on account of his views as to the method of treatment and care of diseases; and provided further, that when, in the opinion of the president of the board, any applicant has been prevented by good cause from appearing before the board he shall have authority, in his discretion, to grant a special permit to such applicant to practice medicine or surgery until he shall have an opportunity to appear before the board in session for examination, which special permit shall be revocable at the discretion of the president, and in no case shall it entitle the holder thereof to practice after the next regular meeting of said board. The said board shall have, in their discretion, authority to accept in lieu of examination of an applicant a diploma or other satisfactory evidence of the graduation of the applicant in some medical college chartered by the state or territory in which the same is situated, and a certificate from the examining board of any other state or territory of the United States or the District of Columbia, showing that such applicant has passed a satisfactory examination as to his proficiency and obtained a license from said board to practice medicine and surgery in said state, territory or district: provided, that any person who was examined by the state examining board prior to January first, nineteen hundred, and whose fee for such examination was duly paid, but who failed to pass said examination, shall have the right and privilege of taking the examination before the state board, notwithstanding the provisions of this act.

Sec. 1749. Applicant to Have Certificate of Board Recorded—Fee of Clerk.—Before

Virginia

OF NORTH AMERICA (1910)

Virginia

1873

any person who obtains a certificate as aforesaid may lawfully practice medicine or surgery in this state, he shall cause the said certificate to be recorded in the clerk's office of the county or corporation in which he resides in this state, or if he resides in the city of Richmond, in the clerk's office of the chancery court of said city; but if he does not reside in the state of Virginia he shall cause the said certificate to be recorded in the clerk's office of the county or corporation in which he offers to practice in this state, or in the clerk's office of the chancery court of the city of Richmond, if he offers to practice in said city. The certificate shall be recorded by the clerk in a book to be kept for that purpose, and it shall be indexed in the name of the person to whom the certificate is granted. The clerk's fee for recording shall be the same as for recording a deed.

Sec. 1750. Who Prohibited from Practicing Medicine or Surgery Without a Certificate—Penalty for Practicing Illegally—What Courts Have Jurisdiction to Inflict.—No person who shall have commenced the practice of medicine or surgery in this state since the first day of January, eighteen hundred and eighty-five, or who shall hereafter commence the practice as a physician or surgeon for compensation, without having first obtained a certificate from the state board of medical examiners and caused the same to be recorded as aforesaid, or a special permit of said board. Any person shall be regarded as practicing medicine or surgery for compensation within the meaning of this act who shall profess publicly to be a physician or surgeon, and shall offer for practice as such, or who shall prescribe for the sick or those needing medical aid, and shall receive therefor money or other compensation, directly or indirectly. Any person who shall practice medicine or surgery in this state in violation of the provisions of this section shall be fined not less than fifty nor more than five hundred dollars for each offense; and it shall not be lawful for him to recover by action, suit, motion or warrant in any of the courts of this state any compensation for services which may be claimed to have been rendered by him as such physician or surgeon. The county and corporation courts shall have exclusive original jurisdiction to try offenses for violations of the provisions of this section committed within their respective counties and corporations.

Sec. 1752. Who Exempted from Examination.—Nothing in this chapter shall be taken as including or effecting in any way any dentist or midwife, nor any commissioned officer or contract surgeon of the United States army, navy or marine hospital service in the performance of his duties as such, nor to any physician or surgeon residing in any other State or Territory of the United States, or in the District of Columbia, called into consultation in a special case with a physician or surgeon in this state, nor shall this chapter be construed as affecting or changing in any way the laws in reference to the license tax required to be paid by physicians, surgeons and dentists.

2. All acts and parts of acts in conflict with this act are hereby repealed.
3. This act shall be in force from its passage.

A Copy—Teste:

WILLIAM HENRY MANN,

Clerk of the House of Delegates and Keeper of Rolls of Virginia.

April 5, 1900.

AN ACT

To amend and re-enact Section 1747 of the Code of Virginia, regulating the practice of medicine and surgery in Virginia, as amended and re-enacted by an act approved March 7, 1900. Approved April 23, 1903.

1. Be it enacted by the General Assembly of Virginia, That section seventeen hundred and forty-seven of the Code of Virginia, as amended and re-enacted by an act approved March seventh, nineteen hundred, be amended and re-enacted so as to read as follows:

Sec. 1747. Examination of Applicants for the Practice of Medicine and Surgery—Re-examination—Fees of Board.—It shall be the duty of the said board, at any of its said meetings, to examine all persons making application to them who shall desire to commence the practice of medicine or surgery in this state: provided, said applicant shall produce before said board a diploma or other satisfactory evidence of his graduation in some medical college or institution teaching the art of healing human diseases chartered by the state or territory in which the same is situated: provided, that any undergraduates taking a graded course in any regularly chartered medical school shall be entitled to examination on such branch or branches as he or she may present a certificate from the said college of having passed a satisfactory examination, and having once passed a satisfactory examination on each of such branches before the state board of medical examiners, no further examination shall be required on such branch or branches; but an applicant failing to pass a satisfactory examination on any of such branches shall not be permitted to be examined on such branch or branches until he or she presents a diploma of graduation as doctor of medicine from some regularly chartered college of medicine. And when an applicant shall have passed an examination satisfactory as to proficiency before the board in session, the president thereof shall grant to such applicant a certificate to that effect: provided, however, that any applicant professing a system of medicine which does not require the use of drugs in the treatment of disease shall be exempt from standing an examination of *materia medica*.

A fee of ten dollars shall be paid to said board, through such officers or members as it may designate, by each applicant before such examination is had. And in case any applicant shall fail to pass a satisfactory examination he shall not be permitted to stand any further examination within the next six months thereafter, nor shall he have again to pay the fee prescribed as aforesaid: provided, however, no applicant shall be rejected upon his examination on the account of his adherence to any particular school of medicine or system of practice, nor on account of his views as to the method of treatment and care of diseases; and provided, further, that when, in the opinion of the president of the board, any applicant has been prevented by good cause from appearing before the board, he shall have authority, in his discretion, to grant a special permit to such applicant to practice medicine or surgery until he shall have an opportunity to appear before the board in session for examination, which said permit shall be revocable at the discretion of the president; and in no case shall it entitle the holder thereof to practice after the next regular meeting of said board.

The said board shall have, in their discretion, authority to accept in lieu of examination of an applicant, a diploma or other satisfactory evidence of the graduation of the applicant in some medical college chartered by the state or territory in which the same is situated, and a certificate from the examining board of any state or territory of the United States or the District of Columbia showing that said applicant has passed a satisfactory examination as to his proficiency, and obtained license from said board to practice medicine and surgery in said state, territory or district: provided, that any person who was examined by the state examining board prior to January first, nineteen hundred, and whose fee for such examination was fully paid, but who failed to pass said examination, shall have the right and privilege of taking the examination before the state board, notwithstanding the provisions of this act.

2. This act shall take effect from its passage.

AN ACT

To amend and re-enact Section 1750 of the Code of Virginia, regulating the practice of medicine and surgery in Virginia, as amended and re-enacted by an act approved March 7, 1900. Approved April 24, 1903.

The medical examining board of Virginia will reciprocate with other states, but

1. Be it enacted by the General Assembly of Virginia, That section seventeen hundred and fifty of the Code of Virginia, as amended and re-enacted by an act approved March seventh, nineteen hundred, be amended and re-enacted so as to read as follows:

Sec. 1750. Who Prohibited from Practicing Medicine or Surgery Without Certificate—Penalty for Practicing Illegally—What Courts Have Jurisdiction to Inflict.—No person who shall have commenced the practice of medicine or surgery in this state since the first day of January, eighteen hundred and eighty-five, or who shall hereafter commence the practice of the same, shall practice as a physician or surgeon for compensation without having first obtained a certificate from the state board of medical examiners and caused the same to be recorded as aforesaid, or a special permit from the president of said board.

To open an office for such purpose or to announce to the public in any way a readiness to practice medicine in any county or city of the state, or prescribe for, or to give surgical assistance to, or to heal, cure or relieve, or to attempt to heal, cure or relieve, those suffering from injury or deformity, or disease of mind or body, or to advertise or to announce to the public in any manner a readiness or ability to heal, cure or relieve those who may be suffering from injury or deformity, or disease of mind or body, shall he engage in the practice of medicine within the meaning of this section: provided, that nothing in this section shall be construed to apply to or to limit in any manner the manufacture or sale of proprietary medicines, or to apply to, affect or interfere in any way with the operation of any hospital now established in this state, or any person while engaged in conducting such hospital now established, if there be a licensed physician resident and practicing therein, or to any person who commenced the practice of osteopathy in this state prior to January first, nineteen hundred and three. It shall also be regarded as practicing medicine within the meaning of this section if any one shall use in connection with his or her name the words or letters "Dr.," "Doctor," "Professor," "M. D.," or "Healer," or any other title, word, letter or designation intending to imply or designate him or her as a practitioner of medicine or surgery in any of its branches, but this section shall not be construed to apply to non-itinerant opticians who are at this time engaged in the practice of optometry in this state, nor to professional or other nurses. Any person who shall practice medicine or surgery in this state in violation of the provisions of this section shall be fined not less than fifty nor more than five hundred dollars for each offense; and it shall not be lawful for him to recover by action, suit, motion or warrant in any of the courts of the state any compensation for services which may be claimed to have been rendered by him as such physician or surgeon.

The county and corporation courts shall have exclusive original jurisdiction to try offenses for violations of the provisions of this section committed within their respective counties and corporations.

2. This act shall take effect from its passage.

We want every Physician in the U. S. to know what we are doing. We are curing, without the use of the knife or X-ray, Cancer, Tumors and Chronic Sores, and have been endorsed by the Senate and Legislature of Virginia.

Doctor, why not personally investigate our methods? We have never failed to cure a cancer primarily treated by our method. Now entering our fifteenth year. Physicians treated free. We have no home treatment.

CIRCULAR OF INFORMATION—MEDICAL EXAMINING BOARD OF VIRGINIA.

1. Fee of ten dollars required of each applicant, and said fee is paid to secretary before examination is entered upon. Those failing will not be required to pay the fee when they appear before the board again.
2. All examinations shall be in writing, except as to old practitioners. Applicants furnish their own stationery, pen, ink, and blotters.
3. The examination shall continue three days; session from 9 to 12, 12 to 3, 4 to 7 each day until otherwise ordered by the board. Three hours is the time allowed for each session.
4. A total average of 75 per cent—that is, 675 points—shall be necessary to license a candidate (he or she having otherwise complied with the law): provided, that in no one section shall the percentage be less than 50 per cent; if so, the candidate shall be rejected, regardless of the total average.
5. No one is allowed to practice in this state without a temporary license or regular license, as prescribed by law.
6. At present time the examination comprises the following subjects: Chemistry, toxicology and medical jurisprudence; laryngology, rhinology, ophthalmology and otology; anatomy and embryology; histology, physiology and hygiene; pathology, bacteriology and neurology; obstetrics, gynecology and pediatrics; materia medica and therapeutics; practice of medicine, diagnosis and etiology; surgery.
7. Applicants must present their diplomas from some recognized medical college to the secretary of the medical examining board when they apply for examination. "Undergraduates taking a graded course in a regularly chartered medical college shall be entitled to an examination on such branch or branches as he or she may present a certificate from the said college of having passed a satisfactory examination; and having once passed satisfactory examination, etc." (See law.)
8. Applicants of the homeopathic school of medicine will be examined in the subjects of practice of medicine, materia medica and therapeutics in accordance with the tenets of their school.
9. The filing of an application or the taking of an examination does not entitle the applicant to practice medicine.
10. Applicants seeking reciprocity must apply to secretary for necessary application blanks.

For further information, address R. S. Martin, M. D., Secretary and Treasurer, Stuart, Va.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; %, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ‡, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

WASHINGTON.

CAPITAL, OLYMPIA.

Population of State, 874,310.

(Bureau of Statistics, 1905.)

Number of Physicians, 1,455.

Originally a portion of Oregon, Wash-
ington came into a separate existence
as a territory on the second day of
March, 1853. At that time conditions
bordering upon the primeval prevailed
throughout the greater portion of the
district. There were no railroads;
water transportation was at its earliest
infancy; few wagon roads had been
built and the settlements were widely
scattered. The organization of the ter-
ritory, following as it did only a few
years after the great gold discoveries
in California, seemed to give an im-
petus to immigration, and very shortly
afterward settlers began heading toward
Washington in considerable numbers.
Progress was slow at first, but when
the hardy pioneer began to realize the
possibilities of wresting fortunes from
the timber, coal, fishing and other
natural resources, the territory rapidly
quickenened into active life. In 1860 the
population had passed the 10,000 mark;
a decade later it had reached 24,000, and
in 1880 the census showed a total of
75,116 people. Then came the period of
the great boom following upon the com-
pletion of the Northern Pacific Railroad,
and in 1890 the census returns gave
Washington a population of 349,390,
which was increased in 1900 to 518,103.
In 1905, according to the estimates of
the Bureau of Statistics, Agriculture and
Immigration, the state contained 874,-
310 people. In the year 1889 Washing-
ton was admitted into the Union as a
state, the capital being fixed at Olympia,
Thurston county.

The state occupies the extreme north-
western portion of the United States.
The Straits of Juan de Fuca, Vancouver
Island and the British Columbian pos-
sessions mark the northern border, the
State of Idaho the eastern, the State of
Oregon lying on the south; the Pacific
ocean limits the land's end to the west.
The state's area comprises an extent of,
approximately, 70,000 square miles, 1,156
square miles of this being tide-water—
Puget Sound. The state is divided into
two most distinctive sections by the
Cascade range of mountains, each sec-
tion with a climate differing from the
other and generally designated as "wet"

and "dry" climates. Western Washing-
ton, comprising the Sound country and
that section west of the Cascades, in-
cludes about one-third of the total area
of the state, is heavily timbered, with
a mild and equable climate, small areas
of natural prairie land, and that gener-
ally of a gravelly and non-productive
nature.

Eastern Washington is for the most
part barren of trees, a rolling prairie,
rich in soil, but for a large part subject
to the necessity of irrigation for agri-
cultural purposes. The climate of this
section has more of the extremes of
heat and cold than the western portion,
and yet by no means to that extent
which characterizes states of the same
altitude and further east.

The climate of Washington is much
more equable than that of other states
situated in corresponding latitudes. The
daily and seasonal range of temperature
which so greatly affects climate every-
where is not great in this state. The
mean temperature for the month of
January, which is usually the coldest
month in the year, is 35.2 degrees. This
is the average of the mean January
temperature for ten years, taken at
stations well distributed throughout the
entire state. A similar average for
July, usually the hottest month, gives
64.6 degrees. These averages cannot be
far from the true or normal tempera-
ture for January and July. The differ-
ence between these is 29.4 degrees, the
seasonal range. A comparison of the
difference between the winter and sum-
mer temperature in Idaho, Montana,
North Dakota, Wisconsin or Michigan,
all of which lie in the same latitude as
Washington, with the seasonal change
in this state will show that it is com-
paratively low. To this fact may be
attributed the entire absence of sudden
changes or violent disturbances of the
atmosphere within the state. The av-
erage of these two extremes, the tem-
perature of January and July, gives a
little less than 50 degrees for the mean
annual temperature of the state. This
is, however, about one degree above the
true or normal temperature.

LAW REGULATING THE PRACTICE OF MEDICINE IN THE STATE OF WASHINGTON.

In effect March 18, 1909.

An Act for the regulation of the practice of medicine and surgery, osteopathy, and other systems or modes of treating the sick or afflicted, in the State of Washington, and for the appointment of a board of medical examiners, in the matter of said regulation, and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Section 1. The Governor shall appoint a board of medical examiners to be known as the board of Medical Examiners of the State of Washington, consisting of nine members, who shall be appointed as follows: Five members from the regular profession, two from the homeopathic profession, and two from the osteopathic profession. The osteopathic members shall be graduates only of a regular osteopathic college. The appointment of each member shall be for a term of three years, and until his successor is appointed and qualified: Provided, That no member shall serve more than two consecutive terms. It shall require the affirmative vote of a majority of the members of said board to carry any motion or resolution, to adopt any rule, to pass any measure, or to authorize the issuance of any certificate as in this act provided.

Sec. 2. Each member of said board shall, before entering upon the duties of his office, take the constitutional oath of office, and shall, in addition, make oath that he is a graduate in medicine and surgery or osteopathy, and a licensed practitioner of medicine and surgery, or of osteopathy, of this state: Providing, That the osteopathic members of the board first appointed under this act shall not have been licensed by any previous examining board of this state. The president and secretary shall be empowered to administer the oath of office.

Sec. 3. Said board shall be organized on or before the second Tuesday of June, 1909, by electing from its members a president, vice-president, secretary and treasurer, who shall hold their respective positions during the pleasure of said board. Said [board] shall hold its regular meetings on the first Tuesday of January and July of each year, alternating between the eastern and western part of the State of Washington. Special meetings of the board may be held at such time and place as the board may designate.

Sec. 4. Any person who treats the sick or afflicted may register his or her diploma with the Board of Medical Examiners, and receive a license to practice his

or her respective mode of treatment, by paying a fee of ten dollars, which fee shall go towards defraying the expenses of said board: Provided, That he or she show evidence satisfactory to said board that he or she has been legally engaged in such practice prior to the passage of this act, in the State of Washington, and is a graduate of a legally incorporated school or college teaching the system or mode of treatment which the applicant intends or claims to follow, wherein the course comprises actual attendance and completion of two years of ten months each, or four terms of five months each, and the curriculum of study includes instruction in the following branches, to-wit: Anatomy, physiology, chemistry and toxicology, bacteriology, gynecology and obstetrics, histology, hygiene, pathology and general diagnosis; or by having been in continuous practice in one locality in this state for the past two years; and all such persons shall be granted thirty days after the organization of said board to make such application and furnish such evidence, after which time all persons desiring to treat the sick shall first take the examination as provided by this law.

It shall be the duty of every holder of a license from the State Board of Medical Examiners to exhibit his or her license to any resident of this state who may request to see the same, and any person refusing or failing so to do, or who shall exhibit any such license as his or her own, in response to such request, when such license has not been issued to him or her, shall be guilty of a misdemeanor.

Sec. 5. Said board may from time to time adopt such rules as may be necessary to enable it to carry into effect the provisions of this act.

Sec. 6. Three forms of certificates shall be issued by said board under the seal thereof, and signed by the president and secretary: First, a certificate authorizing the holder thereof to practice medicine and surgery; second, a certificate authorizing the holder thereof to practice osteopathy; third, a certificate authorizing the holder thereof to practice any other system or mode of treating the sick or afflicted not referred to in this section.

In order to procure a certificate to practice medicine and surgery, the applicant for such certificate must file with said board at least two weeks prior to a regular meeting thereof, satisfactory testimonials of good moral character, and a diploma issued by some legally chartered medical school, the requirements of which shall have been at the time of granting such diploma in no particular less than those prescribed by the Association of American Medical Colleges for that year, or satisfactory evidence of having possessed such diploma, and he must file with such diploma an application sworn to before some person authorized to administer oaths, and attested by the hand and seal of such officer, if he have a seal, stating that he is the person named in said diploma, that he is the lawful holder thereof, and that the same was procured in the regular course of instruction and examination, without fraud or misrepresentation. The said application shall be made upon a blank furnished by said board, and it shall contain such information concerning the medical instruction and the preliminary education of the applicant as said board may by rule provide. Applicants who have failed to meet the requirements must be rejected. Applicants for a certificate to practice osteopathy shall be subject to the above regulation, except that in place of a diploma hereinbefore referred to, they shall be required to file a diploma from a legally chartered college of osteopathy, having a course of instruction of at least twenty months, requiring actual attendance, and after 1909, of three years of nine months each, and including the studies examined upon under this act. Applicants for a certificate to practice any other system or mode of treatment not in this act referred to shall be subject to the above regulations, except that in the place of the diplomas hereinbefore referred to, they shall be required to file a diploma from a legally chartered college of the system or mode of treatment which the applicant claims or intends to follow.

In addition to the requirements above set forth, such applicants for a certificate must be personally examined by said board as to their qualifications. The examination shall be conducted in the English language, shall be practical in character and designed to discover the applicant's fitness to practice his profession, and shall be, in whole or in part, in writing on the following fundamental subjects, to-wit: Anatomy, histology, gynecology, pathology, bacteriology, chemistry and toxicology, physiology, obstetrics, general diagnosis and hygiene. Examinations in each subject shall consist of not less than ten questions, none of which shall relate to treatment, answers to which shall be marked upon a scale of zero to ten. But all applicants must obtain not less than sixty per cent. in any one subject: Provided, That applicants who can show at least ten years of reputable practice shall be granted a credit of five per cent. upon the general average, and five per cent. additional for each subsequent ten years of such practice.

The examination papers shall form a part of the records of the board and shall be kept on file by the secretary for a period of one year after each examination. In said examination the applicant shall be known and designated by number only, and the name attached to the number shall be kept secret until after the board has finally voted upon the application.

Sec. 7. Each applicant on making application shall pay the secretary of the board a fee of twenty-five dollars (\$25.00), which shall be paid to the treasurer of the board by said secretary and used to defray the expenses and compensation of said board. In case the applicant's credentials are insufficient, or in case he does not desire to take the examination, the sum of fifteen dollars (\$15.00) will be returned on application.

Sec. 8. Said board shall keep an official record of all its proceedings, a part of which record shall consist of a register of all applicants for certificates under this act, with the result of each application. Said record shall be evidence of all the proceedings of said board which are set forth therein.

Sec. 9. Every person holding a certificate authorizing him to practice medicine and surgery or osteopathy or any other system or mode of treating the sick or afflicted, in this state, must have it recorded in the office of the county clerk of the

OF NORTH AMERICA (1910)

Washington 1905

county in which the holder of said certificate is practicing his profession, and the fact of such recording shall be endorsed on the certificate by the county clerk recording the same. Every such person, on each change of his residence, must have the certificate recorded in the county to which he shall have changed his residence. The absence of such record shall be prima facie evidence of the want of possession of such certificate. And any person holding a certificate to practice medicine and surgery or osteopathy, or any other system or mode of treating the sick or afflicted, in this state, or to attempt to practice medicine or surgery or osteopathy, or any other system or mode of treating the sick or afflicted, in this state, without first having filed his certificate with the county clerk as herein provided shall be deemed guilty of a misdemeanor.

Sec. 10. The county clerk shall keep in a book provided for the purpose, a complete list of the certificates recorded by him, with the date of the record; and said book shall be open to public inspection during his office hours.

Sec. 11. Said board must refuse a certificate to any applicant guilty of unprofessional conduct; but before such refusal the applicant must be cited by citation, signed by the secretary of the board, and sealed with its seal. No such citation shall be issued except upon a sworn complaint filed with the secretary of the board, charging the applicant with having been guilty of unprofessional conduct, and setting forth the particular act constituting such unprofessional conduct. On filing of such complaint the secretary must forthwith issue a citation and make the same returnable at the next regular session of said board, occurring at least thirty days next after filing the complaint. Such citation shall notify the applicant of the time and place when and where the matter of said unprofessional conduct shall be heard, the particular unprofessional conduct with which the applicant is charged, and that the applicant shall file his written answer, under oath, within twenty days next after service upon him of said citation, or default will be taken against him, and his application for a certificate refused. The attendance of witnesses at such hearing shall be compelled by subpoenas issued by the secretary of the board under its seal; and said secretary shall in no case refuse to issue any such subpoena, upon a fee of twenty cents being paid him for each subpoena. Said citation and said subpoenas shall be served in accordance with the statutes of this state then in force as to the service of citations and subpoenas generally and all provisions of the statutes of this state then in force relating to subpoenas are hereby made applicable to the subpoenas provided for therein. If any person refuses to obey a subpoena served upon him in accordance with the statutes of this state then in force providing for the manner of serving subpoenas, the fact of such refusal shall be certified by the secretary of said board, under the seal thereof, to the superior court of the county in which the service was had and the said court shall thereupon proceed to hear said matter in accordance with the statutes of this state then in force as to contempt for disobedience of process of the court, and should said court find that the subpoena had been legally served and that the party so served has wilfully disobeyed the same, it shall proceed to impose such penalty as provided in cases of contempt of court. In all cases of alleged unprofessional conduct arising under this act, testimonies of witnesses may be taken, the same as in civil cases, and all the provisions of the statutes of this state then in force as to the taking of testimony are hereby made applicable to the taking of depositions under this act. If the applicant shall fail to file with the secretary of said board his answer, under oath, to the charges made against him, within twenty days after service on him of said citation or within such further time as the board may give him, and the charges on their face be deemed sufficient by the board, default shall be entered against him and his application refused. If the charges on their face be deemed sufficient by the board, and issue be joined thereon by answer, the board shall proceed to determine the matter, and to that end, shall hear such evidence as may be adduced before it; and if it appear to the satisfaction of the board that the applicant is guilty as charged, no certificate shall be issued to him. No certificate shall be refused on the grounds of unprofessional conduct unless the applicant has been guilty of such conduct within two years next preceding his application. Whenever any holder of a certificate herein provided for is guilty of unprofessional conduct, as the same is defined in this act, and said unprofessional conduct has been brought to the attention of the board granting said certificates, in the manner hereinafter pointed out, or whenever a certificate has been procured by must, revoke the same at once, and the holder of said certificate shall not be permitted to practice medicine and surgery, or osteopathy, or any other system or mode of treating the sick or afflicted in this state. But no such revocation shall be made unless such holder is cited to appear and the same proceedings are had as is hereinbefore provided in this section in case of refusal to issue certificates. Said secretary in all cases of revocation shall enter on his register the fact of such revocation and shall certify the fact of such revocation under the seal of the board, to the county clerk of the counties in which the certificate of the person whose certificate has been revoked is recorded; and said clerk must thereupon write upon the margin or across the face of his register of certificate of such person, the following: "This certificate was revoked on the day of, giving the day, month and year of revocation in accordance with certification to him by secretary. The record of such revocation so made by said county clerk shall be prima facie evidence of the fact thereof, and of said regularity of all the proceedings of said board in the matter of said revocation. From the time of the revocation of a certificate the holder thereof shall be disqualified from practicing medicine or surgery, osteopathy, or any other system or mode of treating the sick or afflicted, in this state.

The words "unprofessional conduct," as used in this act, are hereby declared to mean:

- First. The procuring, or aiding or abetting in procuring a criminal abortion.
- Second. The wilfully betraying of a professional secret.
- Third. All advertising of medical business which is intended or has a tendency

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

1906 *Washington* (1910) POLK'S MEDICAL REGISTER *Washington*

to deceive the public or impose upon credulous or ignorant persons, and so be harmful or injurious to public morals or safety.

Fourth. All advertising of any medicine or of any means whereby the monthly periods of women can be regulated or the menses re-established if suppressed.

Fifth. Conviction of any offense involving moral turpitude, in which case the record of such conviction shall be conclusive evidence.

Sixth. Habitual intemperance.

Seventh. The personation of another licensed practitioner of a like or different name.

Sec. 12. In any case of the refusal or revocation of a license by said board under the provisions of this act, said board shall file a brief and concise statement of the grounds and reasons for such refusal or revocation in the office of the secretary of said board, which said statement, together with the decision of said board, in writing, shall remain of record in said office.

Sec. 13. In any case of the refusal or revocation of a license by said board under the provisions of this act, the applicant whose application shall be so refused, and the licentiate whose license shall be so revoked by said board, shall have the right to appeal from the decision so refusing or revoking such license within thirty days after the filing of such decision in the office of the secretary of said board, as hereinbefore in this act provided. Such appeal shall be to the superior court in and for the county in which was held the last general meeting of said board, prior to the refusal of such license, in the case of such refusal; and to the superior court in and for the county in which the hearing was had upon which such license was revoked, in case of such revocation. In any case a person desiring to take such appeal shall serve or cause to be served upon the secretary of said board, a written notice of such appeal, which shall contain a statement of the grounds of such appeal, and shall file in the office of such secretary an appeal bond, with good and sufficient surety, to be approved by said secretary, to the State of Washington, conditioned for the speedy prosecution of such appeal, and the payment of such cost as may be adjudged against him upon such appeal. Said secretary shall within ten (10) days after the service of said notice of appeal, and the filing and approval of said appeal bond, transmit to the clerk of the superior court to which such appeal is taken, a certified copy, under the seal of said board, of the decision of said board, and the grounds thereof in the case of the refusal of the license; and in addition thereto, a certified copy under such seal of the complaint in the case of the revocation of a license, together with the bond and notice of appeal. The clerk of such court shall thereupon docket such appeal causes, and they shall stand for trial in all respects as ordinary civil actions, and like proceedings be had thereon. Upon such appeal said cause shall be tried de novo. Either party may appeal from the judgment of said superior court to the supreme court of the state in like manner as in civil actions within sixty (60) days after the rendition and entry of such judgment in said superior court. If such judgment shall be in favor of the party appealing from the decision of said board, and in case said examining board does not appeal from said judgment within said sixty (60) days, then, and in that case, said board shall, at the end of said sixty (60) days, and immediately upon the expiration thereof, issue to such successful party the usual license to practice medicine and surgery in this state, and in addition thereto, shall reinstate upon the records of said board the name of such successful applicant, in case of the revocation of his license by such board. In case of such appeal to the supreme court by said board, no such license shall be issued nor reinstatement be required until the final determination of said cause, and as hereinafter provided. In case the final decision of the supreme court be against said medical examining board, then, and in that case, said court shall make such order in the premises as may be necessary, and said board shall act accordingly: Provided, That in no case shall an appeal bond be required of said board, nor shall any costs be adjudged or taxed against the same.

Sec. 14. Any person who shall practice or attempt to practice, or hold himself out as practicing medicine and surgery, osteopathy, or any other system or mode of treating the sick or afflicted in this state, without having, at the time of so doing, a valid, unrevoked certificate as provided in this act, shall be guilty of a misdemeanor. In each such conviction the fine shall be paid, when collected, to the State Treasurer, and shall constitute a special fund for the prosecution of illegal practitioners as defined in this act, the said fund to be paid to the said board upon warrants drawn therefor by its secretary, and the said board is authorized to prosecute all persons guilty of a violation of the provisions of this act.

Sec. 15. Every person filing for record, or attempting to file for record, the certificate issued to another, falsely claiming himself to be the person named in such certificate, or falsely claiming himself to be the person entitled to the same, shall be guilty of a felony, and, upon conviction thereof, shall be subject to such penalties as are provided by the laws of this state for the crime of forgery.

Sec. 16. Any person assuming to act as a member of the State Board of Medical Examiners without so being, or who shall sign, or subscribe, or issue, or cause to be issued, or seal, or cause to be sealed, a certificate authorizing any person to practice medicine or surgery, or osteopathy, or any other system or mode of treating the sick or afflicted, in this state, shall be guilty of a misdemeanor.

Sec. 17. Any person who holds a license from the board of medical examiners heretofore existing, under the provisions of any laws of this state, past or present, shall be entitled to practice medicine and surgery in this state the same as if issued under this act: Provided, however, That all licenses herein mentioned may be revoked for unprofessional conduct, in the same manner and upon the same grounds as if issued under this act.

Sec. 18. All persons granted licenses or certificates under this act, shall be subject to the state and municipal regulations relating to the control of contagious

GRADUATION PARTICULARS are verified by the OFFICIAL RECORDS of the Colleges in POLK'S MEDICAL REGISTER AND DIRECTORY.

Washington

OF NORTH AMERICA (1910)

Washington 1907

diseases, the reporting and certifying to births and deaths, and all matters pertaining to public health; and all such reports shall be accepted as legal.

Sec. 19. Nothing in this act shall be construed as to inhibit service in the case of emergency, or to the domestic administration of family remedies; nor shall this act apply to any commissioned medical officer in the United States army, navy, or marine hospital service, in the discharge of his official duties; nor to any licensed dentist when engaged exclusively in the practice of dentistry; nor shall this act apply to any practitioner from any other state or territory in which he resides: Provided, That such practitioner shall not open an office or appoint a place of meeting patients or receive calls within the limits of this state. Nor shall this act be construed to discriminate against any particular school of medicine or surgery or osteopathy, or any system or mode of treating the sick or afflicted, or to interfere in any way with the practice of religion: Provided, That nothing herein shall be held to apply or to regulate any kind of treatment by prayer.

Sec. 20. All persons receiving a certificate or license under this act shall use no deception in the use of titles of his or her mode of treating the sick, but shall use only such titles as are designated by his or her diploma; or those not having a diploma shall use only such title as he or she holds license to practice. Any person violating this section of this act shall be guilty of a misdemeanor.

Sec. 21. The words "certificates" and "licenses" shall be known as interchangeable terms in this act.

Sec. 22. All acts, or parts of acts, in any wise conflicting with the provisions of this act are hereby repealed.

Sec. 23. An emergency exists and this act shall take effect immediately.

Passed by the House February 19, 1909.

Passed by the Senate March 8, 1909.

Approved March 18, 1909.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

WEST VIRGINIA.

CAPITAL, CHARLESTON.

Population of State, 1,076,406.

(U. S. Census Bureau, 1906.)

Number of Physicians, 1,679.

West Virginia was set off from Virginia December 31, 1862, and admitted as a state June 19, 1863. It has, ac-

cording to the United States census of 1900, a population of 958,800, as against 762,794 in 1890, representing an increase during the decade of 196,006, or 25.7 per cent. This rate of increase compares favorably with that for the decade immediately preceding, which was 23.3, but both are considerably less than that for the ten years from 1870 to 1880,

MEDICAL COLLEGES BOTH EXISTING AND EXTINCT IN NORTH AMERICA IN *Polk's Medical Register and Directory*

1922 *West Virginia* (1910) POLK'S MEDICAL REGISTER *West Virginia*

which was 39.9 per cent. The first census of West Virginia was taken in 1870, seven years after it was organized as a separate state, and the population at that time was 442,014. Since then it has increased by satisfactory percentages, and is at present more than twice as large as it was in 1870. The total land surface is, approximately, 24,645 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 31.0; 1900, 38.9. It extends from 37 degrees 6 minutes to 39 degrees 37 minutes north latitude, and from 77 degrees 43 minutes to 82 degrees 33 minutes west longitude, and is bounded on the north by Pennsylvania and Maryland, on the south and east by Virginia, and on the west by Kentucky and Ohio. The climate is mild and healthful, the mean annual temperature being 54.27 degrees; that of the summer 71.40 degrees, and of the winter 36.66 degrees. The average annual rainfall is about 43 inches. The state is elevated throughout and mostly mountainous. The whole eastern portion is traversed by parallel ridges of the Allegheny Mountains. The western part of the state is a rolling table-land gently sloping down from 2,500 feet in the east to 900 feet on the banks of the Ohio river. The two principal rivers of the state are the Ohio and Potomac. Both flow along its borders and drain the state with numerous affluents. The principal of these are the Big Sandy, Guyandot, Elk, Monongahela, Kanawha, Cheat, Little and Great Cacapon, Shenandoah, etc.

For list of Medical Colleges, see page 152.

MEDICAL LAW OF WEST VIRGINIA.

The following provisions from the act regulating state and local boards of health, etc., set forth the law as it now is with regard to admission to the profession of medicine in West Virginia:

Sec. 4386. Physicians and Surgeons—Who May Practice Medicine—Examinations by State Board of Health—Certificates.

9. The following persons and no others shall hereafter be permitted to practice medicine in this state:

1st. All such persons as shall be legally entitled to practice medicine in this state at the time of the passage of this act.

2nd. All such persons as shall be graduates of a reputable medical college, recognized as such by the state board of health, who shall pass an examination before said state board of health and shall receive certificates therefrom, as hereinafter provided; Provided, also, that the state board of health, or a majority of them, may accept in lieu of an examination, the certificate of license to practice medicine legally granted by the board of registration or examination or licensing board of any other state, territory, or any foreign country whose standard of qualification for the practice of medicine is equivalent to that of this state, and grant to the said applicant a certificate of license to practice medicine in this state; Provided, such states, territories, or foreign countries accord like privilege to medical licentiates of this state. The state board of health shall, at such times as a majority of them may deem proper, hold examinations for the licensing of practitioners of medicine. Such examinations shall not be less in number than three during each year, and shall be held at such points in the state as shall be most convenient to those presenting themselves for examination, or to the state board of health. At such examinations, written and oral questions shall be submitted to the applicants for license, covering all the essential branches of the sciences of medicine and surgery, and the examination shall be a thorough and decisive test of the knowledge and ability of the applicants. The president and secretary of the state board of health shall issue certificates to all who successfully pass the said examination, and to all those whose certificates said board of health or a majority of them shall accept in lieu of an examination as hereinbefore provided, except that in the certificate issued to applicants who adhere to the osteopathic school it shall appear that it is for the practice of osteopathy, and such certificates, after being duly recorded as hereinafter provided, shall be deemed licenses to practice medicine, surgery and osteopathy in all their branches in this state. The state board of health shall give timely notice of the time and place of holding each such examination, by publishing such notice in at least three newspapers of general circulation in this state, and all such persons wishing to present themselves for examination shall notify the secretary and comply with the rules of the state board of health. No applicant for license to practice medicine in this state shall be rejected because of his or her adherence to any particular school or theory of medicine. The state board of health shall call to their assistance, in the examination of any applicant who professes the homeopathic, or osteopathic, or eclectic school of medicine, a homeopathic, osteopathic, or

eclectic physician entitled to practice medicine in this state under this act, and such homeopathic, osteopathic, or eclectic physician so called to the assistance of the state board of health shall be allowed the per diem and actual expenses incurred hereinafter allowed to regular members of the state board of health; Provided, however, that the provisions of this and the preceding section shall not apply to physicians living in other states and duly qualified to practice medicine therein, who shall be called into consultation into this state by a physician legally entitled to practice medicine in this state under this chapter, and provided further that the provisions of this chapter shall not apply to females practicing midwifery, or to commissioned officers of the United States army and navy and marine hospital service when in the actual discharge of their duties as such commissioned officers; Provided, further, that this act shall not apply to osteopathic physicians practicing in the state at the time this act takes effect who are graduates of any recognized reputable school of osteopathy.

Sec. 4387. Same—Certificates—Recording—Refusal or Revocation.

10. Every person holding any such certificate, as is hereinbefore provided for, shall have the same recorded in the office of the secretary of the state board of health, in a book to be kept by him for that purpose, and the secretary shall endorse on said certificate the fact of such recordation and deliver the same to the person named therein or to his order. The state board of health may refuse certificates to individuals guilty of malpractice or dishonorable conduct, and they may revoke certificates for like causes. Such revocation being after due notice and trial by the board of health, with right of appeal to the circuit court of the county in which such individual resides; but no such refusal or revocation shall be had or made by reason of the individual belonging to or practicing in any particular school or system of medicine.

Sec. 4388. Same—Examinations—Fees—Re-examination.

11. Every person, on presenting himself for examination as hereinbefore provided, shall pay to the state board of health, or to the members thereof by whom he is examined, a fee of ten dollars, which shall not be returned if a certificate be refused him. But he may again at any time within one year after such refusal present himself for examination as aforesaid, without the payment of an additional fee, and if a certificate be again refused him he may as often as he sees fit thereafter, on the payment of a fee of ten dollars, be examined as herein provided, until he obtains such certificate. All other persons who shall be granted a license to practice medicine in this state under the provisions of section nine of this chapter shall each pay a fee of twenty-five dollars to the state board of health.

Section twelve of chapter one hundred and fifty of the Code of nineteen hundred and six is hereby repealed.

Sec. 4390. Same—Persons to Whom Provisions of Chapter Applicable.

13. Any person shall be regarded as practicing medicine, within the meaning of this chapter, who shall profess publicly to be a physician, and to prescribe for the sick or who shall append to his name the letters "M. D." This act shall also apply to apothecaries and pharmacists who prescribe for the sick. This act shall not apply to commissioned officers of the United States army and navy and marine hospital service.

Sec. 4391. Same—Itinerant Physicians—Vendors of Drugs, Etc.—License Tax.

14. Any itinerant physician desiring to practice medicine in this State, or any itinerant vendor of any drug, nostrum, ointment, or appliance of any kind, intended for the treatment of disease or injuries; or who shall by writing or printing, or in any other method, publicly profess to cure or treat diseases, injuries or deformities, by any drug, nostrum, manipulation, or other expedient, shall before doing so, pay to the sheriff of every county in which he desires to practice, a special tax of fifty dollars for each month or fraction of a month he shall so practice in such county, and take his receipt in duplicate therefor. He shall present said receipt to the clerk of the county court of such county, who shall file and preserve one of them in his office, and shall endorse on the other the words, "A duplicate of this receipt has been filed in my office," and sign the same; and if any such physician or vendor of patent medicines shall practice or attempt to practice in any such county without having paid such tax and filed such receipt with the clerk of the county court, and obtained his endorsement on the other as aforesaid, or if he shall practice or attempt to practice for a longer time than that for which he has paid such tax as aforesaid, he shall be guilty of a misdemeanor, and shall be fined not less than one hundred nor more than five hundred dollars. Any person who shall travel from place to place, and by writing, printing or otherwise, publicly profess to cure or treat diseases, injuries or deformities, shall be held and deemed to be an itinerant physician and subject to the taxes, fines and penalties prescribed in this section.

Sec. 4392. Same—Penalties.

15. If any person shall practice, or attempt to practice medicine, surgery or obstetrics in this State, without having complied with the provisions of section nine of this chapter, except as herein provided, he shall be guilty of a misdemeanor and fined for every such offense, not less than fifty nor more than five hundred dollars, or imprisoned in the county jail not less than one month nor more than twelve months, or be punished by both such fine and imprisonment, at the discretion of the court. And if any person shall file or attempt to file, as his own, the diploma or certificate of another, or shall file or attempt to file a false or forged affidavit of his identity, or shall wilfully swear falsely to any question which may be propounded to him on examination, as herein provided for, or to any affidavit herein required to be made or filed by him, he shall, upon conviction thereof, be confined in the penitentiary not less than one nor more than three years, or imprisoned in the county jail not less than six nor more than twelve months, and fined not less than one hundred or more than five hundred dollars, at the discretion of the court.

S. M. MASON, M. D.

The KESSLER HOSPITAL

CLARKSBURG, W. VA.

Bell Phone 66 Home Phone 119.

A progressive, modern hospital, established in 1899, in one of the most active and progressive states. Conveniently located near the Hub or centre of West Virginia, easy to reach by all railroads. It is charmingly situated; lovely climate and scenery; well kept lawn, shade trees, porches and verandas. A modern building on a spacious site; cheerful and homelike in its surroundings. Every new and scientific appliance is included in its equipment, including electrical, X-ray and Hot Air apparatus. It is a general hospital with special departments for typhoid fever, surgery, obstetrics, women's diseases, nervous diseases and alcoholic cases both acute and chronic.

AMBULANCE SERVICE.

Entire building just been renovated throughout and new operating room added.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Wisconsin

(1910) POLK'S MEDICAL REGISTER

Wisconsin

WISCONSIN.

CAPITAL, MADISON.

Population of State, 2,260,930.

(U. S. Census Bureau, 1906.)

Number of Physicians, 2,588.

In 1836 the Territory of Wisconsin came into existence, and in 1848 she became a sovereign state, with Nelson Dewey as Governor. The capital was first at Belmont, then at Burlington, and in 1838 was removed to Madison.

The total land surface is, approximately, 54,450 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 31.0; 1900, 38.0. It extends from 42 degrees 31 minutes to 46 degrees 58 minutes north latitude, and from 87 degrees to 92 degrees 53 minutes west longitude, and is bounded on the north by Lake Superior, on the northeast by the northern peninsula of Michigan, on the east by Green Bay and Lake Michigan, on the south by Illinois, and on the west by Iowa and Minnesota. The climate is cool and pleasant, the mean annual temperature being 45.40 degrees, that of the summer 69.11 degrees, and of the winter 20.84 degrees. The average annual rainfall is about 31 inches. The surface is comparatively level. The Penokee range, about thirty miles south of Lake Superior, is the highest elevation. A slight ridge borders Lake Michigan for 30 miles inland. The state has exatation. Its coast line on Lake Superior is 120 miles, on Lake Michigan 200 miles, and on the Mississippi river 400 miles. The affluents of Lake Superior, owing to the structure of the country, are short and have much fall. They are the Montreal, Bad, Burnt Wood and St. Louis. The Peshigo, Menomonee, Pensaukee, Oconto, Fox and Wolf run into Green Bay. The Mississippi receives the Chippewa, St. Croix, Wisconsin, Black, Rock, Buffalo and Trempeleau. Other important streams are the Sheboygan, Manitowoc, Milwaukee and Kewaunee, flowing into Lake Michigan. The whole state is dotted with picturesque inland lakes. The northern and central portions of the state have extensive forests of pine, basswood, hickory, maple, elm, ash, black walnut, butternut, oak, birch, poplar, hemlock and cedar. The southern portion is an extensive prairie with very little native timber, except along the banks of the streams. Lead, iron, copper, zinc, salt, alum and building materials constitute the principal mineral resources. The state ranks third in the production of sandstone, fourth in zinc and fifth in iron. Agriculture is the chief industry, the staple crops being corn, oats, wheat, rye, barley, hay, buckwheat, hops, flax, hemp, pulse, sorghum and tobacco. Dairying and live stock raising are important. The manufactures are extensive and rapidly increasing, the state being well known for its output of lumber, woodenware, beer, brick, boots and shoes, leather, harness, etc. Age, wealth and population considered, the state is unexcelled in the matter of pub-

lic institutions. Its educational, as also its penal and charitable institutions, have been liberally established and intelligently supported, every effort having been put forth to raise to the highest degree the character and efficiency of them all.

This state, like others, has been aided in no small measure in the establishment of educational institutions by the far-sighted bounty of Congress. Liberal grants of public lands have greatly stimulated the ambition and furthered the efforts of the people of this state to provide amply for the advanced as well as the elementary education of their children. An elaborate and well organized system of common schools, high schools and normal schools, lead up to the state university, which now takes rank with the leading universities of the country. There are over 6,000 public common schools and 150 high schools employing over 12,000 teachers. These schools are supported ceptional facilities for water transportation by income of the "trust funds," so-called, and partly by the levy of a fixed general tax, provided by law. All fines and penalties collected under any penal statute are also payable to the trust fund.

It is an old and wealthy state; it has over 34,000,000 acres of land surface and over 1,000,000 acres of lakes. It has 20,000,000 acres in farms of the most productive character; it has 7,000 miles of railroads which traverse every county in the state, and under its law corporations pay approximately \$1,500,000 a year into the state treasury, thus lessening taxation upon the industrial classes. Its state government costs less per capita of population and less per \$1,000 of assessed valuation than any other state in the Union. Its agricultural products are worth over \$200,000,000, and its manufactured products nearly \$300,000,000 a year. Its iron, copper and lead mines are enormous, and a source of constantly increasing wealth. Its agriculture, manufacturing, mining and its vast lumbering regions furnish employment to hundreds of thousands of workmen and make the best of home markets for all products.

For list of Medical Colleges, see page 152.

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book "Advice to Stammerers" and reference sent on request. Address **The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS**, 1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

WISCONSIN MEDICAL LAW.

AN ACT relating to the State Board of Medical Examiners, and to the registration and licensing of persons engaged in the practice of medicine, surgery, or osteopathy in the State of Wisconsin.

The people of the State of Wisconsin, represented in senate and assembly, do enact as follows:

Section 1. The governor shall appoint a board of medical examiners to be known as the Wisconsin State Board of Medical Examiners, consisting of eight (8) members. Such appointments shall be made from separate lists presented to him every second year, one list of ten (10) names presented by the Wisconsin State Medical Society, one list of ten (10) names presented by the Homeopathic Medical Society of the State of Wisconsin, one list of ten (10) names presented by the Wisconsin State Eclectic Medical Society, and one list of five (5) names presented by the Wisconsin State Osteopathic Association. In case any of said societies or associations fail to present such list of names, the governor may fill vacancies in the board by appointment from the last list filed by such association or society previous to the occurrence of such vacancy. The appointment of each member of said board shall be for the term of four (4) years and until his successor is appointed and qualified; the proportion of the different schools of medicine, as herein provided, shall be preserved. No instructor, stockholder, member of, or person financially interested in any school, college or university having a medical department, or of any school of osteopathy, shall be appointed a member of said board. Three members of said board shall be allopathic, two shall be homeopathic, two eclectic and one osteopathic, and all shall be licentiates of said board, and no member shall serve for more than two consecutive terms, provided nothing contained in this act shall be construed as terminating or in any manner interfering with the term of any member of the present state board of medical examiners, but each of said members shall serve out his present term as a member of said board.

Section 2. Said board shall annually, at its July meeting, elect from its members a president, secretary and treasurer, and shall have a common seal. The president and secretary may administer oaths for the accomplishment of the objects of the board. Said board shall hold regular meetings on the second Tuesday in each January at Milwaukee and the second Tuesday of each July at Madison, and such other meetings at such other times and places as it may from time to time determine. The board shall keep a record of all its proceedings and also a register of all applicants for license, together with a record showing their ages, time spent in the study of medicine and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine, surgery or osteopathy. Said register shall also show whether such applicant was rejected or licensed, and said books and register shall be prima facie evidence of all the matters required to be kept therein.

Section 3. All persons commencing the practice of medicine, surgery or osteopathy in any of their branches in this state shall apply to said board at the time and place designated by said board, or at any regular meeting thereof, for license so to practice, and shall present to said board a diploma from a reputable college of medicine and surgery or osteopathy. A college to be deemed reputable by this board shall require at least four courses of not less than seven months each before graduation, no two of such courses to be taken within any one twelve months, and that shall require for admission thereto a preliminary education equivalent to that necessary for entrance to the junior class of an accredited high school in this state, including a one year's course in Latin, and that shall after the year 1906 require for admission to such school a preliminary education equivalent to graduation from an accredited high school of this state, and shall submit to an examination in the various branches in medicine and surgery usually taught in reputable medical colleges, or if the applicant be an osteopath he or she shall present a diploma from a regularly conducted college of osteopathy maintaining a standard in all respects equal to that hereby imposed on medical colleges as to preliminary education, said college after 1904 to give three courses of eight months each, no

two courses to be given in any one twelve months, and after the year 1909 such college shall give four courses of seven months each, as hereinbefore provided for medical colleges, and shall pass the regular examination of such board in anatomy, histology, physiology, obstetrics, gynaecology, pathology, urinalysis, chemistry, toxicology, dietetics, physical and general diagnosis, hygiene, and theory and practice of osteopathy. The examination in Materia Medica, therapeutics and practice shall be conducted by members of the board representing the school of practice, which the applicant claims or intends to follow. After examination, as hereinbefore provided, the board shall, if it find the applicant qualified, grant a license to said applicant to practice medicine and surgery in all their branches in this state, or a license to practice osteopathy therein, which license can only be granted by the consent of not less than six members of said board, and which, after the payment of fees as hereinafter provided, shall be signed by the president and secretary thereof, and attested by the seal of the board. Osteopaths, when so licensed, shall have the same rights and privileges and be subject to the same laws and regulations as practitioners of medicine and surgery, but shall not have the right to give or prescribe drugs or to perform surgical operations. The fee for examination shall be fixed by the board, but shall not exceed \$15.00 in each case, with \$5.00 additional for the license if issued. Such fee or fees shall be paid by the applicant to the treasurer of the board and may be applied toward defraying any proper and reasonable expenses of the board; provided, however, that any student who is exempted as a matriculant of any medical college of this state under chapter 306 of the laws of 1901, whose name is now on file with the Wisconsin State Board of Medical Examiners, shall, on the presentation of a diploma from any Wisconsin college, and on the payment of the fees specified in this act, and having satisfied said board that he or she is a person of good moral character, be licensed to practice without further examination by such board, provided that said college maintains its standard herein required. Every person practicing medicine or surgery in the State of Wisconsin, who, at the time of the passage and publication of this act, has not received a license from said board, and who shall after such passage and publication present a diploma from a reputable medical college and give satisfactory evidence of having been a reputable practitioner of medicine and surgery in the State of Wisconsin continuously since the first day of July, 1897, shall be granted a license without examination upon the payment of a fee not exceeding \$5.00, as determined by said board. Any person applying for such license shall, if he or she be possessed of a certificate of registration issued under and according to the provisions of chapter 87 of the laws of 1899 present such certificate to said board with the diploma and application of such license, and surrender said certificate on the issuance of said license, the registration fee paid for same shall be deducted from the last named fee. Any practitioner of medicine or osteopathy holding a certificate from any other state board imposing requirements equal to those established by the board provided for herein, may, on presentation of the same, with a diploma from a reputable medical or osteopathic college, be admitted to practice within this state without an examination, at the discretion of the board, on the payment of the fee fixed by the board, not exceeding the sum of \$25.00.

Section 4. All money received by the board shall be kept by the secretary thereof, who shall also act as treasurer, out of the funds coming into their possession from the fees mentioned in the preceding section; the board may pay all legitimate and necessary expenses incurred by them, their agents or employees in the discharge of the duties of the board, and the members may receive for their services a sum to be determined by the board, not exceeding five dollars for each day actually spent in attending to the business of the board; the secretary shall receive a salary to be fixed by said board, not to exceed one thousand dollars per annum. Such salary, compensation and expenses shall be paid from the fees received by the board, and no part thereof shall be paid out of the state treasury. The secretary shall furnish to the board such bond as they may from time to time direct. It shall be the duty of said board to make a report of their proceedings to the governor at the end of each biennial period, together with an account of all moneys received and disbursed by them, and all moneys in excess of actual expenses shall be paid into the state treasury, the secretary of said board securing a receipt therefor, said moneys there to remain as an emergency fund which may be withdrawn in whole or in part by said board in case of necessity with the consent of the governor. Said biennial period shall begin Dec. 31, 1904. The provisions of this act shall not apply to commissioned surgeons of the United States army, public health and marine hospital service or to physicians or surgeons of other states or counties in actual consultation with resident physicians of this state.

And provided, further, that any practitioner of medicine or surgery holding a license from the state board of medical examiners of any adjoining state, dated since January 1st, 1901, shall on presentation of the same within one year from the taking effect of this act, accompanied by a certificate from the secretary of the state board of medical examiners of the state issuing the license that such applicant is a reputable practitioner of medicine and surgery, be licensed to practice medicine and surgery in this state without an examination, at the discretion of the board, on payment of the fee

Section 5. Every person hereafter practicing medicine, surgery or osteopathy in this state shall be required to have the license herein provided for, or heretofore issued by the Wisconsin State Board of Medical Examiners, or a certificate of registration issued pursuant to the provisions of chapter 87 of the laws of 1899, and any person having or hereafter receiving a license according to the provisions of this act, or having such certificate of registration, shall record the same with the county clerk of any county in which said person shall practice and pay to said clerk or clerks a fee of fifty (50) cents each for receiving the same, and said clerk shall enter a memorandum thereof, giving the date of said license or certificate, the name of the person to whom it was issued, school of practice chosen, and the date of such recording in a book to be provided and kept for that purpose. Any such person who shall fail to record his or her license or registration certificate, as herein provided, shall not

exercise any of the rights or privileges conferred by such license or certificates. And any person beginning such practice without having obtained such license, or having obtained such license contrary to law, or any person who, not having such license or certificate of registration herein referred to, shall advertise or hold himself or herself out to the public as a physician, surgeon, osteopathist or specialist in any of the branches of medicine, surgery or osteopathy, or who shall use the title of "Doctor," or shall append to his or her name the letters "M. D." or "M. B.," meaning doctor or bachelor of medicine, or "D. O.," meaning doctor or diplomat of osteopathy, or any other letters of designation meaning any of the titles enumerated in this section, shall be punished by a fine of not less than \$50.00 nor more than \$100.00 for each offense, or by imprisonment in the county jail for a term not exceeding three months, or by both such fine and imprisonment. Any person practicing medicine, surgery or osteopathy, or without authority assuming the title of "doctor of medicine," "doctor or diplomat of osteopathy," "bachelor of medicine," or "physician," or "surgeon," or "osteopathist," or "osteopath," shall not be exempted from but shall be liable to all the penalties and liabilities for malpractice which physicians, surgeons or osteopathists are liable to, and ignorance on the part of any such person shall not lessen such liability for failing to perform, or for negligently or unskillfully performing or attempting to perform any duty assumed, and which is ordinarily performed by physicians, surgeons or osteopathists. If any person licensed or registered by said board shall be convicted of any crime committed in the course of his professional conduct, the court in which such conviction is had may, in addition to any other punishment imposed pursuant to law, revoke such license or certificate. Said board shall have the power to adopt such rules for its government and may require the filling out of such blanks by applicants as it may deem necessary in order to ascertain the true character and qualifications of an applicant for license, and the board may in its discretion refuse to grant license to any person who does not furnish satisfactory proof of good moral and professional character.

Section 25 (Law of 1907). Every person shall be regarded as practicing medicine, surgery or osteopathy within the meaning of this act, who shall append to his or her name the words or letters "Doctor," "Dr.," "Professor," "Prof.," "Specialist," "M. D.," "M. B.," or "D. O.," or any other title letters, combination of letters or designation which in any way represents him or her, or may tend to represent him or her, as engaged in the practice of medicine, surgery or osteopathy, in any of its branches, or who shall for a fee or for any compensation of any kind or nature whatsoever, prescribe or recommend for like use any drugs or other medical or surgical treatment or osteopathic manipulation, for the cure or relief of any wound, fracture, bodily injury, infirmity or disease, provided, however, that nothing in this act contained shall be construed as applying to any dentist or resident refracting optician engaged in the practice of his profession. (Section 1435f, Statutes of 1898, as amended by Ch. 363, 1907.)

Section 7. It shall be the duty of the board of medical examiners to investigate all complaints in regard to the violation, or disregard of, or non-compliance with, the provisions of this act, and to bring all such cases to the notice of the proper prosecuting officers, and it shall be the duty of the district attorney of the proper county to prosecute all violations of this act.

Section 8. No person practicing medicine, surgery or osteopathy shall have the right to collect, by law, any fees or compensation for the performance of any medical or surgical services, or fees for any service as an osteopathist, or to testify in a professional capacity as a physician, or surgeon, or insanity expert, in any case, unless he or she holds a license from the Wisconsin Board of Medical Examiners, or the certificate of registration hereinbefore referred to, with a diploma from a reputable medical college or society, or a certificate of membership in a medical society, and has been duly recorded as a practitioner in the State of Wisconsin; provided, that nothing in this act contained shall be construed as restricting any court in a criminal action from receiving the testimony of any person as a witness.

Section 9. All acts or parts of acts in any wise conflicting with the provisions of this act are hereby repealed.

Section 10. This act shall take effect and be in force from and after its passage and publication.

Sub. for No. 353. A.

A BILL empowering and requiring the Wisconsin State Board of Medical Examiners to refuse to grant licenses or certificates of registration to persons guilty of immoral, dishonorable or unprofessional conduct, and empowering the courts to revoke and annul any license or certificate issued to any person guilty of immoral, dishonorable or unprofessional conduct, or fraud or perjury in connection with obtaining such license or certificate, or through error.

The People of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

Section 1. It is hereby made the duty of the Wisconsin State Board of Medical Examiners to refuse to license or grant a certificate of registration to any person guilty of immoral, dishonorable, or unprofessional conduct. The circuit courts of this state are hereby vested with jurisdiction and power to revoke and annul any license or certificate of registration which has been heretofore or which may be hereafter issued to any person to practice medicine or surgery, or osteopathy in this state, who is guilty of immoral, dishonorable or unprofessional conduct, or who has procured such license or certificate of registration by fraud or perjury, or where the same was obtained through error. Upon a verified complaint in writing being made by any person, to the district attorney of any county, charging any person holding such license or certificate with having, in said county, been guilty of any immoral, dishonorable or unprofessional conduct, as defined in this act, or with having procured such certificate or license by fraud or perjury, or through error,

said district attorney shall commence and prosecute an action in the circuit court of said county, against the person so complained against, to revoke and annul such license or certificate of such person. Such action shall be commenced and prosecuted as a civil action in the name of the State of Wisconsin as plaintiff, and against such person complained against as defendant, and the rules of pleading, evidence and practice in civil actions in the circuit court shall be applicable thereto, and either party may appeal from the circuit court to the supreme court as in other civil actions. Either party in said action may demand a jury trial, and the defendant shall have the right to be represented by counsel, and the court may permit counsel to assist the district attorney in the prosecution of such action. The costs of such prosecution shall be paid by the county in which said action is brought. If, upon the trial of such action, the court finds, or the jury returns a verdict in favor of the plaintiff, judgment shall be rendered revoking and annulling such license and certificate of the defendant, and the clerk of the circuit court shall forthwith cause a certified copy of such judgment to be sent to the secretary of the Wisconsin State Board of Medical Examiners to be filed for record in the office of said secretary. Any person whose license or certificate has been revoked under the provisions of this act, who shall thereafter practice, or offer or attempt to practice medicine, surgery or osteopathy in this state, shall be punished as provided in Chapter 426 of the Laws of 1903. No person shall be excused or privileged from testifying fully under oath or producing evidence, documentary or otherwise, in any action, proceeding or examination brought under the provisions of this act; but no person shall be prosecuted or subjected to any penalty for or on account of any transaction, matter or thing, concerning which such person may so testify or produce evidence, documentary or otherwise, except for perjury committed in giving such testimony. If the court before which the trial is had shall determine that the complaint made to the district attorney was wilful and malicious and without probable cause, it shall enter judgment against the person making such complaint for the costs of such action, and payment of the same may be enforced by execution against the body of such complainant as in tort actions.

Section 36. Obscene Advertising.—Any person who shall advertise in any manner, either in his own name or under the name of another person, firm or pretended firm, association, corporation, or pretended corporation, in any newspaper, pamphlet, circular or other written or printed paper, the treatment and curing of venereal diseases, the restoration of "lost manhood," or who shall advertise in any manner that he is a specialist in diseases of the sexual organs or diseases caused by sexual weakness, self-abuse or excessive indulgence or in any diseases of a like nature or produced by like causes, or who shall advertise in any manner any medicine, drug, compound or any means whatever whereby sexual and venereal diseases of men and women may be cured or relieved or abortion or miscarriage produced, and the owner, publisher or manager of any newspaper who shall publish any such advertisement or permit or allow any such advertisement to be inserted and published in any newspaper owned or controlled by him or in which he has an interest, shall be guilty of misdemeanor and upon conviction thereof shall be punished by a fine of not less than twenty-five nor more than one hundred dollars. (Section 4590u, Statutes of 1898, created by chapter 156, laws of 1907.)

Section 42. Immoral, Dishonorable and Unprofessional Conduct Defined.—The words "immoral, dishonorable or unprofessional conduct" as used in section one of this act are hereby declared to mean: First; procuring, aiding or abetting a criminal abortion. Second; advertising in any manner either in his own name or under the name of another person, firm or pretended firm, corporation or pretended corporation, in any newspaper, pamphlet, circular, or other written or printed paper or document the curing of venereal diseases, the restoration of "lost manhood," the treatment and curing of private diseases peculiar to men and women, or the advertising or holding himself out to the public in any manner as a specialist in the diseases of the sexual organs, or diseases caused by sexual weakness, self-abuse or excessive indulgences, or in any disease of a like nature or produced by a like cause, or the advertising of any medicine or any means whatever whereby the monthly periods of women can be regulated or the menses re-established, if suppressed, or being employed by or in the service of any person, firm or pretended firm, association, corporation or pretended corporation, so advertising. Third; the obtaining of any fee, or offering to accept a fee on the assurance or promise that a manifestly incurable disease can or will be permanently cured. Fourth; wilfully betraying a professional secret. Fifth; indulging in the drug habit. Sixth; conviction of any offense involving moral turpitude. (Section 1436f, Statutes of 1898, as amended by section 1, Ch. 196, 1907.)

THE RALPH SANITARIUM

A quiet, well equipped and well handled Home Sanitarium, for the treatment of **DRUG and LIQUOR** habits. Personal study and attention given each case. A new and very successful treatment, removing the desire and necessity for the Drug comfort, scientific treatment, no suffering and A CURE. Special rates to physicians. For Literature and full details of treatment address **THE RALPH SANITARIUM, 529 Highland Ave., Kansas City, Mo.**

Wisconsin

OF NORTH AMERICA (1910)

Wisconsin

1961

ESTABLISHED IN 1884

NEW GYMNASIUM AND RECREATION BUILDING. BILLIARDS. PHYSICAL CULTURE APPARATUS. SHOWER BATHS, ETC.

BATH HOUSE AND OFFICES

NEW WEST HOUSE
ATTRACTIVE ROOMS, SINGLE OR EN SUITE.
WITH OR WITHOUT PRIVATE BATH.

NEW ANNEX
(FIRE PROOF)
PSYCHOPATHIC HOSPITAL, MOST RECENT
APPLIANCES, CONTINUOUS BATHS
SEPARATE GROUNDS.

THE MILWAUKEE SANITARIUM

FOR NERVOUS AND MENTAL DISEASES

Situated in the beautiful suburb, WAUWATOSA, WISCONSIN. The new buildings and other improvements recently made, together with the well known facilities previously in use, provide an equipment of great completeness.

An especial merit is the wide separation of the FIVE different houses, giving individualized treatment and environment to all.

Ideally beautiful grounds (22 acres) "set on a hill". Modern bath house. All approved uses of water, electricity, heat, light, etc.

The Sanitarium is secluded yet convenient of access. On C. M. & St. P. R'y, 2½ hours from Chicago; 15 minutes from Milwaukee. Two lines street cars, 5 minutes walk from all cars.

Address

CHICAGO OFFICE, Venetian Bldg.

34 Washington St., Wednesdays.

Hours 2 to 4 (except July and August.)

Telephone, long distance, Milwaukee exchange, Wauwatosa 16.

DR. RICHARD DEWEY,

Medical Superintendent,

WAUKESHA SPRINGS SANITARIUM FOR NERVOUS DISEASES

This new, absolutely fireproof building throughout, is located in the most desirable health resort in the West. It is equipped with every modern convenience and appliance which can add to the comfort of its patients. Is heated with hot water, lighted by electricity, has gymnasium, large and carefully equipped bathing department. These contribute to make the institution one of the most complete in America. Separate department for mental cases. For information, address,

WYOMING.

CAPITAL, CHEYENNE.

Population of State, 103,673.

(U. S. Census Bureau, 1906.)

Number of Physicians, 213.

Wyoming was organized as a Territory in 1868, from what was then the southwestern portion of Dakota, north-eastern part of Utah and eastern part of Idaho. On July 10, 1890, the territory was admitted as a state by Act of Congress, being the forty-fourth state in order of admission.

Its geographical location classes it among the states of the inter-mountain or arid region, being bounded on the north by Montana, on the east by Dakota and Nebraska, on the south by Colorado and Utah, and on the west by Utah, Idaho and Montana. Its length from east to west is 355 miles; width from north to south 276 miles, and it has an area of 97,890 square miles, or 62,645,120 acres. In general appearance the country is mountainous, with valleys, rolling plains and plateaus, the secured. It is estimated that 10,000,000 acres of the area of the state are suitable for agricultural purposes by irrigation.

The climate is similar to that of the mountain region generally, and is not, as sometimes erroneously supposed, extraordinarily severe in the winter. The average mean temperature for the year is about 44 degrees, varying somewhat according to elevation, and the atmosphere covered with grasses of great nutrition, and furnishing admirable pasture for live stock, while the main elevation is 6,000 feet above sea level, with extremes ranging from 3,000 to 14,000 feet. Probably 10,000,000 acres of the total area of the state are covered with water for the irrigation and development with timber. Flowing east or west, according as their source is on the eastern or western slope of the main range of the Rocky Mountains, which cross the state from north to south, are numerous streams, among the number being the North Platte, Snake River, Green, Big Horn, Laramie and Yellowstone. None of these streams are navigable in ment of the surrounding country and in some instances are used for the transportation of timber. The soil is a light sandy loam, darker and richer in the valleys. When reclaimed by the ception of such as thrive only at low

of agricultural products with the ex-application of water, bountiful returns altitudes and warm, damp climates are sphere is rarified and pure, with but few cloudy days. High winds sometimes prevail during the spring and fall, but cyclones and tornadoes are unknown, while the dryness of the atmosphere tends to ameliorate the effects of extreme cold.

WYOMING MEDICAL LAW.

Chapter 45, Session Laws of 1905. House Bill No. 71.

Board of Medical Examiners.

AN ACT to amend and re-enact Chapter 5, Division 1 Title XVI, Revised Statutes of 1899, relating to the State Board of Medical Examiners.

Be it enacted by the Legislature of the State of Wyoming:

APPOINTMENT OF BOARD.

Section 1. The governor, by and with the consent of the senate, shall appoint three regularly licensed physicians of the State of Wyoming, who shall constitute the State Board of Medical Examiners, and who shall hold office for a term of four years. Any vacancy which may occur in said board from any cause shall be filled by appointment by the governor, and the physician so appointed shall hold his office until the expiration of the term.

ORGANIZATION.

Section 2. The members of the said board of medical examiners shall meet and organize within thirty days after their appointment by taking an oath faithfully to discharge the duties of their office, which oath shall be filed with the secretary of state, and by the election of a president, a vice president and a secretary. They shall provide such blanks and certificates as are necessary to comply with the provisions of this act, and an appropriate seal, which shall be attached to all official papers issued by said board, and they shall from time to time adopt such rules and regulations as shall be deemed necessary in the performance of their duties consistent with the requirements of this act.

DUTIES.

Section 3. It shall be the duty of the said board to pass upon the qualifications and determine the fitness of all persons who may desire to practice medicine, surgery and obstetrics, or who may publicly profess in any manner to assume the

1976

Wyoming

(1910) POLK'S MEDICAL REGISTER

Wyoming

responsibility of the care or treatment of disease, injury or deformity of human beings in the state.

REQUIREMENTS.

Section 4. Every person wishing to practice medicine in any of its departments in this state shall possess the qualifications required by this act. He shall be a graduate from a regularly chartered college of the system which he claims to practice. Said college must be recognized by the State Board of Health or the State Board of Medical Examiners of the state in which it is located. He shall give evidence of the fact that he is a person of good moral character, and that he shall not be the victim of such habits as shall cause him to endanger the lives of those entrusted to his care. He shall present his diploma to the State Board of Medical Examiners for verification as to its genuineness. Said certificate shall consist in the affidavit of the holder of the diploma that he is the lawful possessor of the same and that he is the person therein named. Such affidavit may be taken before any person authorized to administer oaths, and the same shall be attested under the hand and seal of such officer. He shall appear before the State Board of Medical Examiners in person at a time and place appointed, and shall pass an examination sufficiently strict to test his qualifications as a practitioner. Said examination may be in whole or in part in writing. It shall be of an elementary and practical character, and shall be upon the following subjects: Anatomy, physiology, chemistry, and toxicology, pathology, physical diagnosis, gynecology, the principles of surgery, obstetrics, hygiene and bacteriology. He shall further be required to pass an examination in such branches as are necessary to complete the system of which he is a practitioner. If the applicant is a practitioner of any school or system not represented in the membership of the board, the board shall have authority to call a regularly licensed practitioner of that system to assist in the examination. The practitioner thus called shall receive a compensation of five dollars for each person examined. An average grade of seventy-five per cent. in all branches of the examination shall be required; provided, that the applicant shall not pass lower than sixty per cent. in any one branch. Said examination shall be conducted by and under the supervision of the secretary of the board, with such assistance from the other members as shall be agreed upon by them. Said examinations shall be held at stated periods to suit the convenience of the board and applicants; provided, that not more than four examinations shall be held in any one year.

The president and secretary of the State Board of Medical Examiners shall issue certificates to all persons who successfully pass said examinations, and such certificates, after being duly recorded as hereinafter provided, shall be deemed license to practice medicine in all branches in which the applicant has taken examination in this state. No application for license to practice medicine in this state shall be rejected because of adherence to a particular school of practice. All persons who are licensed practitioners in this state prior to the passage of this act shall be exempt from its requirements.

APPLICATIONS—FEES.

Section 5. The State Board of Medical Examiners shall receive through its secretary, applications for certificates and examinations. A fee of twenty-five dollars shall accompany each application. Should the applicant fail to pass the examination, he may present himself at any time within a period of one year for another examination without the payment of an additional fee.

ADMISSION WITHOUT EXAMINATION.

Section 6. Said board may, in its discretion, accept and register, upon payment of the registration fee, and without examination of the applicant, any certificate which shall have been issued to him by the medical examining board of the District of Columbia or of any state or territory of the United States. Provided, however, that the legal requirements of such medical examining board shall have been, at the time of issuing such certificate, in no degree or particular less than those of Wyoming at the time when such certificate shall be presented for registration to the board created by this act; and, provided, further, that the provisions in this section contained shall be held to apply only to such of said medical examining board as accept and register the certificates granted by this board without examination by them of the ones holding such certificates.

WHO ARE PRACTICING PHYSICIANS.

Section 7. Any person shall be regarded as practicing medicine, within the meaning of this act, who shall in any manner hold himself out to the public as being engaged within this state in the diagnosis and treatment of diseases or injuries or deformities of human beings; or who shall suggest, recommend or prescribe any form of treatment for the intended palliation, relief or cure of any physical or mental ailment of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever; or who shall maintain an office for the reception, examination and treatment of any person suffering from disease or injury of body or mind; or who shall attach the title of M. D., surgeon, doctor or any other word or abbreviation to his name indicative that such person is engaged in the practice of medicine as hereinbefore defined.

EXAMINATION PAPERS.

Section 8. The examination papers of applicants, when placed in the hands of the secretary, shall become the property of the state and shall remain in the possession of the State Board of Medical Examiners, and the questions and answers of any examinations, together with the gradings thereon, shall be subject to inspection at any time at the secretary's office.

THE RALPH SANITARIUM

A quiet, well equipped and well handled Home Sanitarium for the treatment of **DRUG** and **LIQUOR** habits. Personal study and attention given each case. A new and very successful treatment, removing the desire and necessity for the Drug or Liquor within a few days and restoring the patient to normal condition in a few weeks' time. Good nursing, every comfort, scientific treatment, no suffering and A CURE. Special rates to physicians. For Literature and full details of treatment address **THE RALPH SANITARIUM, 529 Highland Ave., Kansas City, Mo.**

CERTIFICATE TO BE RECORDED.

Section 9. Every person holding a certificate as having successfully passed an examination before said board of medical examiners shall have the same recorded at the office of the county clerk of the county in which he resides, and the date and place of record shall be endorsed thereon. Any person moving to another county to practice shall procure a certificate to that effect from the county clerk, and the holder of the certificate shall pay to the county clerk the usual fees for making the record.

RECORD OF COUNTY CLERK.

complete list of all the certificates recorded by him, with the date of issue.

Section 10. The county clerk shall keep in a book provided for that purpose a

MEDICAL FUNDS.

Section 11. The fees received by the said board of medical examiners from examination shall be kept in a fund to be known as the medical fund, and shall be subject at all times to the warrant of the state auditor drawn upon written requisition of the president and attested by the secretary of the State Board of Medical Examiners, with seal attached, for the payment of any expenses made by said board.

REFUSAL OF CERTIFICATE.

Section 12. Said board of medical examiners may refuse certificates to individuals guilty of malpractice or dishonorable conduct, or who shall have been convicted of penal offences before any court in this state or elsewhere; or may revoke certificates for like causes, such revocation being after due notice and trial by the board of medical examiners, subject to the right of an appeal to the district court of the county in which said individual resides; but no such revocation shall be made by reason of the individual's belonging to or practicing any particular school or system of medicine.

APPLICATION OF THIS ACT.

Section 13. Nothing in this act shall be construed to prohibit gratuitous service in case of emergency, and this act shall not apply to commissioned surgeons of the United States army or navy, or medical examiners of relief departments of railroad companies, while so employed, or any lawfully qualified physicians residing in other states or counties meeting registered physicians of this state in consultation, or any physician or surgeon residing upon the border of a neighboring state, and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends into the limits of this state. This act shall apply to apothecaries and pharmacists who prescribe for the sick.

PENALTY.

Section 14. Any person practicing medicine within the meaning of this chapter in this state without complying with the provisions of this act shall be deemed guilty of misdemeanor and punished by a fine of not less than fifty dollars nor more than three hundred dollars, or by imprisonment in the county jail for not more than one year, or both; and each person filing, or attempting to file as his own, the diploma of another or a forged affidavit of identification shall be guilty of felony, and upon conviction thereof shall be imprisoned in the penitentiary for a term not exceeding three years.

EXAMINATION OF MIDWIVES.

Section 15. The State Board of Medical Examiners shall examine all persons upon the theory and practice of obstetrics who profess to practice obstetrics and midwifery, who do not have authority to practice medicine or surgery; and they may issue to such candidates and person or persons who shall pass a satisfactory examination, certificates which shall authorize and empower them to practice obstetrics or midwifery. No person shall practice obstetrics or midwifery unless either a practicing physician or authorized to practice under the provisions of this act, or holding such certificates as are prescribed by this section; provided, that nothing in this section shall be construed to prohibit persons from rendering services in cases of obstetrics or midwifery in cases of emergency.

SALE OF MEDICINE BY ITINERANT.

Section 16. Any itinerant who has not qualified as hereinbefore provided, who shall sell or offer for sale any drug, nostrum or appliance of any kind intended for the treatment of any disease or injury or deformity, or for correction of impairment of vision or hearing, or shall by writing, printing or other method, except by ordinary professional card or sign, publicly profess to cure or treat disease, injury or deformity, by any drugs, nostrum or in any manner whatever, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not less than fifty dollars nor more than one hundred dollars, and costs of prosecution, for each offence, and shall be committed until such fine and costs are paid; provided, that any one who shall maintain an office or residence in the state for a period of not more than three months in any one year shall be deemed an itinerant.

SALARY OF SECRETARY.

Section 17. The secretary of said board shall be paid a salary which shall be compensation for the actual work done in the performance of the duties of his office, the amount thereof to be fixed by the Board, not to exceed the sum of twenty-five dollars per month, the same to be paid out of the medical fund by warrants drawn by the state auditor upon there being filed with the state auditor a certificate to be signed by the president and secretary of the board, with the seal of the board attached, showing that the secretary has acted in that capacity for the time for which his bill is presented. The other members of the board shall receive the sum

of ten dollars per day while actually employed in attending meetings of the board, or in carrying out the provisions of this act. Members of the board shall also receive their actual traveling and necessary expenses while engaged in the performance of their duties, to be paid out of the medical fund upon warrants to be issued by the state auditor, and all bills therefor shall be accompanied by a certificate signed by the president and secretary of the board, with the seal of the board attached, attesting the correction of the bill.

ACTS INCONSISTENT.

Section 18. All acts and parts of acts inconsistent with the provisions of this act are hereby repealed.

Approved February 15th, 1905.

Section 19. This act shall take effect and be in force from and after its passage.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; %, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ‡, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Canal Zone

CANAL ZONE.

A strip of land about 10 miles in width, with the canal through the center, and 45 miles in length from sea to sea, with an area of about 448 square miles. The United States also has jurisdiction over the adjacent water for 3 miles from shore. To all intents and purposes it is a perpetual lease from the Republic of Panama to the United States of all governmental right and privilege in this territory, and yet, strictly speaking, it is not United States soil for residents therein acquire no rights of United States citizenship and have no voice in United States elections, while citizens of the Republic of Panama residing in the Canal Zone are protected in their electoral rights and are accustomed to go to Panama and Colon to vote in the Panamanian elections. The cities of Panama and Colon and a certain water frontage adjacent thereto, while within the 5-mile limit from the center line of the Canal, which bound the Canal Zone, are excluded from the Canal Zone and are considered Panamanian territory, although the United States has, under the treaty with the Republic of Panama, the right to regulate sanitary matters therein, and, if necessary to preserve order, to enter those cities with armed forces and take possession of them. H H Rousseau, U S Navy, Member Isthmian Canal Commission.

LAWS OF THE CANAL ZONE, ISTHMUS OF PANAMA, ENACTED BY THE ISTHMIAN CANAL COMMISSION.

DEPARTMENT OF HEALTH.

Sec. 12. It shall be the duty of the Department of Health to adopt all measures necessary for the protection and promotion of the public health and for the care of the sick in the Canal Zone, and for the enforcement of sanitary and quarantine rules and regulations adopted or enacted by the Isthmian Canal Commission for the Canal Zone and adjacent waters, and also of the sanitary and quarantine rules and regulations adopted or enacted by said Commission pursuant to the provisions of the Convention between the United States and the Republic of Panama, signed at Washington, November 18, 1903, or other competent authority, for the cities of Panama and Colon, in the Republic of Panama.

In accordance with order of the Governor of the Canal Zone of October 8, 1904, the following rules are hereby formulated for adoption by the Board of Health, for the examination for admission to the practice of medicine, pharmacy, surgery, dental surgery and midwifery:

(1) That the applicant for license to practice medicine, surgery, or dental surgery, shall, as provided for by the order of October 8, 1904, above alluded to, exhibit to the Board of Health a degree or diploma from some medical, or in the case of dentists, dental school, which in the opinion of the Board of Health is in good standing and reputation.

If in the opinion of the Board of Health it be advisable, the applicant to be licensed to practice medicine, surgery, or dental surgery, shall be requested to pass such an examination in these several branches as the Board of Health may set.

The license to practice the above professions shall be withdrawn by the Board of Health, should events subsequent to its issuance convince the Board of Health that the evidence on which it was issued was fraudulent, or should the person to

whom issued be, in the opinion of the Board of Health, guilty of improper or unprofessional conduct.

(6) That the Assistant Chief Sanitary Officer, a member of the Board of Health, be appointed a committee to examine and pass on the qualifications of persons applying for license to practice the professions as named in the memorandum.

(7) That when the Assistant Chief Sanitary Officer shall have satisfied himself that the applicant is a proper person to be licensed for the practice of these professions, he shall so certify to the Secretary of the Board of Health, who will bring the matter up to the Board at its next meeting; provided, that on this certificate of the Assistant Chief Sanitary Officer the Secretary may issue a temporary license to an applicant, pending the action of the Board of Health.

(8) That the Secretary of the Board of Health shall receive and account for the fees for the issuance of said license.

Ancon, Isthmian Canal Zone, October 8th, 1904.

CIRCULAR NO. 3.

In pursuance of the authority vested in me as Governor of the Isthmian Canal Zone, by Article No. 8 of the Isthmian Canal Commission, approved September 2nd, 1904, and under the provision of the same act making it:

"The duty of the Department of Health to adopt all measures necessary for the protection and promotion of the public health."

The Board of Health of the Isthmian Canal Zone is authorized and directed to establish rules for the examination and admission of persons to the practice of medicine, surgery, pharmacy, dental surgery, midwifery, nursing, embalming, and undertaking, and to license persons properly qualified for the practice of such professions.

Provided, that no persons shall be admitted to practice medicine, or surgery or dental surgery, within the Zone unless he shall hold a degree or diploma from some medical or dental school or institution which, in the judgment of the Board of Health, is in good standing and reputation.

The fee to be charged by the Board of Health, for the examination and license of an applicant for admission to practice any one of the professions enumerated, shall be five dollars (\$5) United States Currency, to be collected by the Board and accounted for to the Treasurer of the Canal Zone.

(Sgd.) GEO. W. DAVIS, Governor.

(Sec. 279, Pp. 127, Laws of the Canal Zone.)

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; %, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ‡, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

TERRITORY OF HAWAII.

CAPITAL, HONOLULU.

Population of Territory, 165,000.

Number of Physicians, 96.

The Hawaiian Islands are situated in the Torrid and Temperate Zones just on the Tropic of Cancer. They extend from northwest to southeast between parallels of latitude 22 degrees 16 minutes and 18 degrees 55 minutes north and lie between meridians 154 degrees 40 minutes and 160 degrees 30 minutes west from Greenwich. The important islands are eight in number—Niihau, Kauai, Oahu, Molokai, Maui, Lanai, Kahoolawe and Hawaii. This group is also known as the Sandwich Islands, but now in disuse except abroad. The total area of all the islands in the group is 6,649 square miles or 4,127,000 acres. The situation of the Territory of Hawaii insures for it the happiest possible compromise between the climates of the two zones. Extremes of heat and cold are not felt, the mean annual average temperature as observed at Honolulu being about 72 degrees.

TERRITORIAL BOARD OF HEALTH.

MEDICAL LAWS OF HAWAII.

Sec. 1068. License.—No person shall practice medicine or surgery in the Territory of Hawaii either gratuitously or for pay, or shall offer to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, or shall append the letters "Dr." to his or her name, with the intent thereby to imply that he or she is a practitioner of medicine or surgery, without having a valid unrevoked license, obtained from the Treasurer of the Territory of Hawaii, in form and manner substantially as hereinafter set forth. Such license shall only be granted upon the written recommendation of the Board of Health, provided, however, that licenses to practice osteopathy may be granted to graduates holding diplomas from any legally chartered and regularly conducted School or College of Osteopathy, and further provided that a certificate to practice Osteopathy has first been obtained from any State Board of Osteopathic Examiners until such time as there is an Osteopathic Board of Examiners appointed for the Territory of Hawaii.

And provided further, that the practice of medicine as contemplated and set forth in this Act shall not be construed to exclude the use of any method or means or any agent either tangible or intangible by any person licensed to practice osteopathy, for the treatment of disease in the human subject, provided that no person so licensed to practice osteopathy shall, by reason thereof, be authorized to administer drugs or medicines, or to perform any surgical operation. Any person applying for a license to practice osteopathy shall first file with the Treasurer a certified copy of such diploma and satisfactory evidence that the applicant is a fit and proper person to be so licensed to practice osteopathy, and file with the President of the Board of Health a certificate from the Board of Osteopathic Examiners certifying that the applicant had passed the required examination, and is entitled to practice osteopathy in that State.

And further provided, that nothing herein contained shall apply to so-called Christian Scientists so long as they merely practice the religious tenets of their church without pretending a knowledge of medicine or surgery; provided, that the laws and regulations relating to contagious diseases are not violated.

Sec. 1069. "Practice of Medicine" defined.—For the purposes of this chapter the practice of medicine shall be held to include the use of drugs and medicines, water, electricity, hypnotism, or any means or method, or any agent, either tangible or intangible, for the treatment of disease in the human subject; provided, however,

Hawaii

that nothing herein contained shall be held to forbid any person from the practice of any method, or the application of any remedial agent or measure under the direction or with the approval of a licensed physician; and provided further, that when a duly licensed physician pronounces a person afflicted with any disease hopeless and beyond recovery and shall give a written certificate to that effect to the person afflicted or his or her attendant nothing herein contained shall be held or construed to forbid any person from giving or furnishing any remedial agent or measure when so requested by or on behalf of such afflicted person.

The provisions of this Act shall not be construed to amend or repeal the law respecting leprosy or segregation.

Sec. 1070. Board of Medical Examiners.—No person shall be recommended by the board of health for a license to practice medicine or surgery except upon the written report of a board of medical examiners, to be appointed and constituted as in this chapter provided, setting forth that the applicant named therein has been duly examined and found to be possessed of the necessary qualifications.

Sec. 1071. Appointment, Removal, Qualifications.—For the purpose of carrying out the provisions of this chapter the governor is authorized and directed to appoint in the manner prescribed in Section 80 of the Organic Act, a board of medical examiners, whose duty it shall be to examine all applicants for license to practice medicine or surgery, and to report the result of such examination to the board of health.

Such board of medical examiners shall consist of three persons, all of whom shall be licensed physicians or surgeons under the laws of this Territory. The appointments, unless to fill out unexpired terms, shall be for three years, subject, however, to removal by the governor in the manner prescribed in Section 80 of the Organic Act. The members of the board of medical examiners shall serve without pay.

Sec. 1072. Fee.—No applicant for a license to practice medicine or surgery shall be examined until he shall have paid to the treasurer a fee of ten dollars.

Sec. 1073. Form of License.—The form of license to practice medicine and surgery shall be substantially as follows:

Territory of Hawaii, Department of the Treasury.

License to Practice Medicine and Surgery.

....., a native of.....
....., aged years,
having been duly examined by the board of medical examiners, and having been recommended by the board of health as possessed of the necessary qualifications, is hereby licensed to practice medicine and surgery in the Territory of Hawaii.

This license is granted and accepted on the express condition that it may be revoked at any time for professional misconduct, gross carelessness or manifest incapacity; such misconduct, carelessness or incapacity, having been proven to the satisfaction of the board of health, and by that body reported to the treasurer.

Given under my hand and the seal of the department of the treasury this day of A. D.,

(Signed)
Treasurer.

Sec. 1074. Penalty.—Any person who shall practice medicine or surgery in the Territory of Hawaii, or who shall offer or attempt to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, contrary to the provisions of Section 1068, shall be guilty of a misdemeanor, and shall be liable on conviction to a fine of not more than two hundred and fifty dollars, in the discretion of the court.

Sec. 1075. Revocation of License.—Licenses to practice medicine and surgery may be revoked by the treasurer at any time for professional misconduct, gross carelessness or manifest incapacity; such misconduct, carelessness or incapacity, having been proven to the satisfaction of the board of health, and by that body reported in writing to said treasurer. In case any license is revoked for any of the causes named in this section, the holder thereof shall be immediately notified of such revocation in writing by the treasurer.

Sec. 1076. Notice, Hearing.—In case of an alleged misconduct, carelessness or incapacity on the part of any holder of a license to practice medicine or surgery, the person so charged shall be notified in writing of the charge or charges that have been made, and of the time and place when and where evidence in support of the same will be heard, and shall have the opportunity to present evidence and be heard in his own defense.

Sec. 1077. Sorcery, etc., Penalty.—Any person who shall attempt the cure of another by practice of sorcery, witchcraft, anaana, hoopio, hooanauna, hooman-amana, or other superstitious or deceitful methods, shall, upon conviction thereof, be fined in a sum not less than one hundred dollars, nor more than two hundred dollars or be imprisoned at hard labor not to exceed six months.

1986 *Philippine Islands* (1910) POLK'S MEDICAL REGISTER *Philippine Islands*

PHILIPPINE ISLANDS.

CAPITAL, MANILA.

Population of the Islands, 7,635,426.

Number of Physicians, 658.

The total population of the Philippine archipelago on May 2, 1903, was 7,635,426. Of this number 6,987,686 were classed as civilized, while the remainder, 647,740, consisted of wild people. The civilized people, with the exception of those of foreign birth were practically all adherents of the Roman Catholic church; while those classified as wild people, more than two-fifths are Mohammedans, the remaining three-fifths of the wild people belong to various tribes differing from each other in degrees of barbarism.

For the purpose of government the archipelago is divided in provinces, provinces into municipalities and municipalities into barrios. The inhabitants, at the time of the census, were distributed in 39 civil provinces and the sub-province of Marinduque, 9 military districts and one city district, Manila.

The Philippine Islands form a part of the great archipelago known as the East Indies. They lie southeast of the continent of Asia, nearly south of the Japanese Islands and north of Borneo and Celebes; between the meridian 116 degrees 46 minutes and 126 degrees 34 minutes east longitude, and between the parallels of 4 degrees 40 minutes and 21 degrees 10 minutes north latitude, that is entirely within the tropics.

In addition to the above the United States subsequently acquired from Spain the little group of islands known as Cagayan Sulu and nine other small islands lying off the north coast of Borneo.

The Philippine Islands are structured by three isthmuses, which are partly submerged. The westernmost of these connects through Mindoro, the Calamianes and Paragua and Borneo. The passages between the southern point of Paragua and Borneo are shallow and much interspersed with islands, the largest of which is Balabac, and by many coral reefs. The second of these isthmuses connects with the northeastern point of Borneo and is continued through the Tawi-Tawi, Siassi, Jolo and Basilau groups to the southwestern point of Mindanao at Zamboanga, and is continued through the Visayan Islands to Central Luzon. Between these two connections lies the Sulu Sea with a maximum depth exceeding 2,000 fathoms. The third and easternmost of these isthmuses connects the northwestern point of the irregular island of Celebes through the Sangail archipelago ally connected with Borneo and Celebes to the southeastern point of Mindanao, thence its course may be traced northward in a great curve through the easternmost ranges of Mindanao to Leyte and Samar through southeastern Luzon. This encloses the Celebes Sea, which is much deeper than the Sulu Sea. These three lines of elevation converge in Central Luzon and these combined appear to form the mountain system in

the northern part of that island. Thus these two seas, the Sulu and Celebes, are nearly enclosed, their connection with the Pacific and with the China Sea being everywhere shallow. It results that their waters are, as a rule, much warmer than those of the adjacent oceans, since warm surface water can only flow through the passages connecting them.

Considering the Philippine archipelago by itself, it may be regarded as having the form of a triangle, open at the base and with its most acute angle pointing northward, this being represented by Northern Luzon and the Batan and Babuyan Islands. The western leg of the triangle is represented by Paragua and dependent islands and the eastern one by the Visayan Islands and Mindanao, with the Sulu Sea lying between them.

The islands and the mountain ranges upon them have in general a trend which may be roughly described as northward and southward, although certain of them, such as that forming the backbone of Paragua, trend nearly northeast and southwest, while others trend to the west of north and to the east of south. The trend of these ranges seem to indicate the direction of the forces which produced the folds and faults which brought these lands above the sea. This is apparently the only indication of system in the archipelago and it may be mere fortuitous.

The following table shows the increase in population since 1858:

1858.....	4,290,381	1887.....	5,984,727
1870.....	4,712,006	1894.....	6,441,000
1877.....	5,567,685	1903.....	7,635,426

The total land surface is, approximately, 115,000 square miles, the average number of persons to the square mile is 67.

MEDICAL LAWS OF PHILIPPINE ISLANDS

AN ACT regulating the practice of medicine and surgery in the Philippine Islands
By authority of the President of the United States, be it enacted by the United States Philippine Commission, that:

Section 1. The commissioner of public health for the Philippine Islands shall appoint a board of medical examiners for the Philippine Islands, with the advice and consent of the board of health for the Philippine Islands, consisting of three physicians, who shall be graduates of a legally chartered and reputable medical college and shall hold the degree of doctor of medicine. They shall hold office for three years after their appointment, and until their successors are appointed and qualified: Provided, that the first appointees shall be appointed for a period of one, two and three years, respectively, as specified in their respective certificates of appointment from the commissioner of public health; and provided further, that no member of the faculty of any school, college or university where medicine or surgery is taught shall be eligible for appointment on said board. Each person appointed to the board shall qualify by taking and subscribing the following oath of office:

"I,, having been appointed a member of the board of medical examiners for the Philippine Islands, do hereby solemnly swear that I am a graduate in good standing of the legally chartered medical college or university at, in the city of, that I will well and truly perform all the duties of said office, that I will faithfully account for all moneys coming into my hands as such officer; that I will bear true faith and allegiance to the government of the United States, and that I take this oath without any mental reservation whatever; so help me God."

The oath shall be recorded and filed in the office of the secretary of the board of health for the Philippine Islands. The commissioner of public health shall fill any vacancy which may occur on the board within one month after the vacancy occurs, and may remove any member of said board for continued neglect of duty, incompetency, or for unprofessional or dishonorable conduct, with the advice and consent of the board of health for the Philippine Islands.

Section 2. The board of medical examiners shall appertain to the department of the interior, so far as executive action may be required in connection with it. It shall organize immediately after the appointment of its members, and annually thereafter on the anniversary of its first organization, by electing from its members a president, who shall be its chief executive officer, and a secretary-treasurer. It shall procure and keep a seal with which to attest its official acts. The members of the board, except the secretary treasurer, shall receive as compensation the sum of two and one-half dollars (\$2.50) each for each candidate examined and for registration as doctor or licentiate of medicine, and one dollar (\$1.00) each for each candidate examined for registration as undergraduate of medicine or midwife. The secretary-treasurer shall receive compensation at the rate of two hundred dollars (\$200) per year, one-half of which amount shall be paid on the 30th of June and one-half on the 31st of December of each year. The amounts due the members of

the board of examiners for compensation shall be paid from insular funds and disbursed by the disbursing officer of the board of health for the Philippine Islands. The secretary-treasurer shall execute a bond for five hundred dollars (\$500) with good and sufficient sureties, which shall be approved by the treasurer of the Philippine archipelago, conditioned that he will pay to the treasurer of the Philippine archipelago all moneys received by him as treasurer, and that he will faithfully discharge all the duties of his office. He shall keep a record of the proceedings of the board and a register of all persons to whom certificates of registration as doctors of medicine, licentiates of medicine, undergraduates in medicine, or midwives, have been granted under the provisions of this act, setting forth the name, age, sex and place of business of each, his postoffice address, the name of the medical college or university from which he graduated or in which he has studied, if any, and the date of such graduation or term of study, together with the time spent in the study of medicine elsewhere, if any, and the names and locations of all institutions which have granted to him degrees or certificates of clinics or lectures in medicine and surgery, and all other degrees granted him from institutions of learning.

Section 3. The board of medical examiners shall meet in the city of Manila for the purpose of examining candidates desiring to practice medicine in the Philippine Islands on the second Tuesday of January, April, July and October of each year, after giving thirty days' written or printed notice of such meeting to each candidate who has filed his name and address with the secretary-treasurer of the board. The board of medical examiners shall issue a certificate of registration to any person who furnishes satisfactory proof of having received a diploma as doctor of medicine from a chartered medical school or college in good standing or a degree as licentiate of medicine and surgery from the St. Thomas University in the city of Manila, or who has received permission to appear before a medical board for examination with a view to obtaining a license to practice medicine, in accordance with the provisions of circular order of the military governor No. 5, issued February 25, 1900, and circular order No. 6, same authority, issued April 1, 1900, and who shall issue four forms of certificates of registration to persons who have been examined and favorably passed upon by the board. One, for persons holding the degree of doctor of medicine; another, for persons holding the degree of licentiate of medicine; a third, for undergraduates in medicine, or "cirujanos ministrantes;" and a fourth, for midwives. Each certificate shall be signed by a majority of the members of the board. The secretary-treasurer of the board shall collect a fee of fifteen dollars (\$15.00) for each certificate of registration as doctor or licentiate of medicine, and a fee of five dollars (\$5.00) for each certificate of registration as "cirujanos ministrante," or as midwife, issued by the board.

Section 4. The board shall, on or before the 30th of June of each year, make a report to the secretary of the interior of its proceedings during the past year, and of all moneys received and disbursed by it within that period.

Section 5. After March 1, 1902, it shall be unlawful for any person to practice medicine, surgery or midwifery in any of its branches in the Philippine Islands, unless he holds a certificate of registration from the board or has otherwise complied with the provisions of this act. Any person in continuous practice of medicine, surgery or midwifery in any of their branches in the Philippine Islands prior to the passage of this act may become a registered practitioner by submitting to the board of medical examiners for the Philippine Islands a diploma of doctor or licentiate of medicine from a reputable medical school or college: Provided, that any person now a member of the highest class in the St. Thomas University in the city of Manila who shall have pursued his studies in medicine and surgery in the said university for not less than five years, and shall receive a degree of licentiate in medicine and surgery from said university in the month of March, 1902, may likewise become a registered practitioner by submitting to the board of medical examiners such degree on or before the first day of April, 1902. For the purposes of this section a physician who has been in the regular practice of his profession in these islands, but whose practice has been interrupted by trips abroad for study or pleasure only, shall be deemed to have been in continuous practice. Provided further, that any person who has passed the requisite examination before a board of examiners convened pursuant to special orders No. 5, office of the United States military government in the Philippine Islands, dated February 25, 1900, and circular No. 6, same authority, dated April 1, 1900, shall not be required to undergo another examination, but shall be entitled to be registered and to receive a certificate of registration as a licentiate of medicine. The fee for such certificate shall be ten dollars (\$10.00), provided, further, that any person who has studied medicine in the St. Thomas University of the city of Manila for a period of not less than two years, and has received the title of "cirujano ministrante" from said university may be registered to practice medicine in remote towns of a province where no civilian doctor of medicine or licentiate of medicine is available, upon passing a satisfactory examination before the provincial board of health for the province in which he desires to practice and paying to its provincial treasurer a fee of five dollars (\$5.00) for a certificate of registration, which shall thereupon be issued to him by the president of the provincial board of health.

Section 6. Every person hereafter desiring to begin the practice of medicine or surgery in the Philippine Islands shall apply to the board of medical examiners for a certificate of registration as doctor of medicine, and such applicant shall submit to an examination in the following branches, to-wit: Anatomy, physiology, chemistry, materia medica and therapeutics, pathology and bacteriology, hygiene, surgery, practice of medicine, obstetrics, diseases of women and children, diseases of the nervous system, diseases of the eye and ear, medical jurisprudence; and shall present a diploma of doctor of medicine from a medical school or college recognized as reputable by the board of health for the Philippine Islands. Examinations may be written or oral, or both. In case any applicant shall fail to pass a satisfactory examination, he shall not

MEDICAL COLLEGES BOTH EXISTING AND EXTINCT IN NORTH AMERICA IN *Polk's Medical Register and Directory*

Philippine Islands

OF NORTH AMERICA (1910)

Philippine Islands 1889

be permitted again to present himself for examination until a period of six months has elapsed.

Section 7. Every person holding a certificate of registration from the board of medical examiners shall have it recorded in the office of the registrar of deeds in the province or provinces within which he may desire to practice, or in the city of Manila, as the case may be, before engaging in the practice of medicine, surgery or midwifery, and until such certificate is so recorded, the holder thereof shall not exercise any of the privileges to practice medicine conferred therein. The holder of the certificate shall pay the registrar the usual fees for recording such certificate.

Section 8. The board of medical examiners may refuse to issue any of the certificates provided for in this act to an individual convicted by a court of competent jurisdiction of any offense involving immoral or dishonorable conduct. In case of such refusal, the reason therefor shall be stated to the applicant in writing. The board may also revoke any such certificate for like cause, or for unprofessional conduct, after due notice to the person holding the certificate, and a hearing, subject to an appeal to the board of health for the Philippine Islands, the decision of which shall be final.

Section 9. Any person shall be regarded as practicing medicine within the meaning of this act who shall treat, operate upon, prescribe for any physical ailment of another for a fee, or who shall represent himself by means of signs, cards, advertisements or otherwise as a physician or surgeon; but nothing in this act shall be construed to prohibit the rendering of services in cases of emergency or the administration of family remedies, or to apply to medical officers of the United States army, the United States navy or the United States marine hospital service, or to physicians and surgeons from other countries, provinces or cities called in consultation, or to actual medical students practicing medicine under the direct supervision of a preceptor who is a registered doctor of medicine.

Section 10. Any person practicing medicine or surgery within the Philippine Islands without first having obtained the certificate of registration herein provided for, or otherwise contrary to the provisions of this act, shall, upon conviction, be punished by a fine of not more than one hundred and fifty dollars (\$150.00), or by imprisonment for not more than ninety days, or both, in the discretion of the court.

Section 11. Any person desiring to practice obstetrics in the Philippine Islands shall be entitled to a certificate of registration as midwife from the board of medical examiners, upon passing a satisfactory examination and paying to the secretary-treasurer of the board a fee of five dollars (\$5.00). The examination shall be of such a character as to determine the qualifications of the applicant for the practice of midwifery. Any person practicing midwifery in the Philippine Islands without first having obtained the certificate of registration herein provided for, or otherwise contrary to the provisions of this act, shall, upon conviction, be punished by a fine of not more than fifty dollars (\$50.00) for each offense: Provided, that this section shall not be construed to prevent a doctor of medicine or licentiate of medicine who holds a certificate of registration as such from practicing obstetrics, or to prohibit the gratuitous rendering of obstetrical services by a friend or member of the family of the patient, or to prohibit the rendering of obstetrical services by any person in a case of emergency, nor shall it apply to persons practicing midwifery in municipalities where there are no licensed practitioners.

Section 12. No person shall in any way advertise as a doctor of medicine, physician or surgeon, or prefix or append the letters "Dr.," "M. D.," or "M. B." to his name, who has not had duly conferred upon him by diploma or degree from some college, school or board of examiners legally empowered to confer the same, the right to assume title; nor shall any person assume any title, or prefix or append any letters to his name with the intent to represent falsely that he has received a medical degree or license or certificate of registration. Any person violating this provision shall, upon conviction, be subject to a fine of not more than one hundred dollars (\$100.00), or to imprisonment for not more than ninety days.

Section 13. Where the word "dollars" is used in this act, it shall be understood to mean dollars in money of the United States.

Section 14. This act shall take effect on its passage.
Enacted December 4, 1901.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see
Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

PORTO RICO.

CAPITAL, SAN JUAN.

Population (U S Census of 1899), 953,243.
 Number of Physicians, 356.

Porto Rico, the smallest of the Greater Antilles, lies to the east of Hatai, being separated from that island by the Mona passage. It stretches from latitude 17 degrees 50 minutes to 18 degrees 30 minutes north; from longitude 65 degrees 30 minutes to 67 degrees 15 minutes west, being thus the easternmost of the Greater Antilles and entirely within the tropics. Its shape is rec-

tangular, its length east and west being slightly over 100 miles and its breadth north and south about 36 miles. Its area, about 3,600 square miles, is three-fourths of that of Connecticut and a little over a thousandth of that of the United States. The island of Porto Rico consists of a range of mountains and hills running east and west, with a maximum altitude slightly over 3,600 feet and sloping toward the coast. The slope of the land is gradual toward the north but steep and difficult toward the south. The greater portion of the area is high and from the range of hills which form the water divide of the island hundreds

Porto Rico

of small rivers and streams flow northward and southward to the coast. The climate of the island is remarkably equable. The temperature very rarely rises to 100 degrees Fahrenheit, and for a long period the average annual temperature has ranged on the northern coast from 78 to 82 degrees. The coolest month in the year is January with a temperature averaging about 75 degrees, while in August, the hottest month, the average is about 82 degrees. While the variation from month to month is but slight, there is considerable difference according to altitude. The temperature in the interior, especially on the higher levels of Aibonito, Cayey and Utuado, is much lower than along the coast. The island has the advantage of a daily sea breeze, and the evenings are mostly cool. During the summer season the temperature rises and there is much rain. The humidity is also very high, averaging in San Juan about 80 per cent. The rainfall is heaviest on the northern coast, averaging about 60 inches in San Juan and of this rain about 40 inches or two-thirds falls during the summer and autumn months. The island is by its natural conditions adapted for tropical agriculture.

PORTO RICO MEDICAL LAWS.

AN ACT providing for the organization of af a Board of Medical Examiners.

Be it enacted by the Legislative Assembly of Porto Rico:

Section 1. The governor, with the advice and consent of the executive council, shall appoint five learned, skillful and capable physicians, who shall have been residents of the Island of Porto Rico for not less than five years preceding their appointment, who shall constitute the board of examiners for the purpose of this act. The physicians so appointed shall hold their respective office for five years: Provided, that all vacancies occurring shall be likewise filled by appointment by the governor by the advice and consent of the executive council: Provided, also, that the first appointments under this act shall be for the periods of one, two, three, four and five years respectively.

Section 2. The board of medical examiners shall procure a seal, and on the first Tuesday of April of each year elect from among their members a president, secretary and treasurer. Three members of said board shall constitute a quorum. The president and secretary shall have the power to administer oaths and the board to take testimony in all matters relative to its duty under the provisions of this act. The board of examiners shall hold meetings for examinations at the seat of government on the first Tuesday of April and October of each year and at such other times and at the same and other places as the board may determine. The board shall keep a record of all proceedings thereof, and also a register of all applicants for a certificate, with the age of the applicant, time spent in the study of medicine, and the name and location of all the institutions granting to such applicant degrees or certificates of lectures attended in medicine or surgery. The register shall also show whether such applicant was rejected, or has received a certificate under this act; such register shall be prima facie evidence of all the matters therein kept.

Section 3. Every person hereinafter wishing to practice medicine or surgery, or any of the branches thereof, or midwifery, in any of their departments in this Island, shall apply to said board for a certificate or license so to do. Applications from said candidates shall be in writing and accompanied by proof that applicant is a graduate of a medical school or institution in good standing and legally organized, and duly approved by the said Board of Examiners; if the diploma is found genuine, which fact the said Board of Examiners shall determine, and if the person presenting and claiming said diploma be the person to whom the same was originally granted, at a time and place designated by said board, or at a regular meeting of said board, said applicant shall be required to take an examination embracing those general subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine by respectable medical colleges in the United States. The examination of those who desire to practice midwifery or any of the branches of medicine and surgery, shall be of such a character as to determine the qualifications of the applicants to practice them. All examinations provided for in this act shall be conducted under rules and regulations prescribed by the board, which shall provide for a fair and wholly impartial method of examination. After examination, such board shall, if the candidate has been found qualified, grant a certificate or license to such candidate to practice medicine and surgery or any of the branches thereof or midwifery in Porto Rico; which said certificate can only be granted by the consent of not less than three members of said board, and which said certificate

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Porto Rico

OF NORTH AMERICA (1910)

Porto Rico

1995

shall be signed by the president and secretary of said board, and attested by the seal thereof: Provided, however, that all physicians and surgeons who hold certificates granted by the now existing board of medical examiners shall be exempt from the provisions of this section.

Section 4. The board may refuse to grant a certificate on account of unprofessional, dishonorable or immoral conduct. Before a certificate can be refused for such cause, the board shall serve in writing upon the applicant a copy of any charge or charges against him, and appoint a day for hearing, at which the applicant or any witness in his behalf may appear and give testimony in refutation of such charges. In case the board after such hearing shall refuse a certificate to the applicant, the decision specifically stating the grounds upon which such refusal was made shall be reduced to writing and a copy thereof delivered to the applicant upon demand of the applicant. Upon a like hearing the board may refuse a certificate to any one who may publicly profess to cure or treat diseases, injury or deformity in such a manner to deceive the public. The hearing provided for herein shall take place within twenty days after the service of the copy of the charges upon the applicant unless further time is granted to the applicant, and the decision of the board shall not be later than ten days after the day of hearing. The board shall have power to revoke a certificate or license in case of unprofessional, dishonorable or immoral conduct. Before revoking any certificate or license, a written complaint specifically stating the charges against the person whose certificate is to be revoked shall be delivered to all the members of the board and a copy thereof be served upon such person twenty days before the time fixed by the board for the hearing of said charges. The board must fix the time and the person whose license is to be revoked may produce testimony in refutation of such charges. After such hearing, the decision of the board shall be specifically stated in writing, and a copy thereof delivered, on demand, to the person under charges.

Section 5. Every person obtaining a certificate from the board, must within sixty days from the date thereof, have the same recorded in the office of the secretary of Porto Rico and in the office of the Superior Board of Health. The secretary of Porto Rico and the president of the Superior Board of Health shall indorse upon the certificate the date of record and charge and receive the usual fees for such services, the fees to be paid by the applicant.

Section 6. Applicants who possess diplomas from reputable medical colleges, and who have been licensed by state board, may upon the payment of a fee, twenty-five (\$25.00) dollars, be licensed by the board of examiners without examination if the said board of examiners so decides. Medical officers serving in the army and navy of the United States or in the United States marine hospital service, are exempt from examination, but are required to be registered by the Superior Board of Health and to pay a fee of five dollars.

Section 7. Any person practicing medicine or surgery or any other branches thereof or midwifery within the Island country, contrary to the provisions of this act, be guilty of a misdemeanor, and upon conviction thereof shall be fined not more than five hundred dollars nor less than fifty dollars, or by imprisonment for not more than ninety days nor less than thirty days or by both fine and imprisonment as the court may determine. Any person shall be regarded as practicing within the meaning of this act who shall append the letters "M. D." (for Medical Doctor) to his or her name, who shall profess publicly to be a physician or surgeon, or who shall recommend, prescribe or direct for the use of any person, any drug, medicine, appliance, apparatus or other agency, whether material or not material, for the cure, relief, or palliation of any ailment or disease of the mind or body or for the cure or relief of any wound, fractures or disease of the mind or body or for the cure or relief of any wound, fractures, or bodily injury, or other deformity, after having received, or with the intent of receiving therefore, either directly, any bonus, gift or compensation.

Section 8. The fees for examinations and for a certificate shall be as follows: Ten dollars for an examination in medicine and surgery, and five dollars for a certificate if issued; for all other practitioners five dollars for an examination and five dollars for a certificate if issued. For an examination in midwifery five dollars, and three dollars for a certificate if issued. All fees shall be paid in advance to the treasurer of the board of medical examiners, which fees shall defray the entire expenses of said candidate for examination before the said board of examiners. Any one failing to pass the required examination shall be entitled to a second examination within six months without fee. And the moneys so received shall be turned over to the treasurer of Porto Rico by the treasurer of said board, to be by him deposited in the Medical Board Fund, as hereinafter provided.

Section 9. Each member of the board is hereby allowed the sum of five dollars per day and mileage while in the active and necessary discharge of his duties, and there is hereby established a fund to be known as the Medical Board Fund. The money in such fund shall only be paid out by warrant on said fund on an order drawn by the treasurer of said board, countersigned by the president. The rate of mileage and attendance before said board shall be five cents per mile. And the board must report annually on the first Monday of July to the governor, which report must show all the transactions of the board, giving the number of applications received and from whom received, the number of certificates granted and rejected, and the names of those receiving certificates and those rejected, giving the reasons therefore, the amount of money received, the expenses, the fees and mileage paid, and by whom received, and the amount of money remaining in said fund, and such other information as the governor may require; and the treasurer of said board shall render to the auditor of Porto Rico a monthly account of his receipts and disbursements.

Section 10. After the passage of this bill and the appointment of the board thereunder, the archives and utensils pertaining to the latter sub-delegation of medicine and all documents thereof shall be transferred to the medical board of examiners.

REQUIREMENTS FOR REGISTRATION IN THE PROVINCE OF ALBERTA.

Any person producing a diploma of qualification from any college or school of medicine and surgery, and a certificate or certificates (if required) that he has taken at least a four years' course of lectures of at least six months each before receiving such diploma and is satisfactorily identified, pays the examination fee of \$50.00 and passes the examination of the Council College of Physicians and Surgeons, can register on payment of \$52.00.

DATE AND PLACE OF EXAMINATION.

First Tuesday in August each year at Calgary, Alberta.

Subjects: Anatomy, chemistry, physiology and histology, materia medica and therapeutics, pathology and bacteriology, sanitary science, medical jurisprudence, practice, medicine, surgery, diseases of women and children and obstetrics.
Examination written and oral.

BURN=BRAE,

A PRIVATE HOSPITAL
FOR MENTAL AND
NERVOUS DISEASES.
(See adv. in Philadelphia)

Alberta

OF NORTH AMERICA (1910)

Alberta

1999

Applications for examination with credentials and fee to be in the hands of the registrar two weeks before the date of examination.

No permits are granted to practice before registration.

J. D. LAFFERTY, Registrar.

College of Physicians and Surgeons, Alberta.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

MEDICAL LAW OF BRITISH COLUMBIA.

(Synopsis of Requirements for Registration as Medical Practitioners.)

1. During the year there shall be two regular meetings of the Council and two examinations held. The examinations begin on the first Tuesday of May and the last Tuesday of October.

2. Application for examination must be made to the Registrar two weeks before date of examination on forms which will be supplied on request.

3. Diplomas and examination fee of \$100.00 must be sent with application.

4. The examination extends over two weeks, the first week being devoted to written papers, the last to oral and clinical work.

5. The examinations are held in the English language only.

6. Sub-section (b) Sec. 28, Medical Act, 1909, provides that: The Council shall admit upon the register every person mentioned in chapter 48 of the Acts of Parliament of the United Kingdom, passed in the 49th and 50 years of Her Majesty's reign, duly registered under the "Medical Act" [Imperial], prior to and inclusive to the 30th day of June, 1887, upon complying with the orders, regulations or by-laws of the Council, and giving due proof of such registration, and that the person applying for registration has not lost the benefit of the same, by reason of misconduct or otherwise.

7. Sub-sec. [c], Sec. 28, provides that: The Council shall admit upon the register any person who shall produce from any college or school of medicine and surgery, requiring at least four years' course of study, a diploma of qualification: Provided that the applicant shall furnish to the Council satisfactory evidence of identification and pass before the members thereof, or such of them as may be appointed for the purpose, or before a Board of Examiners to be appointed by the Council, a satisfactory examination touching his fitness and capacity to practice as a physician and surgeon: Provided, that every person beginning the study of medicine after the first of January, 1912, the diploma or qualification which he shall

DO NOT STAMMER

Our new Institute provides accommodations for one hundred students. Surroundings home-like, moral and wholesome. Cures lasting and permanent. Our 200 page book, "The Origin and Treatment of Stammering," sent free to physicians upon request. Read our adv. opp. Class. School for Stammerers. **THE LEWIS SCHOOL FOR STAMMERERS,** 35-41 Adelaide Street, Detroit, Mich., U. S. A.

2002 *British Columbia* (1910) POLK'S MEDICAL REGISTER *British Columbia*

be required to produce must be one from a college or school of medicine and surgery which requires at least five years' course of study.

8. Sub-sec. [d], Sec. 28, provides that: All practitioners of osteopathy within the meaning of this Act shall be duly qualified osteopaths of a recognized school or college of osteopathy; and for the purpose of this Act, a recognized school or college of osteopathy shall be deemed to be an institution recognized by the American Osteopathic Association:

Provided, further, that before any such osteopath shall be lawfully entitled to practice osteopathy within British Columbia, such osteopath shall take and successfully pass an examination satisfactory to the Council in the following subjects: Anatomy, physiology, chemistry, toxicology, pathology, bacteriology, histology, neurology, physical diagnosis, obstetrics, gynecology, minor surgery, hygiene, medical jurisprudence, principles and practice of osteopathy:

The Council, for the purpose of such examination of applicants for registration as osteopaths under this Act, shall appoint an osteopath, who shall prescribe the examination for such applicants in relation to the principles and practice of osteopathy.

Any duly qualified osteopath who shall successfully pass such examination to the satisfaction of the Council, shall be entitled to be registered under this Act as a Member of the College:

Provided, that such osteopath shall be restricted wholly to the practice of osteopathy:

9. Sub-sec. [e], Sec. 28, provides that: Any homeopathic physician holding a diploma of qualification from any recognized school or college requiring at least a four years' course of study, which has been undergone by the applicant, may be registered under this Act after taking and successfully passing an examination in the following subjects: Anatomy, physiology, chemistry, pathology, bacteriology, hygiene, obstetrics, gynecology, principles and practice of medicine, materia medica, clinical diagnosis and principles and practice of surgery:

The Council, for the purpose of such examination of applicants for registration as a homeopath under this Act, shall appoint a homeopath as an examiner, who shall prescribe the examination for such applicant in relation to the subjects of materia medica and the principles and practice of medicine:

Any duly qualified homeopath who shall successfully pass such examination to the satisfaction of the Council, shall be entitled to be registered under this Act as a Member of the College: Provided, that such homeopath shall be restricted wholly to the practice of homeopathy.

10. The examinations shall be oral and in writing on the following subjects:

1. Principles and Practice of Medicine and Medical Pathology.
2. Principles and Practice of Surgery and Surgical Pathology.
3. Minor Surgery and Surgical Pathology.
4. Obstetrics and Gynecology.
5. Physiology and Histology.
6. Anatomy.
7. Chemistry and Public Health.
8. Medical Jurisprudence and Toxicology.
9. Materia Medica.
10. Homeopathic Materia Medica.
11. Principles and Practice of Osteopathy.
12. Neurology.
13. Histology.
14. Bacteriology.
15. Physical Diagnosis.
16. Oral and Clinical Medicine and Clinical Diagnosis.
17. Oral and Clinical Surgery.
18. Urinary Analysis and Clinical Microscopy.

"Permits" are not granted by the Council.

All examinations are held in Victoria.

For more particular information apply to the Registrar, Victoria, B. C.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Pres, T M Milroy, M D, Winnipeg;
V-Pres, J J McFadden, M D, Neepawa;
Treas, James Patterson, M D, Winnipeg;
Registrar, J S Gray, M D, Winnipeg.

PROVINCIAL BOARD OF HEALTH.

Chairman, R M Simpson, M D, Winnipeg;
J H Edmison, M D, Brandon; F L Schaffner, M D, Boissevain; J M Eaton, M D, Carberry; Gordon Bell, M D, Winnipeg; Sec, E M Wood, Winnipeg.

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book, "Advice to Stammerers" and reference sent on request. Address The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS-1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As 'like cures like,' what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

Manitoba Med Ass'n—Pres, W Harvey Smith, Winnipeg; V-Pres, H E Hicks, Griswold; Sec, Jasper Halpenny, Winnipeg; Treas, R F Rorke, Brandon.

Med Ass'n of Brandon—Sec, J G B Lynch.

Winnipeg Med Ass'n—Pres, J O Todd, Winnipeg; V-Pres, S W Prowse, Winnipeg; Sec-Treas, J A Gunn, Winnipeg.

REGULATIONS OF THE COLLEGE OF PHYSICIANS AND SURGEONS OF MANITOBA REGARDING LICENSE TO PRACTICE MEDICINE.

The College of Physicians and Surgeons, which is composed of all the medical practitioners whose names are duly entered on the Manitoba Medical Register, is neither a teaching nor an examining body, but is the sole licensing body in medicine in the Province. The University of Manitoba is the sole examining body.

If the applicant for license be a graduate in medicine of the University of Manitoba a license to practice in the Province is granted without further examination by paying the license fee of \$75.

If the applicant for license be a graduate in medicine of any other Canadian University, he must send to the Registrar of the College of Physicians and Surgeons, prior to the 1st of March, his medical degree (as a credential), and upon this being found satisfactory he shall be reported to the University as eligible to write at the

regular examination, which is held once a year, beginning at 9 a. m. on the 3rd Monday in April, at the University building.

In the case of a graduate from any University in the United States or other foreign country, he shall, in addition to sending his degree (or diploma), be required to send to D. M. Duncan, Registrar of the University, complete detailed and authoritative information as follows:—

First.—As to his matriculation; giving the name and address of the institution in which he was examined, the subjects, and the extent of each required.

Second.—As to medical course; the number and length of sessions, subjects taught, number of courses in each, and number of lectures in each course, amount of clinical instruction in the different courses, etc.

All candidates writing for license must show that the course of studies of such College or other incorporated body, at the time such member was admitted thereto, was at least equivalent to the requirements for a similar course by the University of Manitoba at the time such member shall seek to be registered as aforesaid.

On receipt of this information the University will decide as to the eligibility or otherwise of the applicant to write for license.

Each applicant, at the same time that he sends his credentials to the Registrar of the C. P. S., should send \$15, examination fee, in a separate communication addressed to the Registrar of the University, which will be returned to him in case he is not permitted to write.

A candidate failing in three or more subjects must write on the whole examination again, and can only do so at a subsequent regular spring examination. If he fail in two subjects, or less, he will be required to write on these only, and may do so at the time of the Supplemental Examinations, which begin on third Thursday in September, or at any subsequent regular examination.

The subjects of examination for license are: Written—Medicine, Surgery, Obstetrics and Diseases of Children, Gynæcology, Materia Medica and Therapeutics, Oral—Clinical Medicine, Clinical Surgery, Clinical Ophthalmology and Otology. 50% required in each to pass.

The fee for license, \$75, is payable to the Registrar of the C. P. S. immediately after the receipt by him from the University of a satisfactory report of the candidate's examination.

No interim permit to practice is granted.

J. S. GRAY, M. D.,
Registrar, C. P. S., Man.,
358 Hargrave Street, Winnipeg.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

MEDICAL LAWS OF NEW BRUNSWICK.

MATRICULATION EXAMINATION.

9. Hereinafter no person shall begin to enter upon the study of physic, surgery, or midwifery, for the purpose of qualifying himself to practice the same in this province, unless he shall have obtained from the Council of Physicians and Surgeons a certificate that he has satisfactorily passed a matriculation or preliminary examination in the subjects specified in Schedule B to this act, or unless he has passed a matriculation examination for an undergraduate course in arts and science at some college in Great Britain, Ireland, Canada, the United States of America, or the continent of Europe. Provided, that the council shall have the power to make such alterations in the said Schedule B as may from time to time be deemed requisite.

10. No candidate shall be admitted to such matriculation or preliminary examina-
tion unless he shall have, at least fourteen days previous to such examination, given
notice to the registrar of the council of his intention to present himself for such
examination, and transmitted to the registrar a certificate showing that he has com-
pleted his sixteenth year, and shall before the examination have paid a fee of \$5.00 to
the registrar.

PROFESSIONAL COURSE.

Four years of study are required, including a graded collegiate course of four
sessions of not less than six months each, at some recognized college or university, as
per Sec. 2, amendment to the Medical Act, passed March 5, 1895.

2. No person shall be entitled to have his name entered on the register of the
council, or to receive a license to practice from such council, unless he shall satisfy
the council that he has passed the matriculation or preliminary examination; that,
after passing such examination, he has followed his studies during a period of not
less than four years; that during such four years he has attended at some university,
college or incorporated school of medicine in good standing, a graded collegiate course
of four sessions of not less than six months each; such course to include satisfactory
and sufficient lectures and instruction in anatomy, practical anatomy, chemistry,
practical chemistry, physiology, histology, materia medica, pharmacy, therapeutics,
surgery, medicine, obstetrics, diseases of women and children, medical jurisprudence,

Keeley Cure

Using, Neurasthenia, Tobacco and Cigar-
ette addictions. (See pages 27 and 28.)

2010 New Brunswick (1910) POLK'S MEDICAL REGISTER New Brunswick

hygiene and pathology, including bacteriology, together with evidence of attendance for a period of not less than twelve months upon the general practice of a hospital containing not less than fifty beds, under the charge of not less than two physicians or surgeons; that previous to graduation or obtaining a diploma he has passed satisfactory examinations in the subjects of the above curriculum, and that the examinations have been conducted, and the diploma granted, by a medical school, college, university or licensing body, which itself requires a four years' graded course as above appointed; or for want of such degree or diploma, that he has satisfactorily passed an examination in the various branches hereinbefore specified before examiners passed such examination as to his knowledge and skill for the efficient practice of his profession as may be prescribed by the council; that he is not less than twenty-one years of age; that he has paid to the registrar of the council a fee of ten dollars: Provided, that the council shall have power, subject to the approval of the governor in council, to make such alterations in the foregoing curriculum and requirement for to be appointed by the council; and in case he has such degree or diploma that he has registration as may from time to time be deemed requisite; and provided, also, that in the event of any person applying for registration as a practitioner of any system of medicine, the registered practitioners of the system shall have the right to appoint an examiner or examiners on the subjects peculiar to that system, namely: *Materia medica*, pharmacy and therapeutics, and if they should neglect so to do, the council shall have the power to appoint such examiner or examiners.

At the regular meeting of the council, held July 20, 1897, it was resolved: "That in future all candidates for registration in the Province of New Brunswick be subjected to a professional examination irrespective of any diploma which they may possess."

The attention of physicians and students is particularly called to the fact that a year of study, with a legally qualified practitioner, which has been allowed to count at college must be taken in every instance.

PROFESSIONAL EXAMINATIONS.

The professional examinations will be held in St. Johns once each year, commencing on the fourth Wednesday in June.
as one of the four years required, is now eliminated from the course, and four sessions

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see
Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

THE NOVA SCOTIA MEDICAL ACT.

REVISED STATUTES, CHAPTER 103, OF THE PRACTICE OF MEDICINE AND SURGERY,

As Revised in Accordance with Amendments Made by Orders-in-Council passed February 25, 1901; February 26, 1902, and by the Acts of 1903, Chapter 63; 1906, Chapter 21; 1907, Chapter 31; 1908, Chapter 52.

1. This chapter may be cited as "The Medical Act."
2. In this chapter unless the context otherwise requires:
 - (a) The expression "board" means the Provincial Medical Board;
 - (b) The expression "society" means the Medical Society of Nova Scotia;
 - (c) The expression "registrar" means the Registrar of the Provincial Medical Board.
 - (d) The expression "medicine" includes surgery and midwifery;
 - (e) The expression "qualified medical practitioner" or any other words importing a person recognized by law as a medical practitioner or member of the medical profession, means a person registered under this Chapter.

PROVINCIAL MEDICAL BOARD.

3. The board shall continue to consist of thirteen qualified medical practitioners of not less than seven years' standing, seven to be appointed by the Governor-in-Council and six to be elected by the society. Five members of the board shall constitute a quorum.

4. The board shall be a body corporate, and shall have power to hold and enjoy real and personal property, and may sell, mortgage, lease or otherwise dispose of any such property for the furtherance of the objects of the board under this chapter.

VACANCIES.

5. (1) Every vacancy in the board, whether caused by death, resignation, removal from office, expiration of term of office, or otherwise, shall be filled with as little delay as possible by the authority which appointed or elected the person causing such vacancy; so that as far as practicable the board shall always consist of thirteen members, seven appointed by the Governor-in-Council and six elected by the society.

(2) In case of the dissolution of the society, or its neglect or refusal to fill a vacancy within one year after such vacancy occurs, the remaining members of the board shall appoint a properly qualified person to fill such vacancy.

(3) In case of omission on the part of the Governor-in-Council to fill a vacancy within three months after such vacancy occurs, the board shall in like manner fill such vacancy.

6. Immediately upon the occurrence of a vacancy, the board shall communicate the fact to the Governor-in-Council, or to the society, according as such vacancy is to be filled.

TERM OF OFFICE.

7. (1) The members of the board appointed by or on behalf of the Governor-in-Council shall hold office during good behavior.

(2) The members of the board elected by the society shall hold office for three years from the date of election; provided, however, that any member of the board elected to fill a vacancy caused by death, resignation or removal from office shall hold office for the balance only of the term for which the person so dying, resigning or removed from office was originally elected.

(3) The Governor-in-Council may remove any member of the board upon the cause shown.

SECRETARY.

8. The board shall from time to time appoint a qualified medical practitioner, resident at Halifax, to act as its secretary. He shall attend the meetings of the board, and keep a record of the proceedings of the same in a book or books to be by the board provided for that purpose.

9. The secretary shall also be the registrar of the board and he shall act as treasurer of the board, unless the board appoints another person to that office. He shall be paid out of the moneys to be received, as in this chapter provided, such salary as the board, with the approval of the Governor-in-Council, determines.

MEETINGS OF THE BOARD.

10. (1) The board shall hold an annual meeting in the city of Halifax, at which it shall appoint examiners, fix the times and places of examinations, and the remuneration, if any, to be paid to such examiners, and transact all other necessary business.

(2) The board shall also hold such other meetings as are necessary, at which meetings they shall have the powers and duties conferred upon the board at the annual meetings.

(3) Any meeting of the board may be adjourned from time to time to any future date.

(4) The president shall preside at all meetings of the board, and in his absence some other member to be chosen from among the members present shall act as president. The president or acting president shall have a casting vote only.

(5) Notice of any annual or other meeting of the board shall be mailed to the members of the board at least three clear days before the date fixed for such meeting.

(6) The board may from time to time make regulations respecting the holding of the annual meeting and the other meetings of the board, and with respect to the business to be transacted thereat, and may from time to time alter, amend or repeal

any such regulation or regulations, but no such regulation shall be made, altered, amended or repealed at any meeting unless notice of the proposed regulation or of the proposed alteration, amendment or repeal, as the case may be, is given to each member of the board in the notice for such meeting.

1. In the absence of any general regulation the president or any five members of the board may direct the secretary to summon the board to meet at such time and place in the city of Halifax as to him or them seems fit, and the secretary upon receiving the direction of the president or such five members, shall summon the members of the board to meet at such time and place by notice mailed not less than three clear days previously to the date fixed for such meeting.

POWERS OF THE BOARD.

12. The board shall have power and it shall be its duty to,—

- (a) Elect such officers as are necessary for the carrying out of the provisions of this chapter;
- (b) regulate the study of medicine by making rules not inconsistent with this chapter in respect to preliminary qualifications, the course of study to be followed, professional examinations, and the nature of the evidence to be produced before the board with respect thereto;
- (c) appoint fit and proper persons to conduct the preliminary examinations, decide upon the times and places for holding such examinations, and fix the remuneration, if any, to be paid to such examiners;
- (d) appoint properly qualified persons to conduct the professional examinations, decide upon the times and places for holding such examinations, and fix the remuneration, if any, to be paid to such examiners;
- (e) examine all degrees, diplomas, licenses, and other credentials presented in support of applications for registration under this chapter, and require from the applicant a statement on oath that he is the person whose name is mentioned in such credentials, and that he became possessed thereof honestly;
- (f) cause every medical practitioner in the province to enter in a register of the board to be kept by the registrar, and to be called the medical register, his name, age, place of residence, the date of his license, diploma or certificate of qualification, and the institution or authority conferring the same;
- (g) cause every person engaged in the study of medicine for the purpose of qualifying himself to practice to enter in a register of the board to be kept by the registrar, and to be called the medical students' register, his name, age, place of residence, date and particulars of his preliminary examination, and place and date of his commencement of the study of medicine;
- (h) cause every midwife in the city of Halifax to enter in a register of the board to be kept by the registrar, and to be called the midwives' register, her name, place of residence and age, as well as her license or certificate, or the nature of her qualification or authority to practice as a midwife;
- (i) make regulations and by-laws concerning the registers to be kept under this chapter;
- (j) make regulations and by-laws for bringing this chapter into effect as to the board seems proper and necessary, which regulations and by-laws may be disallowed by the Governor-in-Council.

13. All moneys forming part of the funds of the board shall be paid to the treasurer, and shall be applied in carrying out the provisions of this chapter.

14. The books and accounts of the board shall at all times be open to the examination of such persons as the Governor-in-Council appoints to inspect the same, and of all members of the board; and the accounts shall be annually published or laid before the Provincial Secretary.

15. The registrar shall keep his registers in accordance with the provisions of this chapter and the regulations and by-laws of the board.

PRELIMINARY EXAMINATION.

16. No person shall begin or enter upon the study of medicine for the purpose of qualifying himself to practice the same in this province, unless he first produces to the registrar a certificate from the examiners appointed by the board to show that he has passed the preliminary examination in the subjects prescribed by the rules and regulations of the board, or evidence of having passed such equivalent examination* is accepted by the board, and unless he causes his name to be forthwith entered in the medical students' register as hereinbefore provided, and for such registration has paid such fees as the board by its rules and regulations appoints.

17. No candidate shall be admitted to the preliminary examination unless at least fourteen days previous to such examination he has given notice to the registrar of the board of his intention to present himself for such examination, and unless he has produced to the registrar satisfactory evidence that he has completed his sixteenth year and has paid a fee of ten dollars to the registrar.

PROFESSIONAL EXAMINERS.

18. (1) There shall be two professional examiners in each of the subjects in respect to which a professional examination is required.

(2) No more than one member of the teaching faculty of any medical school or college shall be appointed an examiner in any one subject.

*The word "as" evidently omitted here. See Acts 1899, c. 32, s. 14. (Registrar P. M. Board.)

REGISTRATION.

19. (1) Subject to the exceptions made in this chapter every person shall be entitled to have his name entered on the medical register who produces evidence satisfactory to the board,—

- (a) That he has passed the preliminary examination, or the equivalent examination provided by this chapter, and had his name entered in the medical students' register;
- (b) That after such examination and registration he has followed his studies during a period of not less than five years; (As amended by Acts 1908, c. 52, s. 1.)
- (c) That during such five years he has attended at a university, college, or incorporated school of medicine in good standing; a graded collegiate course of five sessions of not less than eight months each, such course to include satisfactory and sufficient lectures and instruction in anatomy, practical anatomy, physics, chemistry, practical chemistry, physiology, histology, materia medica, pharmacy, therapeutics, surgery, clinical surgery, medicine, clinical medicine, obstetrics, practical obstetrics, diseases of women and children, medical jurisprudence, hygiene, pathology (including bacteriology and post-mortem examinations), and that he has attended for a period of not less than eighteen months upon the general practice of a hospital containing not less than one hundred beds under the charge of not less than four recognized medical practitioners, of whom one at least must be a surgeon, or for not less than twelve months on such hospital practice and attendance for six months additional on the practice of a recognized dispensary, or of the outpatient department of a general hospital; (As amended by Order-in-Council Feb. 26, 1902; Acts 1908, c. 52, s. 2.)
- (d) That he has satisfactorily passed an examination in the various branches hereinbefore specified before the professional examiners appointed under the provisions of this chapter, and has received from the board its certificate of qualification: Provided that any candidate who, at the time of his examination, intimates his intention to practice the system of homeopathy shall not be required to pass an examination in either materia medica, or therapeutics, or in the theory or practice of medicine, or in surgery or midwifery, except the operative practical parts thereof, before any examiners other than homeopathic examiners, who shall be appointed by the board; and Provided that any person who produces to the registrar satisfactory evidence to show that as a student in arts or science, connected with any recognized university or college, he has attended a satisfactory course in physics, chemistry, or practical chemistry previous to his registration as a medical student, such course or courses will be accepted by the board as exempting from further attendance in such subject or subjects, and a certificate of having, as such arts or science student previous to his registration or as a medical student subsequent to such registration, passed an examination in either or all of these subjects equivalent to that required by the board, will be accepted as exempting from further examination in any or all of said subjects; and Provided that during the year 1902 and thereafter, until the board shall otherwise decide and shall give due notice of such decision in the Annual Announcement, any person who produces to the registrar satisfactory certificates from a regular medical college or university recognized by the board, of having passed in the subjects of the First and Second Professional Examinations as specified in the board's Annual Announcement, shall be exempt from further examination in such subjects and shall be required to pass only in the subjects of the Third Professional Examination; (As amended by Orders-in-Council Feb. 25, 1901; and Feb. 26, 1902.)
- (e) That he is not less than twenty-one years of age, and that he has paid to the registrar of the board such fee as the board by general by-law appoints.

(2) The foregoing curriculum and regulations shall be compulsory only in the case of persons who began the study of medicine subsequent to July 1st, 1899, and the board shall have power, subject to the approval of the Governor-in-Council, to make from time to time such alterations in the same as are required.

[3] The amendments made by the Acts of 1908, Chapter 52, Sections 1 and 2, viz., substituting the word "five" for the word "four" in clauses (b) and (c) of Section 19 of Chapter 103 R. S., 1900, shall not apply in the case of persons who began the study of medicine prior to the 16th day of April, 1908. (Acts 1908, c. 52, s. 3.)]

20. Notwithstanding anything contained in the next preceding section, any person in actual practice and duly registered under the provisions of Chapter 56 of the Revised Statutes, third series, shall be entitled to be registered under this chapter without payment of any fee.

21. (1) The board shall admit to registration, upon payment of the registration fee, any person desirous of practicing in Nova Scotia who is duly registered by the General Medical Council of Great Britain.

(2) When and as soon as it appears that there has been established in any other province of Canada, or in the North West Territories of Canada, an examining board similar to that constituted by this chapter, or an institution duly recognized by the legislature of any such province or of the said North West Territories, as the sole examining body therein for the purpose of granting certificates of qualification for the practice of medicine, and whereof the curriculum is equivalent to that established by this chapter, the holder of a certificate of qualification from any such examining body or institution, shall upon due proof and upon payment of the registration fee, be entitled to registration by the board, if the same privilege is

ASTORIA, L. I., BOROUGH OF QUEENS, N. Y. CITY.
—FOR NERVOUS AND MENTAL DISEASES; ALCOHOLIC AND DRUG HABITUES.—
(See adv. in NEW YORK)

2016 Nova Scotia (1910) POLK'S MEDICAL REGISTER Nova Scotia

accorded by such examining board or institution to those holding certificates of qualification from the board. (As amended by Acts 1903, c. 63, s. 2.)

(3) Wherever there is established under the Act of the Parliament of Canada, known as "The Canada Medical Act, 1902," or any Act in amendment thereof, a register for Canada of medical practitioners under the control of a medical council appointed or elected pursuant to the provisions of the aforesaid Act or Acts, then, notwithstanding anything contained in this chapter, any person duly registered in the said medical register for Canada as a medical and surgical practitioner shall be deemed to be qualified and entitled to be registered in the medical register of the board as a duly qualified medical and surgical practitioner, and shall be so registered upon the production of a certificate under the hand of the registrar of the said Medical Council for Canada certifying that such person is duly registered in the said medical register for Canada, and upon satisfactory proof of the identity of such person, and upon payment of such fee as may be prescribed by the board, such fee not to exceed the fee ordinarily payable in cases of registration under the other provisions of this chapter. (Acts 1903, c. 63, s. 1.)

22. No person shall practice medicine, surgery or midwifery in Nova Scotia unless his name is registered in the medical register.

23. No person shall be appointed as medical officer, physician, or surgeon in any branch of the public service of this province, or in any hospital or other charitable institution, unless he is registered under the provisions of this chapter; Provided that this section shall not apply to the appointment of House Surgeons in the Victoria General Hospital. (As amended by Acts 1907, c. 31.)

24. No certificate required by any statute now in force or hereafter to be passed from any physician, surgeon or medical practitioner, shall be valid unless the person granting or signing the same is registered under this chapter.

25. No person shall be entitled to recover in any court of law any charge for medical or surgical advice or attendance, or for the performance of any operation, or for medicines or medical or surgical appliances which he has supplied or furnished, unless he proves upon the trial that he is registered under this chapter: Provided that nothing in this section shall apply to the sale by qualified druggists or chemists of articles properly belonging to their business.

26. No person otherwise duly qualified under this chapter shall be refused registration on account of his adopting or refusing to adopt the practice of any particular theory of medicine. In case of such refusal by the board, the person aggrieved shall have the right to appeal to the Governor-in-Council, who upon due cause shown may issue an order to the board to register the name of such person.

27. Every person registered under this chapter who has obtained any degree or qualification other than that in respect to which he has been registered, may have such other degree or qualification inserted in the register in substitution for or in addition to the qualification previously registered, on the payment of such fee as the board appoints.

28. No qualification shall be entered on the register, either on the first registration or by way of addition to the registered name, unless the board is satisfied by sufficient evidence that the person claiming to have such qualification entered is entitled thereto; and any entry which is proved to the satisfaction of the board to have been fraudulently or incorrectly made, shall by direction of the board be erased from the register.

29. Any medical practitioner who has been sentenced to imprisonment in a penitentiary, or who after due inquiry has been adjudged by the board to have been guilty of infamous conduct in any professional respect, shall thereby forfeit his right to registration, and if registered his name shall, by the direction of the board, be erased from the register.

30. Every person registered under the provisions of this chapter shall be entitled, according to his qualification or qualifications, to practice medicine, surgery or midwifery, or any of them, as the case may be, and to demand and recover in any court of justice reasonable charges for professional aid, advice and attendance, and the cost of any medicines or medical or surgical appliances furnished by him to his patients.

31. Any person who neglects, or omits to be registered under this chapter shall not be entitled to any of the rights or privileges conferred by the provisions of this chapter.

31a. Any person who has been registered under the provisions of this chapter and whose name has been heretofore or is hereafter erased from the registry by order of the board shall, at any time within three months after the passing of this Act, if such erasure has been made before the passing thereof, or within three months after the date of such erasure, if made after the passing of this Act, have the right to appeal from the order directing such erasure to a Judge of the Supreme Court, who shall hear and determine such appeal in a summary manner and may confirm, reverse or modify the decision of the board, or may make an order directing the board to register the name of such person, and upon the making of such order the name of such person shall be deemed to be registered.

Any of the parties to the appeal may call witnesses and adduce evidence whether such witnesses were called or evidence adduced at the hearing before the board or not, either as to the credibility of any witness or as to any fact material to the inquiry.

This section shall not apply to a case in which a medical practitioner has been after due inquiry adjudged by the board guilty of infamous conduct in any professional respect. (Acts 1908, c. 52, s. 4., passed on the 16th day of April, 1908.)

PUBLICATION OF REGISTER.

32. (1) The registrar shall before the 1st day of August in every year cause to be published in the Royal Gazette of this province, and in such other manner as the board appoints, a correct list in alphabetical order, according to the surnames, with the respective residences (in the form set forth in the schedule to this chapter

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

or the like effect) and medical titles, diplomas and qualifications, with the dates thereof, of all persons appearing on the medical register on the 30th day of June in such year.

(2) Any list purporting to be so printed and published as aforesaid, shall from the said first day of August until the same date in the next following year be prima facie evidence in all courts of justice that the persons therein specified are registered according to the provisions of this chapter; and the absence of the name of any person from such list shall, during the same period, be prima facie evidence that such person is not registered according to the provisions of this chapter: Provided, that in the case of any person whose name does not appear in such list a certified copy under the hand of the registrar of the entry of the name of such person on the register shall be evidence that such person is registered under the provisions of this chapter.

OFFENCES AND PENALTIES.

33. Every person who wilfully procures or attempts to procure himself to be registered under this Chapter, or any amendment thereto by making or producing any false or fraudulent representation, statement or declaration, either verbally or in writing, and every person who knowingly aids or assists therein, shall be liable to a penalty of not less than one hundred dollars.

34. If the registrar makes or causes to be made any wilful falsification in any manner relating to the registers mentioned in this chapter or either of them, he shall for every such offense be liable to a penalty of not less than one hundred dollars.

35. (1) If any person not registered under the provisions of this chapter practices, or in any manner or by any means whatsoever professes to practice, medicine, surgery or midwifery, or advertises in any manner or by any means whatsoever to give advice in medicine, surgery or midwifery, he shall be liable to a penalty not exceeding twenty dollars for each day that he so practices, professes to practice, or advertises. (As amended by Acts 1906, c. 21, s. 1.)

(2) If any person wilfully pretends to be a physician, doctor of medicine, surgeon or general practitioner, or assumes any title, addition or description other than he actually possesses and is legally entitled to, he shall for each such offense be liable to a penalty not exceeding one hundred dollars.

36. Every person not registered under the provisions of this chapter, who takes or uses any name, title, addition or description, implying or calculated to lead people to infer that he is registered under this chapter, or that he is recognized by law as a physician, surgeon or accoucheur, or as a licentiate in medicine, surgery or midwifery, shall for each such offense be liable to a penalty not exceeding one hundred dollars.

37. All penalties or sums forfeited under the provisions of this chapter, shall be recoverable with costs, and may be sued for and recovered in the same manner as a private debt by the board or by any qualified medical practitioner in any of the courts of this province having jurisdiction in actions of debt to the extent of eighty dollars or upwards. All such penalties or sums when recovered shall belong to the board for the use thereof under this chapter.

38. In any trial under this chapter the burden will be upon the person charged to prove that he is duly registered under this chapter, and in the absence of proof that he is so registered, it shall be conclusively presumed against him that he is not so registered under this chapter.

39. No suit or action for the recovery of any penalty under this chapter shall be commenced after the expiration of one year from the date of the offense or act complained of.

MIDWIVES.

40. (1) Nothing in this chapter shall prevent any competent female from practicing midwifery in this province, except in the city of Halifax.

(2) In the city of Halifax no female shall practice midwifery unless and until she first fulfills such conditions as the board by regulation or by-law appoints, and satisfies the examiners appointed by the board for that purpose of her competency, and obtains from the board a diploma or certificate of qualification, and has been registered as hereinbefore provided.

(3) In lieu of an examination, the board may accept from any such midwife practicing or proposing to practice in the city of Halifax, a diploma or certificate from a recognized lying-in hospital which provides a regular course of instruction and requires an examination equivalent to that required by the board.

GENERAL PROVISIONS.

41. Nothing in this chapter shall prevent any person from giving necessary medical or surgical aid or attendance to anyone in urgent need thereof: Provided that such aid or attendance is not given for hire or gain, and that the giving of it is not made a business or way of gaining a livelihood by such person.

42. Any person who at any time before the 1st day of July, A. D. 1899, commenced the study of medicine for the purpose of qualifying himself to practice the same in this province, and who at any time before the 1st day of July, A. D. 1902, complies with the conditions and provisions in that behalf contained in the Revised Statutes, fifth series, chapter twenty-five, and Acts in amendment thereof, and in the rules and regulations made thereunder and now in force, shall be entitled to registration under this chapter. [Obsolete since July 1st, 1902.]

43. In case an execution issued upon a judgment recovered for a penalty under the provisions of this chapter is returned by the sheriff, unsatisfied, an order restraining the person against whom such judgment has been recovered from further violating the provisions of this chapter, may be made upon application to a judge of the court in which such judgment was recovered after ten days' notice of such application. Any such restraining order may be enforced by writ of attachment. (Acts 1906, c. 21, s. 2.)

MEDICAL LAW OF ONTARIO.

College of Physicians and Surgeons of Ontario. Announcement for the Academic Year 1909-1910.

"The College of Physicians and Surgeons of Ontario" is the name adopted by the Medical Profession of the Province of Ontario in its corporate capacity. As every legally qualified medical practitioner in the Province is a member of this College, it is not an institution for the teaching of medicine.

The Medical Profession of Ontario was first incorporated under this name by an Act of Parliament of Canada, passed in 1866. This Act was subsequently repealed by the Legislature of Ontario in 1869, and now the affairs of the profession in this province are regulated by an Act passed in 1874 (37 Vic., Cap. 30), commonly known as the "Ontario Medical Act," and further amended in 1887, 1891, 1893, 1895, 1902 and 1905.

By this Act, the 'Council of the College of Physicians and Surgeons of Ontario' is empowered and directed to enact by-laws for the regulation of all matters connected with medical education; for the admission and enrollment of students of medicine; for determining from time to time the curriculum of the studies to be pursued by them, and to appoint a Board of Examiners, before whom all must pass a satisfactory examination before they can be enrolled as members of the College, and thus be legally qualified to practice their profession in the Province of Ontario.

The Council, moreover, has power and authority conferred upon it by this Act to fix the terms upon which practitioners of medicine, duly qualified in other countries, may be admitted as members of the College of Physicians and Surgeons of Ontario, this being the only mode in which they can become legally entitled to practice their profession in this province.

For the information and guidance of students of medicine, the profession, and the public generally, the Council, in conformity with the Ontario Medical Act, hereby promulgates for the year 1909-1910 the Regulations which herein follow, repealing all others heretofore in force.

REGULATIONS FOR 1909-1910.

SECTION I.—MATRICULATION.

Every one desirous of being registered as a matriculated student in the Register of this College, except as hereinafter provided, shall be required to pay a fee of twenty dollars and to conform to the following regulations:

Any one of the following credentials will be accepted:

1. A certificate of having graduated in Arts or Science in any university in His Majesty's Dominions, or any other university approved of by this Council.
2. A certificate from the Registrar of any chartered university conducting a full arts course in Canada, that the holder thereof has passed the examination conducted at the end of the first year in Arts by such university.
3. A certificate of having passed the joint university senior matriculation examination in Arts as conducted by the Education Department of Ontario.
4. A certificate of having passed the Senior Arts matriculation conducted by any chartered university of Canada.
5. A certificate of having passed the joint university examination for junior matriculation in Arts as conducted by Education Department of Ontario. Physics and chemistry as required subjects, and either French, German or Greek as required subjects with a minimum standard of 50% on each subject on the entire examination.

The following subjects are comprised in this examination:
English Composition, English Literature, English Grammar.
British and Canadian History, Ancient History.
Algebra, Geometry, Arithmetic and Mensuration.
Physics, Chemistry, Latin Authors, etc., Latin Composition.
French Authors, etc., French Composition.

THE RALPH SANITARIUM

A quiet, well equipped and well handled Home Sanitarium for the treatment of **DRUG** and **LIQUOR** habits. Personal study and attention given each case. A new and very successful treatment, removing the desire and necessity for the Drug comfort, scientific treatment, no suffering and A CURE, Special rates to physicians. For Literature and full details of treatment address **THE RALPH SANITARIUM, 529 Highland Ave., Kansas City, Mo.**

Ontario

OF NORTH AMERICA (1910)

Ontario

2025

German Authors, etc., German Composition.

Greek Authors, Greek Composition.

6. Matriculation must be registered in the manner prescribed by the Council, preliminary to entrance upon medical studies.

7. The Registrar shall send to each High School and Collegiate Institute in Ontario a printed copy of the regulations governing the matriculation requirements of this Council with the request that such be posted in the High School or Collegiate Institute.

SECTION II.—MEDICAL CURRICULUM.

1. Every student must spend a period of five years in actual professional studies, except as hereinafter provided; and the prescribed period of studies shall include four winter sessions of eight months each and a fifth, or final year, to be devoted to clinical work.

2. Graduates in Arts or Science of any college or university recognized by the Council shall be permitted to graduate in four years provided that (a) during such course two years have been spent in the courses of physics, chemistry, biology and physiology and examinations passed in these subjects while taking said university course; (b) Such graduation is prior to beginning their medical course; (c) The primary examination is taken after the second or third year; (d) Certificates are presented for full number of clinical lectures required.

3. Course prescribed for the first four years:

Every student must attend the undermentioned course in a University, College or School of Medicine approved of by the Council.

Anatomy.—Two courses of eight months each in descriptive and practical anatomy.

Each student will be required to prove that he has carefully dissected the entire adult human body.

Medical and Surgical Anatomy.—One course of eight months.

Physiology.—Two courses of eight months.

Histology.—One course of eight months.

Chemistry.—Two courses of eight months each in theoretical chemistry and organic and inorganic.

Medical Physics.—One course of four months.

Materia Medica, Pharmacy and Pharmacology.—Two courses of four months each.

Medicine.—Two courses of eight months each.

Clinical Medicine.—Two courses of eight months each.

Surgery.—Two courses of eight months each.

Clinical Surgery.—Two courses of eight months each.

Midwifery.—Two courses of eight months each.

Gynæcology and Clinical Gynæcology.—One course of eight months.

Pathology and Bacteriology.—Two courses of eight months each.

Diseases of Children.—One course of six months.

Therapeutics.—One course of six months.

Jurisprudence and Toxicology.—One course of four months.

Diseases of the Eye, Ear, Nose and Throat.—One course of four months.

Hygiene and Preventive Medicine.—One course of four months.

Mental Diseases or Psychiatry.—One course of two months.

Medical Electricity and Roentgen Rays.—One course of two months.

4. The fifth year shall be devoted to clinical and practical work and must be spent in one of three ways.

(1) The whole year as Intern in a recognized hospital, or one year with a regularly qualified practitioner. Certificate by member of staff, (Hospital recognized by the government and receiving government aid.)

(2) Six months with a legally qualified practitioner and six months attending clinics, clinical lectures or as clinical assistant at a recognized hospital, in the presenting of a certificate from a member of the medical staff of such hospital.

(3) Six months with a legally qualified practitioner and six months in a medical school doing post-graduate work or having a fifth year course in its curriculum.

The minimum requirements of clinical lectures by the staff of a recognized hospital or at a medical school are as follows:

1. Twenty-five lectures or demonstrations in Surgery.

2. Twenty-five lectures or demonstrations in Medicine.

3. Twenty-five lectures or demonstrations in Obstetrics and Gynæcology.

4. Twenty-five lectures or demonstrations in Clinical Microscopy (including Urine Analysis, Blood Examinations, etc.) and Autopsy work.

5. One month in practical dispensing.

6. Twenty-five lectures or demonstrations in Ophthalmology, Otology and Rhinology and Laryngology.

7. Ten practical demonstrations in the administration of anaesthetics.

8. Attendance on ten cases of Midwifery.

Certificates concerning the work of the fifth year must, in all cases, be accompanied by an affidavit on a recognized form duly and properly executed by the person from whom the certificate is procured, in addition to the declaration signed by the student himself. Certificates must certify to the fact that the time covering the entire period stated has been properly and regularly employed. Blank forms for these certificates can be procured from the Registrar.

4a. No tickets for lectures will henceforth be accepted by the Council unless it is endorsed thereon as shown by teachers' roll, that the student has at least attended 75 per cent of the set number of lectures of each course.

5. During the course of study students must attend the practice of a General Hospital during a period of twenty-four months.

6. Course prescribed for Homeopathic students;

Candidates wishing to be registered as Homeopaths must conform with the requirements regarding matriculation as found in Section 1.

Such candidates must also have complied with the full curriculum of studies prescribed from time to time by the Council for all medical students, but the full time of attendance upon lectures and hospitals required by the Curriculum of the Council may be spent in such Homeopathic medical colleges in the United States or Europe as may be recognized by a majority of the Homeopathic members of the Council; and when such teaching body has been established in Ontario, it shall be optional for such candidates to pursue in part or in full the required curriculum in Ontario.

7. Graduates in medicine from recognized colleges outside the Dominion of Canada who desire to qualify themselves for registration must conform to the matriculation required by the Council; and must attend one or more full winter course of lectures in one of the regular medical schools in Ontario and must complete fully the practical and clinical curriculum required by the Council after the fourth year, and shall pass before the examiners appointed by the Council all the examinations hereinafter prescribed, conforming to the curriculum of this Council.

8. British registered medical practitioners, on paying all fees and passing the Intermediate and Final examinations, shall be registered, provided they have been in active practice for five years therein after having been registered therein. British registered medical practitioners who have not been in practice for five years will be registered on passing the professional examinations and paying all necessary fees.

SECTION III.—EXAMINATIONS.

1. The professional examinations are divided into three parts: "Primary," "Intermediate," and "Final."

Applications for every professional examination must be made to the Registrar of the College of Physicians and Surgeons of Ontario on the form furnished, at least two weeks prior to the examinations. No application will be received unless it is accompanied by the necessary tickets and certificates and the fee, or by the Treasurer's receipt, showing that fee has been paid.

2. The Primary examinations shall not be taken until after the second winter session, and the Intermediate after the fourth winter session; the Final after the fifth year.

The Primary and Intermediate examinations shall be "written" and "oral." The Final "oral" and "clinical."

3. The following branches shall be embraced in the Primary examinations:

- (a) Anatomy.
- (b) Physiology and Histology.
- (c) Materia Medica and Pharmacy.

4. Every candidate for the Primary examination will be required to present, with his lecture tickets, a certificate of having undergone and passed an examination at the medical school he has attended at the close of his first winter session on Primary branches and also a certificate of having passed the examination in chemistry at close of second or third year, or before results of examination are published. Also a certificate of ability to make and mount microscopic specimens.

5. The following branches shall be embraced in the Intermediate examinations:

- (a) Medical and Surgical Anatomy.
- (b) Principles and Practice of Medicine.
- (c) Pathology and Bacteriology.
- (d) Surgery.
- (e) Midwifery.

(f) Medical Jurisprudence, including Toxicology and Mental Diseases—Psychiatry.

(g) Hygiene and Preventive Medicine.

(h) Diseases of Children.

(i) Diseases of Women.

(j) Therapeutics.

6. Every candidate for the Intermediate examination will be required to present with his lecture tickets the following certificates: A certificate of attendance at ten post-mortem examinations and of ability to draw up a report on such examinations; a certificate of having reported satisfactorily ten medical and ten surgical cases; and a certificate of having passed at the close of the third session in the college attended, an examination in such parts of medicine, surgery and midwifery as may be thought advisable by faculties of said colleges. These certificates must be signed by the teachers of the various subjects referred to, or in case of autopsies by practitioner holding such.

7. The following branches are embraced in the Final examinations:

- (a) Clinical Medicine.
- (b) Clinical Surgery.
- (c) Midwifery and Diseases of Women.

8. Every candidate for Final examinations must present the certificates called for in Section II, Clause 4. Candidates' attention is drawn to the fact that if a fifth-year student evades the law by practicing medicine on his own account, he shall not be entitled to examination at the end of his fifth year.

Candidates also must, before being registered as a member of the College of Physicians and Surgeons of Ontario, have attained the full age of twenty-one years.

9. Candidates for the Primary who fail in all subjects but two must make 60 per cent. in each of these two subjects, or receive no credit for any. Candidates for Intermediate who fail in all subjects save three, will be allowed those three if they pass 60 per cent in each.

10. Candidates who intend to be examined by the Homeopathic Examiner in special subjects, shall signify their intention to the Registrar at least two weeks

---------	-------------------------	---------	------

previous to the announcement of the examinations, due notice of which must be given to examiner by Registrar. Homeopathic students are to write on the same papers as do other students except in Materia Medica and Therapeutics. In the subjects of Surgery and Midwifery the papers shall be examined and the orals conducted by an examiner approved by a majority of the Homeopathic members of the Council.

11. A professional examination will be held in Toronto on the third Tuesday in September, 1909. All candidates who have failed in a former examination will be required to pay a fee of twenty dollars for this examination. The next professional examination thereafter will be held at Toronto, Kingston and London on the third Tuesday in May, 1910.

12. Should a candidate fail to pass at least two-thirds of the subjects upon which he writes he will not be permitted to again present himself until the expiration of one year from his last examination.

SECTION IV.—FEES.

1. The following scale of fees has been established by the Council of the College of Physicians and Surgeons of Ontario:

- | | |
|---|---------|
| (a) Registration of matriculation..... | \$20.00 |
| (b) Primary examination | 30.00 |
| (c) Intermediate and Final examination, including registration..... | 50.00 |

This is not to affect any student who is registered prior to 1st July, 1889. These fees are to be paid to the Treasurer of the College before each examination.

- | | |
|---|-------|
| (d) Registration of persons duly qualified before 23rd day of July, 1870... | 10.00 |
| (e) Registration of persons duly qualified after 23rd of July, 1870..... | 25.00 |
| (f) Registration of additional degrees or titles..... | 2.00 |

This fee is only payable when the additional titles are registered at different times, but any number of such titles as are allowed to be registered may be put on record at the first registration fee.

- | | |
|---|------|
| (g) Diploma of membership of the College..... | 5.00 |
|---|------|

This diploma is granted free of charge to all those members of the College, who attain their membership by passing the examinations of the College. All other members may obtain it on application to the Registrar, and paying the above named fee to the Treasurer.

- | | |
|--|------|
| (h) Annual assessment due by members of the College for each year, payable to the Treasurer..... | 2.00 |
|--|------|

This fee is payable by every member of the College.

2. All fees, excepting the annual assessment, must be paid in lawful money of Canada, to the Treasurer of the College.

3. No candidate will be admitted to any examination until the fee for such examination is paid in full.

4. Candidates who have failed in any professional examination in more than one subject shall pay a fee of twenty dollars for each subsequent examination; if only one subject, ten dollars, but at the Fall examinations the fee will be Twenty Dollars for one or more subjects.

SECTION VII.

Inter-Provincial Reciprocity in Medical Registration. For the purpose of fostering reciprocal relations with the several provinces of Canada this Council enacts as follows:

1. When and as soon as it appears that in any other province of Canada, an examining board similar to that constituted by the Ontario Medical Act, being the sole examining body therein for the purpose of granting certificates of qualification for the practice of medicine, has established a curriculum equivalent to that established by the Council of the College of Physicians and Surgeons of Ontario, the holder of a certificate of qualification granted by any such examining body, shall upon due proof and upon payment of the registration fee, be entitled to registration by this Council, if the same privilege is accorded by such examining body to those holding certificates of qualification from this Council.

2. Any regularly qualified and licensed medical practitioner in any province of Canada, who is also a graduate in Arts or Science from a recognized Canadian university, may, without further examination, become a member of the College of Physicians and Surgeons of Ontario, on furnishing the necessary credentials and paying the usual fee, provided that the Medical Council of the province in which he is registered and resident offers similar privileges to the members of the College of Physicians and Surgeons of Ontario.

3. Any regularly qualified and licensed medical practitioner in any province of Canada, who has been engaged in the practice of medicine for five or more years, may, on passing the examination in the final subjects only, become a member of the College of Physicians and Surgeons of Ontario, on furnishing the necessary credentials and paying the usual fee, provided that the Medical Council of the province in which he is registered and resident offers similar privileges to the members of the College of Physicians and Surgeons of Ontario.

4. The Registration fee in all cases where no examination is required by the Council will be \$100.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.
